DIRECTORS' REPORT 5 APRIL 2013

The directors present the Annual Report and Financial Statements of Electra Film Partner 1 Limited ("the Company") for the year ended 5 April 2013

Principal activity

The principal activity of the Company continues to be to trade as a partner in Electra Film Partners ("the Partnership"), a partnership formed to pursue commercial film opportunities through a combination of sale and leaseback transactions and film development projects

The Company is a wholly-owned subsidiary of Ingenious Media Limited, which is a wholly-owned subsidiary within the Ingenious Media Holdings plc group ("the Group"). The Group manages its operations on a divisional basis. For this reason, the Company's directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of its development, performance or position.

Going concern

The directors have a reasonable expectation that the Company will continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the Annual Report and Financial Statements.

Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Principal risks and uncertainties

The key business risks faced by the Company can be affected by a number of factors some of which may result from matters beyond the Company's control, such as conditions in the domestic and global financial markets and the wider economy. The financial risk and operational management policies are determined for the Group as a whole and are discussed in the Group's Annual Report and Financial Statements.

Results and dividends

The results for the year are set out on page 6.

The directors do not propose to pay a final dividend (2012: £nil).

No interim dividends were paid during the year (2012: £nil).

Future developments

The Company intends to continue to undertake its principal activity.

Creditors payment policy

The Company does not follow any specific code or standard on payment of creditors. The Company agrees the payment terms as part of the commercial arrangement negotiated with suppliers. Payments are made on these terms provided the supplier meets its obligations.

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable United Kingdom Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT OF ACCOUNTING POLICIES
5 APRIL 2013

The principal accounting policies are summarised below. They have been applied consistently throughout the current and the preceding year.

Basis of accounting

The Annual Report and Financial Statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom Accounting Standards.

Going concern

The Company's business activities, together with the factors likely to affect its future development, performance and position have been reviewed by the directors. As part of the Group, the directors believe that the Company is well placed to manage its business risks successfully despite the current uncertain economic outlook.

The amounts owed to group undertakings take the form of a loan granted and the terms of this loan mean that it is only repayable to the extent that funds are received from the investments by the Company. The directors have a reasonable expectation that the Company will continue in operational existence for the foreseeable future, and accordingly, they continue to adopt the going concern basis in preparing the Annual Report and Financial Statements which they feel is wholly appropriate.

Cash flow

The financial statements do not include a Cash Flow Statement because the Company, as a wholly owned subsidiary, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 'Cash Flow Statements'.

Fixed asset investments

Interests in partnerships

Fixed asset investments in the Partnership represent the Company's share of the Partnership's net assets at year end.
