Mrs P E Smith - Director

1. **STATUTORY INFORMATION**

Midland Industrial Temperature Solutions Company Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

**Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 25% on cost
Plant and machinery	- 10% on cost
Fixtures and fittings	- 25% on cost
Motor vehicles	- 25% on cost
Computer equipment	- 25% on cost

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Pension costs and other post-retirement benefits**

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Notes to the Financial Statements - continued  
for the Year Ended 31 March 2019

2. **ACCOUNTING POLICIES - continued**

**Factored debts**

The majority of sales ledger balances are factored and the company retains significant benefits and risks relating to the debts. Trade debtors are shown gross. The amount due to the factoring company is shown in creditors at net values and is detailed in the notes to the accounts. Factoring charges are charged to the profit and loss account over the relevant period.

**Operating leases**

The relevant annual rentals are charged to the profit and loss account on a straight line basis over the lease term, unless they relate to vacant leasehold properties, in which case provision is made on a discounted basis for the net obligation under the lease. The unwinding of the discount is disclosed within interest payable and similar charges.
