# Notes to the abbreviated accounts For the year ended 31<sup>st</sup> July 2008

#### 1. Accounting Policies

### 1.1 Accounting Convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

#### 1.2 Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

#### 1.3 Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Intangible Assets

Leasehold Properties

Plant and Machinery

Fixtures, Fittings & Equipment

Motor Vehicles

- 10% on a straight line basis

- 20% on a straight line basis

33% on a reducing balance basis

- 20% on a straight line basis

### 1.4 Leasing and Hire Purchase Commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in the creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

### 1.5 Stock and Work in Progress

Stock and work in progress are valued at the lower of cost and net realisable value.

#### 1.6 Pensions

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

#### 1.7 Deferred Taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the directors consider that a liability to taxation is unlikely to materialise.

#### 1.8 Going Concern

The financial statements have been prepared on the going concern basis with allowance for training deposits received for not contracted work.
