DIRECTORS' REPORT

The directors present their annual report and the audited financial statements for the year ended 31 December 2015.

This directors' report has been prepared in accordance with the provisions applicable to small companies entitled to the small companies' exemption.

The company meets the definition of a qualifying entity under Financial Reporting Standard 100 issued by the Financial Reporting Council. Accordingly in the year ended 31 December 2015 the company has changed its accounting framework from UK GAAP to Financial Reporting Standard 101 as issued by the Financial Reporting Council. The prior year financial statements were re-stated for material adjustments on adoption of Financial Reporting Standard 101 in the current year. For further information see note 19.

ACTIVITIES

The principal activity of the company during the year was the operation of a wind turbine at Ness Point, Lowestoft. It changed its name from Triodos Renewables (Ness Point) Limited to Thrive Renewables (Ness Point) Limited on 24 March 2016.

RESULTS AND DIVIDENDS

The trading results for the financial year and the company's position at the year-end are shown in the attached financial statements. The directors consider the future prospects of the company to be favourable. During the year the company paid an interim dividend of £750,000 (2014: £nil).

GOING CONCERN

The company operates within the electricity industry and benefits from long-term contracted revenues. In addition, the directors consider that the company and the group, of which it is a part, have sufficient cash funds and finance facilities available for future investment and cash flow needs going forward.

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

DIRECTORS

The directors of the company are shown on page 1. All directors served throughout the year and subsequently, unless noted below:

Monika Paplaczyk (appointed 6 August 2015)
Triodos Corporate Officer Limited (resigned 16 March 2016)

AUDITOR

In the case of each of the persons who are directors of the company at the date when this report is approved:

- so far as each of the directors is aware, there is no relevant audit information of which the company's auditor is unaware; and
- each of the directors has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Approved by the Board of Directors and signed on behalf of the Board

Matthew Clayton

Director

DIRECTORS' RESPONSIBILITIES STATEMENT RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 Reduced Disclosure Framework. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF THRIVE RENEWABLES (NESS POINT) LIMITED

We have audited the financial statements of Thrive Renewables (Ness Point) Limited for the year ended 31 December 2015 which comprise the Income Statement, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 19. The financial reporting framework that has been applied in their preparation is applicable law and with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 Reduced Disclosure Framework.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in [the Strategic Report and] the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from preparing a Strategic Report or in preparing the Directors' Report.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 December 2015

1. ACCOUNTING POLICIES

The particular accounting policies adopted, which have been applied consistently throughout the current and the prior financial year, are described below.

Basis of accounting

These financial statements are separate financial statements. The Company is exempt from the preparation and delivery of consolidated financial statements, because it is included in the group financial statements of Thrive Renewables plc. The group financial statements of Thrive Renewables plc are available to the public and can be obtained from the registered office. The registered office address of the parent Company preparing consolidated financial statements is Thrive Renewable plc, Deanery Road, Bristol, BS1 5AS.

The company meets the definition of a qualifying entity under Financial Reporting Standard 100 issued by the Financial Reporting Council. Accordingly in the year ended 31 December 2015 the company has changed its accounting framework from Pre-2015 UK GAAP to Financial Reporting Standard 101 as issued by the Financial Reporting Council and has, in doing so, applied the requirements of IFRS 1.6-33 and related appendices. These financial statements were prepared in accordance with FRS 101 'Reduced Disclosure Framework' as issued by the Financial Reporting Council. The prior year financial statements were re-stated for material adjustments on adoption of Financial Reporting Standard 101 in the current year. For further information see note 19.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to financial instruments, capital management, presentation of comparative information in respect of certain assets, presentation of a cash flow statement, standards not yet effective, impairment of assets and related party transactions. Where relevant, equivalent disclosures have been given in the group financial statements of Thrive Renewables plc.

The financial statements are prepared under the historical cost basis.

The financial statements are prepared in Pounds Sterling, which is the company's functional currency.

Adoption of new and revised Standards

As explained above the company has adopted Financial Reporting Standard 101 for the first time in the current year. As part of this adoption the following new and revised Standards have been adopted in the current year. The application of these specific Standards and Interpretations has not had a material effect on the company.

Annual improvements to IFRS 2011 - 2013

Revenue

Revenue, which is stated net of value added tax, represents amounts receivable in relation to the company's principal activity in the United Kingdom.

Revenue from the supply of electricity represents the value of electricity generated under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due.

Going concern

The financial statements adopt the going concern basis on the grounds that the directors believe the company has adequate resources to continue in operational existence for the foreseeable future. Further details are included in the Directors' Report.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) Year ended 31 December 2015

1. ACCOUNTING POLICIES (continued)

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and any impairment loss. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset on a straight line basis, as follows:

Plant and machinery

over 20 years

The estimated useful lives, residual values and depreciation methods are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised only to the extent that the directors consider that it is probable that there will be suitable taxable profits against which deductible temporary differences can be utilised.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the balance sheet date.

Leases

Rentals in respect of operating leases are charged to the income statement in equal annual amounts over the lease term.

Operating profit

Operating profit is stated as profit from operations, but before investment income and finance costs.

