BOLTON COMMUNITY LEISURE LIMITED

CHAIR'S STATEMENT

FOR THE YEAR ENDED 31 DECEMBER 2010

This is the seventh year of the operation of Bolton Community Leisure Limited (the Trust) and the progress made in previous years in consolidating the Trust's role in developing sport and recreational services in Bolton has continued

The Trust continues to play an important role in setting strategic direction and overseeing the management of the leisure facilities, which is carried out by Serco Leisure, extending sport and recreational opportunities and improving the quality of service standards. The Trust and Serco continue to monitor service standards and it is particularly pleasing that Serco have improved their performance in Quest accreditations over the year across all facilities and the ongoing commitment to the workforce continues to be demonstrated with the contract having IIP accreditation. Our thanks go to Serco and their staff for their dedication to this goal.

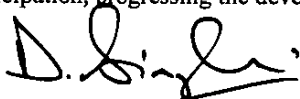

The patronage increase from 1.5 million in 2009 to 1.7 million in 2010 has led to better financial performance of the Trust during a difficult economic period which has led to a further surplus to the Trust providing further opportunities for investment.

Investment by the Trust into its identified priorities has continued to contribute to positive outcomes with Key Stage 2 swimming attainment levels again increased as a result of the 3rd teacher initiative and the provision of additional equipment to support clubs based within our centres improving access and choice. The support given to cycling, orienteering and walking demonstrates the desire to introduce new activities at facilities to encourage greater participation.

As a body, the Trust has gone through a revitalisation process with new Members appointed, all of whom can bring valuable knowledge and experience to the Board and the appointment of a new Chair.

The next twelve months will see some significant changes as a result of the current financial climate and reductions in local authority funding which will impact on the Trust. However this will provide an opportunity for the Trust to refocus its priorities across the contract as the Academies programme continues and capitalise on the opportunities that will be presented in the build up to the Olympic Games and the opening of Bolton One in February 2012.

I again would like to thank Trustees, officers of the Trust, Bolton MBC and Serco Leisure for their efforts in increasing participation, progressing the development of the leisure offer and commitment to continuous service improvement.

Trustees' Report information

Bolton Community Leisure is a company limited by guarantee with charitable objectives. The Trust has a desire and responsibility to develop and maintain high quality community sport, leisure, physical activity and educational opportunities across Bolton and surrounding areas, in order to improve the quality of people's lives.

The Trust's primary functions are to coordinate and develop opportunities in conjunction with other partners that are inclusive, accessible and cost effective. The Trust will be managed in accordance with the highest standards of corporate governance and integrity. It will seek to improve the health and lifestyle of the community, working with and involving the community at each opportunity.

The Charity's objects are

- (1) to provide or to assist in providing facilities for recreation physical education or other leisure time occupation for the general benefit of those living and working in the Borough of Bolton and its neighbourhood without discrimination on the grounds of sex or of political religious or other opinions
- (2) to educate and assist young persons and other members of the community in the Borough of Bolton and its neighbourhood through their leisure time activities so as to develop their physical mental and spiritual capacities and so that their condition of life may be improved and in furtherance of that object to make available to the public at the facilities to be provided by the Charity lectures classes and training and coaching facilities.

The Trust continues to play an important role to play in overseeing the management of the leisure facilities, which is carried out by Serco Leisure, extending sport and recreational opportunities and improving the quality of service standards. The Trust and Serco continue to monitor service standards.

The Trust has spent some time with its partners to refine its priorities in order to identify potential investment opportunities to further the Trust's aims.

