Loopsign Limited
Director's Report

The director presents his report and the group and company accounts for the year ended 30 September 2005.

Principal activities and review of the business

The group's principal activity during the year was property investment and development. The company's principal activity is that of a holding company. The director considers the financial position at 30 September 2005 to be satisfactory.

Policy on payment of creditors

It is a group policy that all suppliers are dealt with in accordance with standard payment practices whereby all outstanding trade accounts are settled within the greater of the settled terms advised by the supplier at the time of the supply and 45 days following the date of purchase.

Results and dividends

The results for the year are set out in the consolidated profit and loss account for the year on page 5. The director does not recommend the payment of a dividend.

Director

The director who served during the year was:

Mr I M Livingstone

The director held one ordinary share of the company throughout the year.

Auditors

The Company has passed an Elective Resolution, pursuant to Section 386 of the Companies Act 1985, electing to dispense with the obligation to re-appoint auditors annually. The resolution remains in force.

This report was approved by the board on 23 June 2006.

Mr R N Luck

Secretary

Loopsign Limited

Statement of Director's Responsibilities

Company law requires the director to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those accounts, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the accounts comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention

Statement of Auditors' Responsibilities

The responsibilities of the Company's independent auditors are established by statute, the Auditing Practices Board and the accountancy profession's ethical guidance. Their responsibilities in relation to the annual report are set out below.

They report to the shareholders their opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. They also report to shareholders if, in their opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if they have not received all the information and explanations they require for their audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

They read the other information contained in the annual report and consider whether it is consistent with the audited financial statements. They consider the implications for their report to shareholders if they become aware of any apparent statements of material inconsistencies with the financial statements.

Loopsign Limited

Independent auditors' report to the shareholders of Loopsign Limited

We have audited the accounts of Loopsign Limited and the group accounts for the year ended 30 September 2005, which comprise pages 5 to 21. These accounts have been prepared under the historical cost convention as modified to include the revaluation of fixed assets and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the accounts in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of the affairs of the group and company as at 30 September 2005 and of the group profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Loopsign Limited
Notes to the Accounts
for the year ended 30 September 2005

1 Accounting policies

Accounting convention

The accounts have been prepared under the historical cost convention as modified to include the revaluation of fixed assets and in accordance with applicable accounting standards except as explained below in respect of the treatment of negative goodwill.

Basis of consolidation

The group accounts consolidate the company and its subsidiaries. Group reconstructions are accounted for under the merger accounting rules. Subsidiaries acquired are accounted for under the acquisition accounting rules. Intra-group transactions have been eliminated.

As permitted by section 230 of the Companies Act 1985, the profit and loss account of the company is not presented in these accounts. The profit for the year attributable to the shareholders of the company was £nil (2004: £nil).

Joint venture undertakings are consolidated under the gross equity method of accounting.

Foreign subsidiaries are translated using the closing rate method under SSAP 20. Exchange differences arising are taken to reserves.

Negative goodwill

Negative goodwill arising on the acquisition of subsidiaries is included in the statement of total recognised gains and losses and is credited to other reserves, to the extent that it arises on investment properties. This is not in accordance with FRS 10, which requires that negative goodwill should be presented as a negative asset immediately below the goodwill heading on the balance sheet. Since the negative goodwill relates to investment properties, which are neither depreciated nor held for resale, the negative goodwill could remain on the balance sheet as a negative asset indefinitely. The directors consider that the treatment required by FRS 10 would not show a true and fair view, as it would not properly reflect the particular transaction or correctly state the net assets of the group. The treatment adopted is not inconsistent with the requirements of the Companies Act 1985.

Depreciation

Compliance with Statement of Standard Accounting Practice 19 (SSAP 19) "Accounting for Investment Properties" requires departure from the requirements of the Companies Act 1985 relating to depreciation and an explanation for the departure is given below.

Investment properties

In accordance with SSAP 19, investment properties are revalued annually and the surplus or deficit is transferred to the revaluation reserve unless a deficit is expected to be permanent, in which case it is transferred to the profit and loss account. No depreciation is provided in respect of investment properties. This departure from the Companies Act 1985, which requires all properties to be depreciated, is, in the opinion of the directors, necessary for the financial statements to show a true and fair view in accordance with applicable accounting standards.

Investment properties are treated as acquired or sold where there is an unconditional contract for purchase or sale. The profit or loss on sale is treated as an exceptional item in the profit and loss account.