Financial instruments

Financial assets and financial liabilities are recognised in the company's balance sheet when the company becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Financial assets

On initial recognition, financial assets are classified into held-to-maturity investments held-for-trading; designated as at fair value through profit or loss; loans and receivables; or available-for-sale financial assets.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) Year ended 31 December 2015

1. ACCOUNTING POLICIES (continued)

Financial instruments (continued)

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Impairment of financial assets

Financial assets, other than those at fair value through profit and loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flow of the investment have been affected.

For financial assets carried at amortised cost, the amount of the impairment is the differences between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets.

Financial liabilities and equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

Financial liabilities are classified as either financial liabilities "at fair value through profit and loss" or "other financial liabilities".

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) Year ended 31 December 2015

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, which are described in note 1 above, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Impairment of tangible fixed assets

Determining whether tangible fixed assets are impaired requires an estimation of the value in use of the related assets. The value in use calculation requires the entity to estimate the future cash flows expected to arise from the asset and a pre-tax discount rate of 10% in order to calculate present value. Forecast wind volumes are based on wind studies carried out at the commencement of each project, adjusted for experience as necessary. Electricity prices are determined with reference to externally sourced forward price curves, on contracted rates as appropriate. Forecasts cover the expected life of each project. There is no evidence of impairment.

3. **OPERATING PROFIT**

Operating profit is stated after charging:	2015 £	2014 £
Operating lease charges – land and buildings	10,596	9,774
Amortisation	13,999	13,999
Depreciation	123,183	120,851
Auditor's remuneration – audit services	2,827	2,745

Fees payable to the company's Auditor for non-audit services to the company are not required to be disclosed because these are disclosed in the consolidated financial statements of Thrive Renewables plc.

4. INFORMATION REGARDING DIRECTORS AND EMPLOYEES

The company had no employees in either year. The remuneration of the directors was paid by and is dealt with in the financial statements of Thrive Renewables plc. It is not practicable to allocate their remuneration between their services as directors of Thrive Renewables plc and their services as directors of other companies within the Thrive Renewables plc group.

16. FINANCIAL INSTRUMENTS

Fair value of financial instruments

All financial instruments are held at amortised cost. The directors consider that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximates to their fair values. Where the financial instruments are of short maturity, the carrying value is equal to the fair value.

17. RELATED PARTY TRANSACTION

As a wholly-owned subsidiary of Thrive Renewables plc, the company has taken advantage of the exemption under financial Reporting Standard 101 not to disclose related party transactions with group companies where 100% of the voting rights are held within the group.

All of the company's banking facilities are provided by Triodos Bank NV, a subsidiary of Stichting Triodos Holding headed by Thrive Renewables plc. There are no favourable terms attached to the facilities provided.

18. ULTIMATE PARENT COMPANY AND CONTROLLING PARTY

The directors regard Thrive Renewables plc, a company registered in England and Wales, as the company's ultimate parent undertaking. Thrive Renewables plc is the parent of the smallest and largest group of which the company is a member and for which group financial statements are prepared. Copies of the financial statements of Thrive Renewables plc can be obtained from the company secretary at the registered office.

The immediate parent company is Brunel Wind Limited, a company incorporated in England and Wales.

The company's ultimate controlling party at 31 December 2015 is Stichting Triodos Holdings. Further to an agreement between Thrive Renewables plc and Triodos Bank, on 29 February 2016 the company bought back the controlling A share from Stichting Triodos Holding and this share was subsequently cancelled. As a result, subsequent to 29 February 2016, the directors regard Thrive Renewables plc as the ultimate controlling party.

19. EXPLANATION OF TRANSITION TO FINANCIAL REPORTING STANDARD 101

This is the first year that the company has presented its financial statements under Financial Reporting Standard 101 (FRS 101) issued by the Financial Reporting Council. The following disclosures are required in the year of transition. The last financial statements under a previous GAAP (UK GAAP) were for the year ended 31 December 2014 and the date of transition to Financial Reporting Standard 101 was therefore 1 January 2014.

Reconciliation of equity

	At 1 January 2014 £	At 31 December 2014 £
Equity reported under previous UK GAAP	726,520	932,792
Adjustments to equity on transition to FRS 101		·
Reversal of deferred tax discounting (note i)	(22,288)	(11,660)
Equity reported under FRS 101	704,232	921,132

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) Year ended 31 December 2015

19. EXPLANATION OF TRANSITION TO FINANCIAL REPORTING STANDARD 101 (continued)

Reconciliation of total comprehensive income for the year ended 31 December 2014

£

Total comprehensive income for the financial year under previous UK GAAP

206,272

Adjustments to total comprehensive income on transition to FRS 101

Reversal of deferred tax discounting (note i)

10,628

Total comprehensive income for the financial year under FRS 101

216,900

Notes to the reconciliations

(i) Under Financial Reporting Standard 19 the company discounted its deferred tax liability to take into account the time value of money. Discounting of deferred tax liabilities is not allowable under Financial Reporting Standard 101 and hence the discount on the deferred tax liability was reversed at the transition date. The movement in the discount in the financial year ended 31 December 2014 was also reversed.
