### NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2010

---

#### 1. ACCOUNTING POLICIES

##### 1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and on the assumption that the company is a going concern

##### 1.2 Turnover

Turnover represents the sale value of properties sold during the period excluding VAT. In addition, turnover also includes amounts recoverable on development work undertaken during the period and which is calculated to reflect the level of construction activity undertaken in the year. These amounts are recorded in the balance sheet at the year end less any payment received on account of work done

##### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases

Plant & Machinery	- 25% reducing balance
-------------------	------------------------

##### 1.4 Stocks

Unless pre-sold, trading properties under development are stated at the total cost incurred, net of the amounts transferred to the profit and loss account in respect of work carried out to date, less foreseeable losses and payments on account. The cost includes the purchase price of the properties and other attributable outgoings. Profit on longer term residential properties is recognised on a prudent basis when the overall profitability of a development can be reasonably foreseen

##### 1.5 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are not discounted

**NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 31 DECEMBER 2010**

---

**1. ACCOUNTING POLICIES (continued)**

**1.6 Going concern**

The financial statements have been prepared on the going concern basis. However, the balance sheet records net liabilities amounting to £852,345 (2009 - £661,774)

The directors of the company have undertaken to support the company and will not seek to withdraw any funds due to Atlas Cleaning Limited, a related party, from the company until such time the company's financial position permits them to do so

On this basis the directors have prepared the accounts on the going concern basis