BOLTON COMMUNITY LEISURE LIMITED

TRUSTEES' ANNUAL REPORT AND REPORT OF THE DIRECTORS (Continued)

FOR THE YEAR ENDED 31 DECEMBER 2010

The medium and short term steps to achieve the above long-term goals mean the Trust will focus on the following over the next three years

- Improving the coaching infrastructure within sports clubs
- Working with the Bolton MBC Health & Sport Inclusion team, Serco Leisure and the schools to achieve the 5 hour per week sport offer for school children
- Working with the Bolton MBC Health & Sport Inclusion Team, Serco Leisure and the Bolton PCT to provide accessible activities for the 45+ who are deemed to be 'at risk' of coronary heart disease
- Helping to improve sport and active recreation opportunities for people with long-term conditions

Various actions, plans and delivery have commenced on the delivery of the key priorities. The above areas have been identified as opportunities that Trustees may invest in to help achieve the short and medium term goals. The long term aims will need to be achieved in a changing environment shaped by Building Schools for the Future whereby existing sites may be lost or be subject to changing governance arrangements. The opportunities presented by new sites (notably the planned new town centre pool) will be proactively pursued.

Strategies

- To ensure that the Council's leisure facility management operator delivers the service in accordance with all contractual documents and any performance targets agreed from time to time
- To lead the Leisure Centre Partnership, consisting of the Trust, Bolton MBC and the leisure facility management operator in order to coordinate service delivery and its improvement
- To work jointly with other public and private leisure service operators in order to contribute to the co-ordination of borough-wide service delivery where possible
- To co-operate in joint working initiatives with individual organisations or wider partnerships which contribute towards achieving the Trust's facility management objectives
- To work with Bolton MBC to ensure that opportunities to enhance leisure facilities through capital investment are maximised
- Fulfil a wider strategic role within the Borough
- To generate additional resources through fund raising and securing grant aid in order to further the objectives of the Trust
- To contribute to borough-wide partnerships involved in community leisure and social development
- To manage the resources of the Trust as cost effectively as possible and maximise financial resources to be applied to the Trust's objectives
- To achieve high standards of integrity, probity and efficiency of the Trust's operations
- To ensure that there are a sufficient number of Trustees and that they have the necessary skills to represent the interests of the wider community

The charity does not have any staff. The facilities are operated under a management contract. Where it is impractical to delay decisions to the next full meeting of Trustees decisions may be delegated to the Chair and Vice Chair of Trustees.

New Trustees are sought by public advertisement and appointed by existing trustees following evaluation against agreed criteria designed to further the Trust's aims. All Trustees take part in "visioning days" designed to share the objectives of the Trust and shape its future direction. Strategic direction and innovation are determined by the Trust Board. Day to day operation of facilities is achieved under a management contract.

The Trust receives funding from Bolton Council to meet running expenses including deficit funding of its management contractor on the basis of the adjusted tender price. A profit share agreement with the management contractor provides funds which the Trust can subsequently use to invest in initiatives to pursue its objectives. The key areas are coaching / workforce development, 5 hour sports offer for school children, 45+ year olds who are at risk of coronary disease; people with long-term health conditions.

No Trustee receives remuneration or expenses. Two trustees claim travelling expenses and a further two trustees benefit from free Fitness passes.

New investment funded from share of surplus has been identified in the year for:

- A "Get into Football" officer employed by Serco
- Assistance towards encouraging the take up of Smart Card
- Assistance to the Health Authority in promoting Health Walks and Health on Wheels

Reserves

It is the policy of the charity to maintain unrestricted funds, which are free reserves of the charity, at a level to meet anticipated unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs. Unrestricted funds were maintained at this level throughout the year. Risk Management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

The systems of internal control are designed to provide reasonable, but not absolute, assurance against misstatement or loss. They include:

- A strategic plan and an annual budget approved by the directors

Regular consideration by the directors of financial results, variance from budgets, non-financial performance and benchmarking reviews

Delegation of authority and segregation of duties

Identification and management of risks

Public Benefit Statement

The Trustees have complied with their duty in section 4 of the 2006 Charities Act to have due regard to the guidance on public benefit published by the Charities Commission in exercising their powers and duties.

Directors' Responsibilities

Company law requires the directors prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
