Mister Men Limited

Directors' report for the year ended 31 December 2016

The directors present their report and the audited financial statements for the year ended 31 December 2016.

Principal activity

The principal activity during the year continued to be the commercial exploitation of the Mr Men and Little Miss intellectual property rights.

Results and dividends

The profit for the year is shown on page 5. The directors do not recommend the payment of a dividend for the current or preceding year.

Going concern

The financial statements have been prepared on the going concern basis. As a result of expected continued profits and support from the ultimate parent company, the company's management have reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future and the company continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Directors

The directors who served during the year and up to the date of signing this report were:

Jiro Kishimura
Ronald Denecke
Sandrine Valerie Ginette De Raspide (resigned 20 June 2016)

Directors' responsibilities statement

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' ("FRS 102"). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify its shareholders in writing about the use of disclosure exemptions, if any, of FRS 102 used in the preparation of the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Mister Men Limited

Directors' report for the year ended 31 December 2016

Provision of information to auditor

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditor in connection with preparing its report and to establish that the company's auditor is aware of that information.

Auditor

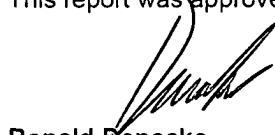

The auditor, Ernst & Young LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

Small company exemptions

In preparing this report, the directors have taken advantage of the small companies exemption provided by section 415A of the Companies Act 2006.

The directors have also taken advantage of the small companies exemption provided by section 414B of the Companies Act 2006 and not prepared a Strategic report.

This report was approved by the board on *26 October* 2017 and signed on its behalf.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MISTER MEN LIMITED

We have audited the financial statements of Mister Men Limited for the year ended 31 December 2016 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of changes in equity and the related notes 1 to 20. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting standard applicable in the UK and Republic of Ireland".

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 "The Financial Reporting standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- ▶ the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report (continued) to the members of Mister Men Limited

- ▶ the Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies' exemption in not preparing the Strategic Report and take advantage of the small companies' exemption in preparing the Directors' report.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

1. General information

The principal activity of Mister Men Limited ("the company") is the commercial exploitation of the Mr Men and Little Miss intellectual property rights.

The company is a private company limited by shares and is incorporated and domiciled in England. The address of its registered office is Unit 3/4, 70 Weston Street, London, SE1 3QH.

2. Statement of compliance

The individual financial statements of Mister Men Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, 'The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland' ("FRS 102") and the Companies Act 2006.

3. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated. The company has adopted FRS 102 in preparing these financial statements.

3.1 Basis of preparation of financial statements

The financial statements have been prepared on a going concern basis, under the historical cost convention.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 4.

3.2 Going concern

The financial statements have been prepared on the going concern basis. As a result of expected profits and support from the ultimate parent company, the company's management have reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future and the company continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

3. Accounting policies (continued)

3.3 Exemptions for qualifying entities under FRS 102

FRS 102 allows a qualifying entity certain disclosure exemptions. The company has taken advantage of these exemptions on the basis that it is a qualifying entity and its immediate parent company, Sanrio Global Limited, includes the company's results and related disclosures in its own consolidated financial statements. These exemptions are the requirement to:

- prepare a statement of cash flows;
- prepare certain financial instrument disclosures; and
- disclose key management personnel compensation.

3.4 Consolidation

The financial statements contain information about Mister Men Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included in the consolidated financial statements of its immediate parent undertaking, Sanrio Global Limited, a company incorporated in the United Kingdom.

3.5 Turnover

Turnover is recognised at the fair value of the consideration received or receivable.

It comprises royalty and other income earned under licensing agreements and is stated exclusive of Value Added Tax and any trade discounts.

Royalty income reported by licensees is recognised in the period in which it is earned. Any excess of minimum contractual revenue receivable over that reported by licensees over the term of the agreement, is recognised at the end of the term of the agreement.

3.6 Agents' commission costs

Commissions due to agents are recognised when the amounts become due for payment.

3.7 Leased assets

Leases that do not transfer all the risks and rewards of ownership are classified as operating leases. Payments under operating leases are charged to the profit and loss account on a straight-line basis over the period of the lease.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

3. Accounting policies (continued)

3.8 Foreign currency translation

Functional and presentation currency

The company's functional and presentational currency is the pound sterling. All amounts in these financial statements have been rounded to the nearest thousand, unless otherwise indicated.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each year end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the profit and loss account.

3.9 Taxation

Taxation expense for the period comprises current and deferred tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

Current or deferred tax assets and liabilities are not discounted.

(i) Current tax

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior years. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the period end.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

(ii) Deferred tax

Deferred tax arises from timing differences that are differences between taxable profits and total comprehensive income as stated in the financial statements. These timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements.

Deferred tax is recognised on all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are only recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

3. Accounting policies (continued)

3.10 Intangible assets

Trademarks are carried at cost and written off in equal annual installments over their estimated useful life of 10 years.

Costs associated with maintaining computer software programmes are recognised as an expense as incurred. Computer software is stated at cost less accumulated amortisation and accumulated impairment losses. Software is amortised over its estimated useful life of three years on a straight line basis.

Where factors such as technological advancement or changes in market price indicate that residual value or useful life have changes, these are amended prospectively to reflect the new circumstances.

