Dear Sirs

T J Hughes Limited ('TJH')

T J Hughes (Holdings) Company Limited ('Holdings')

T J Hughes (Investments) Limited ('Investments')

T J Hughes (Properties) Company Limited ('Properties')

(All in Administration) (together 'the Group')

I write, in accordance with Rule 2 47 of the Insolvency Rules 1986 ('the Rules'), to provide creditors with a further update report on the progress of the Administrations of the Group

This report covers the period from 30 December 2011 to 11 May 2012 ('the Period') and should be read in conjunction with the Joint Administrators' previous progress report dated 20 January 2012 and the Joint Administrators' statement of proposals dated 16 August 2011 ('the Proposals')

The Group entered Administration on 30 June 2011 and Thomas Andrew Jack and Simon Allport of Ernst & Young LLP, 100 Barbirolli Square, Manchester, M2 3EY were appointed to act as Joint Administrators. The appointments were made by the Group's secured creditor under the provisions of Paragraph 14 of Schedule B1 to the Act. Under the terms of the appointments, any act required or authorised to be done by the Joint Administrators can be done by either or both of them acting jointly or alone.

A summary of statutory information relating to the Group and the appointments of the Joint Administrators is provided at Appendix 1

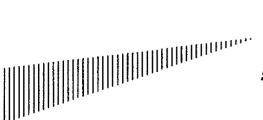

Summary of progress

Trading

TJH was the Group's only trading entity, as contractual employer, owner of the stock and operator of the stores

The UK film Ernst & Young ELP is a limited Labil, partnersh piregistered in England and Wales with registered number OC300001 and is a member firm of Ernst, & Young Global Limited. A list of members names is available for inspection at 1 More London Place. London SEL 2AF, the firm's principal place of business and registered office.

II ERNST & YOUNG

Trading sales

As previously reported, total realisations in respect of trading sales were £40 5m including net concession income. No further realisations have been achieved during the Period and no more are expected.

Trading costs

General trading costs

The majority of general trading costs (including retail agents' fees, employee costs and other trading costs) have now been settled. We continue to work with a small number of suppliers to finalise remaining costs relating to the period of Administration trading.

Retention of title

Further to my previous progress report, we have now settled a total of 42 retention of title claims with associated settlement payments of £2 8m (claim value £5 5m). A further eight suppliers have confirmed they do not wish to pursue their retention of title claim (claim value £6 1m). We are continuing to work to resolve the remaining outstanding retention of title claims from 57 suppliers, with a claim value of £2 2m.

Sale of business

As previously reported, the Joint Administrators entered into an agreement to sell the business, assets and leasehold interests of the Sheffield, Glasgow, Eastbourne, Liverpool, Newcastle and Widnes stores to Lewis' Home Retail Limited ('LHR') This was completed via two sale and purchase agreements, and included the transfer of all employees attributable to these stores

Total consideration for these transactions was £1 9m of which £1 2m was received on completion and the balance of £0 7m deferred. The deferred consideration has now been received in full

Property

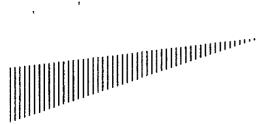

As previously reported, at the date of the Joint Administrators' appointment, the Group held leasehold interests in 59 properties, a long leasehold interest in a small car park in Liverpool and a freehold interest in the annex to the Bradford store. The majority of the leases were held by TJH with two being held by Properties.

As previously reported, the Joint Administrators' realised premiums for the leasehold interests in ten of the Group's properties. Six of these formed part of the agreement for the sale of certain of the Group's assets to LHR.

To date, of the portfolio of 59 leases, we have agreed the release of 22 stores through a combination of assignments to new tenants and lease surrenders. We remain in active dialogue with the Group's landlords with a view to surrendering or otherwise disposing of the remaining leases.

