Shield Salvage Associates Limited

Directors' report for the year ended 30 November 2019

The directors present their report and the financial statements of the company for the year ended 30 November 2019. This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Principal activities and review of business

Shield Salvage Associates Limited is a subsidiary of a world-wide hygiene solutions business. The principal activity of the company during the year was that of a holding company. The company has not traded during the year and the directors do not expect the company to trade in the foreseeable future.

The directors of the company have taken advantage of the exemption from audit conferred by Section 480 of the Companies Act 2006.

Directors

The directors of the company who served during the year and up to the date of signing the financial statements were:

E de Villemeur	(appointed 28 June 2019)
P Hey	(appointed 28 June 2019)

Notes to the financial statements for the year ended 30 November 2019

1 Accounting policies

The financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS102") and the Companies Act 2006.

The principal accounting policies are summarised below. They have all been applied consistently throughout the current year.

Basis of accounting

These financial statements are prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom.

Fixed asset investments

Fixed asset investments are recorded at cost and are reviewed by the directors for impairment, when there is an indication that assets might be impaired. The impairment review is performed by comparing the carrying value of the asset with their recoverable amount determined by estimating the discounted future cash flows arising from the asset. Provision is made against cost to the extent that the directors consider there has been a permanent impairment in value.

Consolidation

The company is included in the consolidated financial statements of a larger group, Ecolab Inc, and those financial statements are drawn up in accordance with the provisions of the Seventh Directive (83/349/EEC) or in a manner equivalent to consolidated financial statements and consolidated annual reports so drawn up. Accordingly the company, in accordance with the exemption in 401 of the Companies Act, has not prepared consolidated financial statements. The financial statements therefore contain information about Shield Salvage Associates Limited as an individual company and not as a group.

2 Directors' emoluments

No directors received any remuneration in respect of their services to the company (2018: £nil).

The directors are employed by fellow subsidiary companies in the Ecolab Inc group and are remunerated by those companies in respect of their services to the group as a whole.

3 Employee information

There were no persons employed by the company during the year (2018: none).
