THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2019

The Directors present their annual report together with the consolidated accounts and independent auditor's report of the charitable company for the period from 1 September 2018 to 31 August 2019. The annual report serves the purposes of both a Trustees' report and a Directors' report under company law. The accounts have been consolidated and show the results of The Westminster Academy (Westbourne Green) combined with those of its wholly owned subsidiary, WA Land Limited ('WAL'). WAL was incorporated on 25 January 2017 and its principal activity is the exploitation of property development opportunities. These accounts cover the period from 1 September 2018 to 31 August 2019.

The Academy operates an academy for students aged 11 to 18 serving a catchment area in Westminster. It has a student capacity of 1,300 and had a roll of 1,146 in the school census on 1 October 2019.

Constitution

The Academy is a company limited by guarantee incorporated in England on 15 April 2004 (no. 05102934). The company's memorandum and articles of association are the primary governing documents of the Academy. Members of the company are nominated by the sponsors of the Academy, The Exilarch's Foundation, and by the Secretary of State for Education.

Details of the Directors who served during the year are included in the Reference and Administrative Details on page 1.

Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before they ceased to be a member.

Directors' Indemnities

The Academy has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Directors and Officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provides cover up to an aggregate amount of £10,000,000 per year. It is not possible to quantify the Directors and Officers indemnity element from the overall cost of the RPA scheme.

Method of Recruitment and Appointment or Election of Directors

The minimum number of Directors is 3. There is no maximum number. The Company shall have up to 9 sponsor Directors. The Directors may appoint 2 staff Directors (1 teacher, 1 support) through such process as they may determine, usually by secret ballot. The Local Authority may appoint up to 1 Director. The Principal shall be treated for all purposes as being an ex-officio Director. There may be up to 2 parent Directors who shall be elected by parents of registered students at the Academy. The Directors may appoint up to 3 co-opted Directors.

Policies and Procedures Adopted for the Induction and Training of Directors

The Governing Body is composed of highly experienced individuals. In terms of induction, all new Directors are provided with a Director's induction pack and advised of available training. New Directors are also supported and mentored by experienced Directors and by members of the Senior Leadership team.

Organisational structure

The Governing Body determines the general policies and procedures of the Academy. The internal organisation and management of the Academy is delegated to the Principal supported by the Senior Leadership team, of which the Principal is a member. The Senior Leadership team undertakes the key leadership role overseeing educational and administrative functions in consultation with Middle Leaders. The day-to-day administration of the Academy is undertaken within the policies and procedures approved by the Governing Body. The Principal oversees the recruitment of all educational, administration and support staff. The Principal attends all Director and Governing Body meetings as well as Committee meetings.

Arrangements for setting pay and remuneration of key management personnel

When setting pay and remuneration of key management personnel, a review of similar educational establishments with similar characteristics and intake takes place. The Academy benchmarks via the appropriate educational groups and networking, but also researches current trends and adverts that are public. Any review of key management salaries is presented to representatives of the Governing Body for approval prior to implementation.

Connected Organisations, including Related Party Relationships

Owing to the nature of the Academy's operations and the composition of the Board of Directors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the Board of Directors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy's financial regulations and normal procurement procedures.

Objectives, Activities, Aims and Strategies

The principal objectives and activities of the Academy are the operation of the Westminster Academy to provide education for students of different abilities between the ages of 11 and 18. The Academy has an International Business and Enterprise specialism.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The main objectives of the Academy are summarised below:

- To raise the standard of education achievement and progress of all students;
- To ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- To improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review;
- To provide value for money for the funds expended;
- To comply with all appropriate statutory and curriculum requirements;
- To maintain close links with industry and commerce;
- To maintain close links with the immediate and wider community;
- To conduct our business in accordance with the highest standards of integrity, probity and openness.

Public Benefit

In setting the Academy's objectives and planning its activities, the Directors have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

Strategic report

Achievements and Performance

The Academy started its twelfth year of operation in September 2018. The post of Principal is held by Dr Saima Rana.

The year has again been a challenging one for the Academy, combining joint objectives of continuing to control expenditure to maintain a surplus, whilst always maintaining a drive to provide the highest quality provision of education to ensure the very best outcomes for all students.

In 2018-2019, 70% of students achieved levels 9-4 in English and Maths.

