DIRECTORS' REPORT

The directors present their annual report and the audited financial statements for the 53 weeks ended 31 May 2013

The directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption

PRINCIPAL ACTIVITY AND BUSINESS REVIEW

The company acts as an intermediate holding company within the Ichnaea Jersey Limited group. The directors do not expect this activity to change in the foreseeable future.

RESULTS AND DIVIDENDS

The company's profit for the financial period was £4,598,621 (52 weeks ended 27 May 2012 - loss of £445,530)

DIVIDENDS

The directors do not recommend the payment of a dividend for the period (52 weeks ended 27 May 2012 - £nil)

DIRECTORS

The directors who served throughout the period were as follows

I P Johnson W R G Macpherson H D M Thomas

DIRECTORS' INDEMNITIES

The company made qualifying third party indemnity provisions for the benefit of its directors and officers and these remain in force at the date of this report

AUDITOR

In the case of each of the persons who are directors of the company at the date when this report is approved

- so far as each of the directors is aware, there is no relevant audit information of which the company's auditor is unaware, and
- each of the directors has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information (as defined) and to establish that the company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

Deloitte LLP has expressed their willingness to continue in office as auditor and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting

Approved by the Board of Directors and signed on behalf of the Board

Director

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF QA-IQ GROUP LIMITED

We have audited the financial statements of QA-IQ Group Limited for the 53 weeks ended 31 May 2013 which comprise the profit and loss account, the balance sheet and the related notes 1 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 May 2013 and of its profit for the 53 weeks then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice,
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF QA-IQ GROUP LIMITED (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

They were signed on its behalf by

I P Johnson

Director

NOTES TO THE FINANCIAL STATEMENTS 53 weeks ended 31 May 2013

1 ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted, which have been applied consistently throughout the period and preceding period, are described below.

Basis of accounting

The financial statements are prepared under the historical cost convention

Going concern

The directors have prepared the financial statements on the going concern basis. In making this assessment the directors have considered the liabilities of the company and the date at which they fall due. The principal liability of the company is in relation to the bank loans for which the facility is repayable under a cross guarantee intra group arrangement with other entities within Ichnaea Jersey Limited. The directors, who are also directors of Ichnaea Jersey Limited, consider that the group is able to meet the bank loan repayments as they fall due. The directors have obtained confirmation from each of the fellow group undertakings to which it has a liability, that the other party will not demand repayment of the debt for at least 12 months from the date of signing these financial statements. The directors have considered that this is consistent with the business model of the Ichnaea Group Limited. Therefore the directors of the company consider that the going concern basis of preparation remains appropriate.

Cash flow statement

As permitted by Financial Reporting Standard No 1 (Revised), "Cash Flow Statements", the company has not included a cash flow statement as part of its financial statements because the consolidated financial statements of the ultimate parent company, Ichnaea Jersey Limited (of which the company is a subsidiary) are publicly available

Consolidation

As permitted by \$400 of the Companies Act 2006, the company has not prepared consolidated accounts as it is a subsidiary of Ichnaea Jersey Limited, a company registered in Jersey with condolidated accounts voluntarily filed in the United Kingdom. The accounts therefore present information about the company as an individual undertaking and not about its group.

Investments

Investments in subsidiary are recorded at cost, less any provisions for impairment

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable axable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

NOTES TO THE FINANCIAL STATEMENTS 53 weeks ended 31 May 2013

1. ACCOUNTING POLICIES (CONTINUED)

Finance costs

Finance costs which are directly attributable to interest bearing bank loans are capitalised as part of the cost of that financial liability. The finance costs are recognised in the profit and loss account over the term of such financial instruments at a constant rate

Financial liabilities and equity

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities.

2. INFORMATION REGARDING DIRECTORS AND EMPLOYEES

During both the current and preceding periods the company had no employees and the directors did not receive any remuneration for their services to QA-IQ Group Limited

3 AUDITOR'S REMUNERATION

Auditor's remuneration for audit services amounted to £1,500 (52 weeks ended 27 May 2012 - £1,500) and in both periods this was borne by a fellow group undertaking

4. INTEREST RECEIVABLE AND SIMILAR INCOME

	Total current tax	-	-

NOTES TO THE FINANCIAL STATEMENTS 53 weeks ended 31 May 2013

7 TAX ON LOSS ON ORDINARY ACTIVITIES (continued)

b) Factors affecting future tax charges

The Finance Act 2012, which provides for a reduction in the main rate of corporation tax from 24% to 23% effective from 1 April 2013, was substantively enacted on 3 July 2012. This rate reduction has been reflected in the calculation of deferred tax at the balance sheet date.

The Government intends to enact future reduction in the main tax rate down to 21% effective from 1 April 2014 and to 20% by 1 April 2015. As these tax rates were not substantively enacted at the balance sheet date, the rate reduction is not yet reflected in these financial statements in accordance with FRS 21 as it is a non-adjusting event occurring after the reporting period.

At 31 May 2013, the company had tax losses carried forward of £2,245,895 (27 May 2012 £2,344,516) A deferred tax asset of £432,088 (27 May 2012 - £562,684) in respect of these losses has not been recognised as the directors do not consider that these losses will be utilised in the foreseeable future

8. FIXED ASSET INVESTMENTS