The assets are reviewed for impairment if the above factors indicate that the carrying amount may be impaired.

3.11 Tangible fixed assets

Tangible assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes the original purchase price and costs directly attributable to bringing the asset to its working condition for its intended use.

The estimated useful lives are as follows:

Fixtures & Fittings and computer equipment	- 20% to 33% straight line
---	----------------------------

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'administrative expenses' in the profit and loss account.

3.12 Investments

Investments in subsidiaries are stated at cost less provision for impairment.

Film and TV related investments are assessed at each balance sheet date by the directors to determine whether provision is required to reduce the carrying value to its net realisable value. Film and TV related investments are amortised over the period that the investment is reasonably expected to generate revenues. The current amortisation period is up to 10 years.

3.13 Impairment

The carrying amount of the company's assets is reviewed at each balance sheet date to determine whether there is an indication of impairment. If such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised wherever the carrying amount of any asset exceeds its recoverable amount. Impairment losses are recognised in the profit and loss account.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

3. Accounting policies (continued)

3.14 Financial instruments

The company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

(i) Financial assets

Basic financial assets, including trade debtors, amounts due from group undertakings and cash and bank balances, are initially recognised at transaction price. Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the profit and loss account.

If there is decrease in the impairment loss arising from an event occurring after the impairment was recognised the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the profit and loss account.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

(ii) Financial liabilities

Basic financial liabilities, including trade creditors and amounts due to group undertakings, are initially recognised at transaction price.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade creditors are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iii) Offsetting

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is an enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle to liability simultaneously.

3.15 Share capital

Ordinary shares are classified as equity.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

3. Accounting policies (continued)

3.16 Pensions

Defined contribution pension plan

The company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations.

The contributions are recognised as an expense in the profit and loss account when they fall due. Amounts not paid are shown in accruals as a liability in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

3.17 Related party transactions

The company discloses transactions with related parties which are not wholly owned within the Sanrio Company Ltd group. It does not disclose transactions with members of the Sanrio Company Ltd group that are wholly owned.

4. Judgements in applying accounting policies and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. In the future, actual experience may differ from these estimates and assumptions. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

(i) Useful economic lives of tangible and intangible assets

The annual depreciation and amortisation charges for tangible and intangible assets respectively are sensitive to changes in the useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments and economic utilisation of the assets.

(ii) Impairment of debtors

The company makes an estimate of the recoverable value of trade and other debtors. When assessing impairment of trade and other debtors, management considers factors including the current credit rating of the debtor, the ageing profile of debtors and historical experience.

(iii) Trademarks, copyrights and licenses

The company tests annually whether trademarks, copyrights and licenses which are subject to amortisation require impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

(iv) Deferred tax asset

The company has recognised a deferred tax asset on the availability of tax losses. The tax asset has been recognised on the assumption that the company will continue to generate sufficient future taxable profits which the directors have assessed as probable.

Mister Men Limited

Notes to the financial statements for the year ended 31 December 2016

5. Turnover

The performance of the business is considered by the Board from a geographical perspective who assesses performance by reference to revenues generated by the five key geographical areas shown in the table below.

The revenue, profit for the year, total assets and total liabilities are attributable to the principal activity of the company as described in the directors' report on page 1.

Analysis of turnover by country of destination:

	2016 £000	2015 £000
United Kingdom	1,760	1,960
Rest of European Union	1,028	1,165
Asia Pacific	746	1,111
United States of America	96	122
Rest of world	428	283
	<u>4,058</u>	<u>4,641</u>

6. Operating profit

The operating profit is stated after charging:

	2016 £000	2015 £000
Depreciation of tangible fixed assets - owned by the company	16	15
Operating lease rentals - other operating leases	157	94
Amortisation of intangible fixed assets	196	180
Foreign exchange losses	106	42
Auditor's remuneration	<u>50</u>	<u>36</u>

The amount of auditor's remuneration includes remuneration for the audit of other group companies.

Mister Men Limited

Total deferred tax charge (see note 16)	<u>313</u>	<u>520</u>
Tax on profit on ordinary activities	<u><u>342</u></u>	<u><u>557</u></u>

Factors affecting tax charge for the year

The tax assessed for the year is higher than (2015: higher than) the standard rate of corporation tax in the UK of 20% (2015: 20.25%). The differences are explained below:

	2016 £000	2015 £000
Profit on ordinary activities before tax	<u>1,062</u>	<u>1,805</u>
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 20% (2015: 20.25%)	212	365
Effects of:		
Expenses not deductible for tax purposes	3	14
Withholding tax suffered	-	29
Effects of overseas tax rates	23	-
Effects of changes in tax rate	36	81
Group relief not paid	68	68
Total tax charge for the year	<u><u>342</u></u>	<u><u>557</u></u>

Factors that may affect future tax charges

Changes to the UK corporation tax rates were substantively enacted as part of the Finance Bill 2015 (on 26 October 2015) and Finance Bill 2016 (on 7 September 2016). These include reductions to the main rate to reduce the rate to 19% from 1 April 2017 and to 17% from 1 April 2020. Deferred rates at the balance sheet date have been measured using these enacted tax rates and reflected in these financial statements.