Other tangible assets

Provision is made for depreciation on all other tangible assets at rates calculated to write off the cost of each asset over its useful life as follows:

Fixtures & Equipment	6.67% to 20% per annum on straight line basis
Plant & Machinery	25% per annum on straight line basis
Motor Vehicles	20% per annum on straight line basis

Development properties

Development properties represent property held with the intention of resale and work in progress. Development property is included at the lower of cost and net realisable value. Where cost exceeds the value of the property then adjustments are made to write down the value accordingly. Cost represents all costs incurred to the balance sheet date but does not include any interest costs. Sales of development properties are shown as turnover when there is an unconditional contract for sale.

Loopsign Limited
Notes to the Accounts
for the year ended 30 September 2005

Current asset investments

Current asset investments are stated at the lower of cost and net realisable value.

Pension costs

The pension costs charged in the financial statements represent the contribution payable by the group during the year.

Deferred taxation

Deferred tax is provided in respect of all timing differences that have originated, but not reversed, at the balance sheet date that give rise to an obligation to pay more or less tax in the future. Deferred tax is not recognised when fixed assets are revalued unless, by the balance sheet date, there is a binding agreement to sell the revalued assets and the gain or loss expected to arise on sale has been recognised in the financial statements.

Deferred tax is measured on a non-discounted basis. A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Finance Costs

Finance costs associated with raising bank loans are amortised over the period of the loan. Unamortised finance costs are deducted from the loan in accordance with FRS4.

Operating leases

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

2 Turnover

Turnover represents the invoiced value of rental income and trading property sales, net of value added tax.

8 Pension costs
The group operates a defined contribution scheme in respect of the staff employed by a foreign subsidiary. The scheme and its assets are held by independent managers. The pension charge represents contributions due from the group to the scheme and amount to £487,079 (2004: £95,034). In addition, the group has made contributions to employees' personal pension schemes amounting to £9,094 (2004: £23,846).

Loopsign Limited

Standard rate of corporation tax in the UK	30%	30%
	£	£
Profit on ordinary activities multiplied by the standard rate of corporation tax	15,116,046	24,249,105
Effects of:		
Expenses not deductible for tax purposes	152,060	1,108,079
Capital allowances for period in excess of depreciation	(5,916,248)	(8,721,595)
Realised revaluation gains less adjustments for taxation	10,800,551	16,204,411
Share of joint ventures' taxation	-	59,412
Overseas taxes	2,270,651	1,819,625
Utilisation of tax losses	(19,894,928)	(32,840,000)
Adjustments to tax charge in respect of previous periods	-	(360,777)
Current tax charge for period	<u>2,328,132</u>	<u>1,518,260</u>

Factors that may affect future tax charges

No provision has been made for deferred tax on gains recognised on revaluing properties to their open market value. The directors have no intention of selling the properties, and therefore, at present, it is not envisaged that any tax will become payable in the foreseeable future. The directors consider that it is too onerous to provide an estimate of the tax that would be payable if the properties were sold at the values shown. Such a tax estimate is not considered meaningful as properties are often divested through the sale of companies.

No deferred tax asset has been recognised in the accounts in respect of taxation losses as there is no certainty as to when the group will make sufficient taxable profits to utilise the taxation losses. The group has an unrecognised deferred tax asset of approximately £8 million (2004: £6 million) in this respect.

Cash			<u>118,519,331</u>

The fair value adjustment relates to achieving consistency of accounting policies.

Hotel Leeds West Ltd, Planttime Ltd, London & Regional (Baker Street) Ltd and a number of subsidiaries through London & Regional Overseas Ltd were acquired during the year. The subsidiaries acquired have been accounted for under the acquisition method of accounting.

29 Related party transactions

The company has taken advantage of the exemption in FRS8 that transactions do not need to be disclosed with companies 90% or more of whose voting rights are controlled within the group.

Included in other debtors is a director's loan account of £5,846,359 (2004: £Nil) in respect of I M Livingstone, which loan is jointly owned with R J Livingstone. The loan is interest free and repayable on demand. The maximum loan outstanding during the year was £5,846,359.

Included in other creditors is a director's loan account of £Nil (2004: £2,052,179) in respect of I M Livingstone, which loan is jointly owned with R J Livingstone.

At 30 September 2005 the group owed £16,930,083 (2004: £3,407,711) to Octane Properties Limited, a joint venture company. The loan bears interest at 8.0% per annum and is repayable on demand.

At 30 September 2005 the group was owed £698,875 (2004: £772,448) by Optika Holdings Limited, a company 50% indirectly owned by I M Livingstone. The loan does not bear interest and is repayable on demand.

30 Controlling parties

The controlling parties of Loopsign Limited are I M Livingstone and R J Livingstone.
