NEW START VENTURES LIMITED

DIRECTOR'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2017

The director presents his report and the financial statements for the year ended 31 December 2017.

PRINCIPAL ACTIVITY

The company has been dormant throughout the year and preceding year, as defined in section 1169 of the Companies Act 2006. Consequently neither a statement of comprehensive income, nor a statement of changes in equity have been presented. It is anticipated the company will remain dormant for the following financial year.

DIRECTORS

The directors who served during the year and up to the date of signing the financial statements were:

M Gallacher (resigned 10 January 2018)

S Pinnell (appointed 1 January 2018)

FINANCIAL INSTRUMENTS

The company monitors its exposure to risk on an on-going basis. The company's activities do not expose it to any material price risk, cash flow risk or foreign exchange risk. The director considers that there is no exposure to credit risk as there are no financial assets held on the balance sheet. Owing to the nature of the company's business and the assets and liabilities contained within the balance sheet, the financial risk the director considers relevant to the company is liquidity risk. The company has not used financial instruments to manage its exposure to this risk.

Liquidity risk

The company has no significant exposure to liquidity risk, as the financial liabilities of the company are amounts owed to group undertakings. In order to maintain liquidity to ensure sufficient funds are available for on-going operations and future developments, the company has access to banking facilities and loans from group companies.

QUALIFYING THIRD PARTY INDEMNITY PROVISIONS

Company officers and duly appointed delegates thereof, are indemnified by the ENGIE global directors and officers' policy ("the policy") in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. This qualifying third party indemnity provision was in force throughout the year and remains in force as at the date of approval of these financial statements.

**DIRECTOR'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2017**

GOING CONCERN

The director has considered the company's current and future prospects and its availability of financing from within the ENGIE group and is satisfied that the company can continue to pay its liabilities as they fall due for a period of at least 12 months from the date of approval of these financial statements. For this reason the director continues to adopt the going concern basis of preparation for these financial statements.

In preparing this report, the director has taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the Board on 1 August 2018 and signed on its behalf.

**DIRECTOR'S RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2017**

The director is responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations.

- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
