# REPORT OF THE GENERAL PARTNER FOR THE YEAR ENDED 31 MARCH 2016

PARTNERSHIP NUMBER LP009330

The General Partner presents its report and financial statements for the Limited Partnership ("Partnership") for the year ended 31 March 2016

#### Principal activities

The principal activity of the Partnership is that of property investment and development. The principal asset is a potential development site in Portsmouth city centre. The proposed extension to the Development Agreement is not being signed as the General Partner believes the target timescales are unachievable. Accordingly the submission of the draft planning application is on hold while discussions with the Council continue.

#### Result for the year

The loss for the financial year amounted to £6,800 (2015 £640,388)

#### Principal risks and uncertainties

It is the opinion of the General Partner that the major risk faced by the business is the continuing challenge in the regional retail property market, particularly for a scheme of this size and value

A further risk is that Portsmouth City Council could terminate the Development Agreement at any time, although a major part of the site is controlled via a long leasehold interest. However, until the Partnership formally enters into a legally binding extension to the Development Agreement, this risk will remain

The Company's key performance indicators are

Loss for the year	Year ended 31 March 2016 £	Year ended 31 March 2015 £
Loss for the year	(6,800)	(640,388)
Net assets	20,124,692	20,131,492

#### Post balance sheet events

The directors note the uncertainty, and consequential volatility in the property and capital markets, since the UK voted to leave the European Union in the 23 June referendum. This uncertainty may have an impact on UK property valuations in future periods. These uncertainties are not reflected in the Statement of Financial Position as 31st March 2016.

#### Going concern

The financial statements have been prepared on a going concern basis. The Partnership forecasts it will have sufficient funds to meet its liabilities as they fall due for a period of at least one year from the date of signing the financial statements.

#### Disclosure of information to the auditor

So far as the General Partner at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware, and the General Partner has taken all the steps that it is obliged to take as a General Partner in order to make itself aware of any relevant audit information, and to establish that the auditor is aware of that information

#### Auditor

In accordance with s 485 of the Companies Act 2006, a resolution is to be proposed at the Annual General Meeting for the re-appointment of Ernst & Young LLP as auditor of the company

#### Small companies' exemption

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption. The directors have also taken advantage of the exemption provided under section 414B of the Companies Act 2006 from the requirement to produce a strategic report for the year.

Our audit work has been undertaken so that we might state to the partnership those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the partnership, as a body, for our audit work, for this report, or for the opinions we have formed

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the qualifying partnership's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the members, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the General Partners to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

- certain disclosures of members' remuneration specified by law are not made.