Our Sixth Form students performed well in 2018-2019, with many of our IB Diploma Programme and IB Career-related Programme graduates gaining places at Russell Group universities. On the Diploma, students averaged 32 points, well above the world average of 29.6. Career-related Programme results were also excellent, with an average vocational grade of Distinction.

Curriculum Planning

- The curriculum model continued to support the Academy in delivering its mission to provide the best possible futures to all of its students in 2018-19,
- The timetable for the year beginning in September 2018 was produced through a consultation process with staff and students. This was issued to staff in July 2018.
- The curriculum model takes into account the Academy's Improvement Plan, policies, routines, procedures, staffing structures and job descriptions.
- The procurement of appropriate teaching and learning resources continued throughout the year.
- The International Baccalaureate Diploma Programme, introduced in September 2008, continues to be popular with students and has delivered some outstanding results.

Staffing

- Staff training continued to be a high priority throughout 2018-2019 and is linked to the Academy's Improvement Plan and monitored by our performance management system.

Students

- The admissions process for Year 7 in September 2018 was administered by Westminster City Council, through the pan-London Central Admissions System. 740 applications had been received for 180 available places for the September 2018-19 intake.
- The Spring 2019 school census recorded a total of 1,122 students in Years 7 - 13. The Academy continues to take "Hard to Place" students and "Pupils without School Places" (PWSP).
- In the Spring 2019 census, 824 (out of 1,122) students had a first language other than English. 335 Students were eligible for free school meals on the Spring census day.
- The Academy Student Council continued to ensure the involvement of the students in decision-making processes.
- Westminster Academy's admissions policy, contained in its Funding Agreement with the Department for Education, requires the Academy to follow the standard Pan-London admissions process. Special Educational Needs students with statements, Looked After Children and siblings are prioritised thus protecting the most vulnerable families. The remaining students are admitted according to their residential distance from the Academy thus ensuring an intake which reflects the local community.

The Wider Community

- Parents continued to be involved with their children's progress through Firefly, parental meetings and parents' evenings. Weekly newsletters were also sent to parents electronically.
- Strong links are maintained with over 250 local businesses, to enable the development of the Academy's Internship Programme.
- The Principal is on the Boards of; the Paddington Development Trust, The Duke of York Inspiring Digital Enterprise Award (iDEA), International Baccalaureate Schools and Colleges Association (ISBCA) and the Mosaic Community Trust. The Principal is also a Governor at University College School, Hampstead.
- Academy Sport continued to be successful with on average up to 10,000 users a month coming from the wider community including local primary schools.
- Community use of the Sir Naim Dangoor Centre, Harrow Road continued to develop throughout the year to further increase community, educational and social activities.

Liaison with the Department for Education (DfE)/ Education and Skills Funding Agency (ESFA)

- Meetings with the DfE and ESFA continued throughout 2018-19.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Going concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy has adequate resources to continue in operational existence for the foreseeable future. For this reason the Governing Body continues to adopt the going concern basis in preparing the accounts. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

Key Financial Performance Indicators

The Key Performance Indicators used by the Directors to assess the performance of the Academy against their stated objectives are as follows:

	2019	2018
Income per pupil	£9,199	£8,797
Staffing costs as a percentage of main grant income	78.28%	78.22%
Average teaching costs per pupil	£4,965	£4,651
Average non-teaching costs per pupil	£1,084	£1,171
Total learning resources per pupil	£566	£492

Financial review

The Academy's main source of income is derived from the ESFA. The grants received during the year ended 31 August 2019 and the associated expenditure are shown in the Statement of Financial Activities on pages 23 and 24.

Unrestricted incoming resources for the year amounted to £626,743 against net expenses incurred of £537,454 resulting in a surplus for the year of £89,289. There is an overall surplus of unrestricted funds of £745,501 carried forward at the end of the year.

Restricted general funds received amounted to £9,649,173 and comprised mainly of the General Annual Grant (GAG) receivable from ESFA. Restricted general fund expenditure for the year amounted to £8,990,585 resulting in a surplus on restricted general funds of £658,588 before transfers and the recognition of the pension adjustment.