To date, £1 1m has been paid in respect of rent, service charges and insurance and £1 0m has been paid in respect of business rates

I am pleased to report that a sale of the freehold car park in Liverpool was agreed in April 2012 for total consideration of £45k, which has now been received in full

型ERNST&YOUNG

Further to my previous progress report, we withdrew the Bradford freehold annex from auction and appointed a new property agent to market the property with a view to achieving a sale within six months

Other asset realisations

Credit card retentions

As previously reported, following the appointment of the Joint Administrators, the Group's credit card processing agents (Barclays Merchant Services, American Express and Duet) retained approximately £1 0m of pre-appointment cash in transit to seek to mitigate chargeback risk, principally arising from undelivered pre-appointment customer orders and potentially faulty goods

The Joint Administrators continue to seek further releases of funds from the processing agents and have realised £78k since my previous progress report bringing total releases to £0 8m after the application of chargeback claims and service charges

The processing agents retain approximately £17k which we will continue to pursue

Debtors and prepayments

Since my last progress report, a further £9k of realisations have been achieved in respect of business rates recoveries. We continue to pursue the recovery of business rate prepayments and any appropriate rating appeals.

Other assets not subject to fixed charge

Other assets not subject to fixed charges largely comprise fixtures and fittings, IT equipment and plant and machinery

Since my last report, we have concluded the sale of other assets, generating a further £4k in realisations. No further realisations are expected in this regard

Other matters

Tax

The pre-appointment corporation tax affairs of the Group have now been brought up to date, including agreeing any brought forward tax losses which may be available to mitigate any trading profits generated in the Administrations

Furthermore, work continues to finalise the corporation tax affairs of the Group after the cessation of trade

Customer orders and claims

The Joint Administrators continue to receive claims from customers in respect of orders placed preappointment that have not subsequently been fulfilled by the Group. These customers have been advised in writing of the position relating to their goods.

In respect of goods purchased by customers post appointment, the Joint Administrators maintained the Company's existing 28 day refund or exchange policy, which has now expired, and therefore no refunds

II ERNST & YOUNG

or exchanges will be offered with the exception of certain instances of the supply of faulty goods which fall outside of this refund or exchange policy. We therefore continue to deal with claims for refunds for faulty goods purchased during the trading period of the Administrations under the Sale of Goods Act 1979 (as amended).

Receipts and payments account

A summary of the Joint Administrators' receipts and payments accounts for the Group, for the period from 30 June 2011 to 11 May 2012, is attached at Appendix 2. Please note that the receipts and payments accounts presented do not reflect estimated future realisations or costs.

Outcome to creditors

Secured creditors

Further to my previous progress report, £7 9m has now been distributed to the Group's second ranked secured creditor, GA Europe Investments 300 Limited ('GAE') in respect of its secured indebtedness. At this time it remains uncertain whether GAE's secured debt will be repaid in full

Preferential creditors

Preferential creditor claims of £101k have been received in respect of former employees' salaries and holiday pay. As the sole employer in the Group, these claims are against TJH

I am pleased to report that a distribution to preferential creditors was made on 18 May 2012 totalling £96k. We expect that all preferential creditors will be repaid in full, with the balance of £5k of preferential claims received currently in the process of being reviewed.

Non-preferential creditors

Non-preferential creditor claims continue to be received. The directors' Statement of Affairs included an estimate of non-preferential claims across the Group in the region of £409m. However, this includes an estimate of landlord creditors based on the unexpired term of all leases at full rent. In practice, we would expect landlord creditors to mitigate such claims through re-letting properties and other steps.

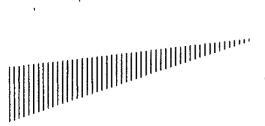

The directors' estimate may be summarised as follows

£m	Total	TJH	Ho!dings	Investments	Properties
Landlord creditors	321 7	293 0	•	-	28 7
Trade and other creditors	33 4	33 4	-	-	-
Crown creditors	50	50	-	-	-
Intercompany creditors	48 9	0 5	1 2	47 2	-
Total	409 0	331 9	12	47 2	28 7

As previously reported, we currently do not anticipate that there will be sufficient funds to enable any distribution to be made to non-preferential creditors other than by virtue of the Prescribed Part

The Prescribed Part

The Prescribed Part is a proportion of floating charge assets set aside for non-preferential creditors pursuant to Section 176A of the Act. The Prescribed Part applies to floating charges created on or after 15 September 2003.

■ Ernst & Young

The Joint Administrators, to the best of their knowledge and belief, estimate that the value of the Prescribed Part set aside in TJH will be the maximum of £600k. This figure is stated before the costs of distributing the Prescribed Part.