At the year end, the Academy's pension liability is a proportion of the City of Westminster Fund and is valued in line with FRS102. Restricted general funds also include the Academy's share of these pension liabilities of £1,543,500. This is represented by the liability of £842,500 brought forward at 1 September 2018, resources expended of £197,000 and an actuarial loss of £504,000 on the pension scheme.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of an academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

At 31 August 2019, the net book value of fixed assets was £25,133,068 and movements in tangible fixed assets are shown in note 14 to the accounts. These assets represent the restricted fixed asset fund and are used by the Academy in order to provide education and associated support services to pupils of the Academy and the wider community. The restricted fixed asset fund is reduced by annual depreciation charges over the expected useful lives of the assets concerned.

In 2017, the Academy set up a wholly owned subsidiary, WA Land Limited ('WAL'), whose sole purpose is to exploit a property development opportunity on a site within the boundary of the land leased to the Academy for the purpose of providing affordable housing for teachers employed at the Academy.

For this purpose, WAL entered into a facility agreement with The Exilarch's Foundation (TEF) to fund its initial working capital requirements. The facility, for a sum of up to £360,000, has been provided on an interest free and unsecured basis. It is only repayable in the event of WAL entering into a development agreement with a developer on terms approved by TEF. The expenses incurred by company during the year amounted to £22,415 and at the year end, WAL was indebted to TEF in the amount of £220,000.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Reserves policy

The Directors have delegated to the Finance Team the responsibility to review the reserve levels of the Academy on a regular basis. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Directors' view is that free reserves should provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies. The Academy's current level of free reserves (total funds less amounts held under fixed assets and other restricted funds) is a surplus of £745,501. The level of reserves at the year end has increased compared to the previous year and the Academy hopes to be able to continue building up free reserves in the future.

The deficit on the Local Government Pension Scheme does not mean that an immediate liability crystallises. The deficit results in a cash flow effect for the Academy in the form of possible future increases in pension contributions, which, if required, will be met from the budgeted annual income. There is therefore no direct impact on the free reserves of the Academy because of recognising the deficit.

Investment Policy

The Directors' investment powers are governed by the memorandum and articles of association. There are currently no funds available for long term investment and any surplus funds which are retained are placed on short term deposit.

Principal Risks and Uncertainties

The Directors have assessed the major risks to which the Academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Academy, and its finances (a register of risk is kept via the new electronic system and is updated for each Audit Committee meeting). The Directors have implemented a number of systems to assess risks that the Academy faces, especially in the operational areas (e.g. in relation to professional, financial, legal, physical, contractual, technological and environmental) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. data protection and safeguarding information) and internal financial controls in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover.

The Directors have also carefully considered a specific internal audit function and appointed Mr Umer Siddiqi as the Internal Auditor who performs a range of financial checks. He reports formally to the Audit Committee on the operation of the systems of control. The Directors accept these arrangements to provide reasonable, but not absolute, assurance that assets are safeguarded and transactions are authorised and properly recorded and that any internal errors or irregularities are either prevented or detected in a timely basis.

Fundraising

The Academy did not actively fundraise during the year to 31 August 2019 and does not hold any agreements with professional fundraisers or commercial participators. The costs for raising funds relates to expenses incurred by its subsidiary undertaking.

Future Plans

It is the intention to continue to raise the standards of Teaching and Learning within the Academy by catering for all students via personalised learning, meeting the needs of mainstream, gifted and talented and special educational needs students. The Academy will also continue to review and improve the use of literacy cross-curricular. Another priority is to continue to enhance the provision offered to students and staff via the use of IT, and the Academy is working collaboratively with Google to support this.

Disclosure of Information to Auditors

In so far as the Directors are aware:

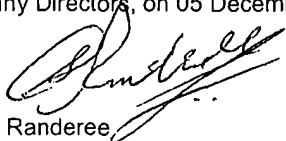

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Directors have taken all steps that ought to be taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

A resolution proposing that Citroen Wells be reappointed as auditor of the charitable company will be put to the members.

Approval

The Directors' report, incorporating a strategic report, was approved by order of the Governing Body, as the company Directors, on 05 December 2019 and signed on its behalf by:

Chair of Governors and Sponsor Governor

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2019

Scope of responsibility

The Governing Body acknowledges that it has overall responsibility for ensuring that the Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Governing Body has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Westminster Academy (Westbourne Green) and the Secretary of State for Education. The Principal is also responsible for reporting to the Governing Body any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Directors' Report and in the Statement of Directors' Responsibilities. The Governing Body has formally met four times during the year. The Governing Body has maintained financial oversight of the Academy by receiving the management accounts every other month to review. The Chair and Vice-Chair have received the management accounts every month and have held telephone meetings to discuss them regularly.