The value of the Prescribed Part for the remaining three companies is currently estimated to be nil

Joint Administrators' remuneration and expenses

In accordance with Rule 2 106 of the Rules, the Joint Administrators' remuneration was fixed by the Group's secured creditors and TJH's preferential creditors, on the basis of time properly incurred by the Joint Administrators and their staff in attending to matters arising in the Administrations

As at 11 May 2012 total time costs and disbursements incurred across the Group totalled £3,518,449 and £68,479 respectively. As at 11 May 2012, £2,140,465 and £67,948 had been drawn in respect of fees and disbursements respectively.

An analysis of the time spent by the Joint Administrators and their staff is attached at Appendix 3 to this report. At Appendix 4 there is a statement of the Joint Administrators' policy in relation to charging fees and disbursements.

An analysis of Category 2 disbursements (i.e. those disbursements incurred by the Joint Administrators' firm which include an element of shared overhead) is included within Appendix 3 to this report

The statutory provisions relating to remuneration are set out in Rule 2 106 of the Insolvency Rules 1986 Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the website of the Insolvency Practitioners Association at http://www.insolvency-practitioners org.uk (follow 'Regulation and Guidance' then 'Creditors' Guides to Fees'), or is available in hard copy upon written request to the Joint Administrators

In certain circumstances, creditors are entitled to request further information regarding the Joint Administrators' remuneration or disbursements, or to apply to court on the grounds that the costs are considered to be excessive (Rules 2 48A and 2 109 of the Insolvency Rules 1986) Further information is provided at Appendix 5

Payments to other professionals

The Joint Administrators have engaged the following other professionals to assist them in the Administrations. They have been chosen on the basis of their extensive retained knowledge of the Company and/or experience in similar assignments.

Jones Lang LaSafle	Property agents	Percentage of realisations
WIS International	Stock take	Fixed fee

型 Ernst & Young

Details of the fees paid to date are included in the receipts and payments accounts attached at Appendix 2

Future conduct of the Administrations

There remain a number of matters to be completed in order to allow the Joint Administrators to successfully achieve the purposes of the Administrations. These matters include but are not limited to, dealing with outstanding retention of title claims, the portfolio of property leases, a continuing licence to occupy granted to LHR, and the settlement of outstanding trading liabilities.

In order that these matters may be resolved, we are seeking an extension to the Administrations by a further six months pursuant to Paragraph 76(2)(b) of Schedule B1 to the Act, and have written separately to the Group's secured creditors and the Group's preferential creditors in this regard

Following the conclusion of these matters, it is anticipated that the Administrations will be concluded either through a Creditors' Voluntary Liquidation or dissolution, whichever is more appropriate

I will report to you again at the conclusion of the Administrations or in six months' time, whichever is the sooner

Yours faithfully for the Group

Joint Administrators' policy for fees and disbursements

Office Holders' Charging Policy for Fees

The Group's secured and preferential creditors have determined that the Joint Administrators' remuneration should be fixed on the basis of time properly incurred by the Joint Administrators and their staff in attending to matters arising in the Administrations

The Joint Administrators have engaged a manager and other staff to work on the cases. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual's experience. Additional assistance is provided by accounting and treasury executives dealing with the Group's bank accounts and statutory compliance diaries. Work carried out by all staff is subject to the overall supervision of the Joint Administrators.

All time spent by staff working directly on case-related matters is charged to a separate time code established for each case. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown in Appendix 3, as are the current hourly rates used. The current hourly rates may be higher than the average rates, if hourly rates have increased over the period covered by this report.

Office Holders' Charging Policy for Disbursements

Statement of Insolvency Practice No 9 ('SIP 9') published by R3 (The Association of Business Recovery Professionals) divides disbursements into two categories

Category 1 disbursements comprise payments made by the Office Holders' firm, which comprise specific expenditure relating to the administration of the insolvent's affairs and referable to payment to an independent third party. These disbursements can be paid from the insolvent's assets without further approval from the secured and preferential creditors. In line with SIP 9, it is our policy to disclose such disbursements drawn but not to seek approval for their payment.

Category 2 disbursements comprise payments made by the Office Holders' firm which include elements of shared or overhead costs. Such disbursements are subject to approval from the secured and preferential creditors as if they were remuneration. It is our policy, in line with SIP 9, to seek approval for this category of disbursement before they are drawn.