Attendance during the year at meetings of the Governing Body was as follows:

	Meetings attended	Out of possible
Shabir Randeree (Chair of Governors and Sponsor Governor)	4	4
Duncan Harman-Wilson (Vice Chair of Governors and Sponsor Governor)	3	4
Dr Saima Rana (Principal and Accounting Officer)	4	4

There have been no key changes to the composition of the Governing body. The main challenges for the board continue to be recruiting experienced teachers in shortage subjects and continuing to prepare for the impact of the National Funding Formula which will see a loss of funding for Westminster Academy, and has now been pushed back to 2021.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The Finance and General Purposes Committee is a sub-committee of the Governing Body. Its purpose is as follows:

- receive and monitor the Academy's financial reports;
- review the draft Budget Plan and make recommendations to the Governing Body for approval;
- agree contracts and purchases within the level of its delegated authority;
- agree virements within the Budget within the level of its delegated authority;
- ensure appropriate resourcing of the Improvement Plan targets;
- monitor reports with regard to the separate trading company, Academy Community (once it starts its trading activities);
- monitor the application of the Agreement with the City of Westminster Council with regard to the activities of Academy Sport;
- receive and review Reports of the Academy's Health and Safety Committee, of Health and Safety inspections with regard to the maintenance, upkeep, and renewal of the premises and equipment;
- receive and monitor reports with regard to HR/staffing matters including pay performance management, discipline and employment related issues; and
- review and approve from time to time all policy statutory or other documents relating to the Committee's roles and responsibilities.

Attendance at meetings in the year by the Members of the Committee was as follows:

Judy Dangoor (Sponsor Governor)	3	3
Michael Karp (Sponsor Governor)	3	3
Alastair Metcalf (LA Governor)	1	3

The Audit Committee is also a sub-committee of the main Governing Body and is an advisory body with no executive powers. Its main functions are to:

- help promote the highest standards of propriety in the use of public funds and encourage proper accountability for the use of those funds;
- promote a climate of financial discipline and control which will help to reduce the opportunity for financial mismanagement;
- promote the development of internal controls systems which will help satisfy the Governing Body that the Academy will achieve its objectives and targets and is operating in accordance with any statutory requirements for the use of public funds within delegated authorities laid down by the Governing Body and the Academy's own rules on which matters should be referred to the Governing Body; and in a manner which will make most economic and effective use of resources available.
- receive the Internal and External Audit Reviews;
- review the Risk Register.

Review of value for money

As Accounting Officer the Principal has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year and reports to the Governing Body where value for money can be improved, including making use of benchmarking data where available. The Accounting Officer for the Academy has delivered improved value for money during the year by:

The Governors' Approach

Governors have applied the four principles of best value:

- Challenge - Is the Academy's performance high enough? Why and how is a service provided? Do we still need it? Can it be delivered differently? What do parents want?
- Compare - How does the Academy's student performance and financial performance compare with all Academies? How does it compare with LEA schools? How does it compare with similar schools?
- Consult - How does the Academy seek the views of stakeholders about the services the Academy provides?
- Compete - How does the Academy secure efficient and effective services? Are services of appropriate quality, economic?

The Governors and Academy managers apply these principles when making decisions about:

- the allocation of resources to best promote the aims and values of the Academy.
- the targeting of resources to best improve standards and the quality of provision.
- the use of resources to best support the various educational needs of all students.

Governors, and the Academy managers, will:

- use data from other/similar schools using data provided by the LEA and the Government, e.g. benchmarking tools, quality of teaching and learning and levels of expenditure.
- challenge proposals, examining them for effectiveness, efficiency and cost, e.g. setting of annual student achievement targets.
- require suppliers to tender, ensuring best value whilst maintaining quality/suitability of services/products/backup.
- consult with individuals and organisations on quality/suitability of the service we provide to parents and students and services we receive from providers, e.g. Sex and Relationships Education, student reports, OFSTED, external consultants, energy suppliers.

This will apply in particular to:

- staffing
- use of resources
- quality of teaching
- quality of learning
- purchasing
- students' welfare
- health and safety

Governors and Academy managers do not waste time and resources on investigating minor areas where few improvements can be achieved, e.g. on making minor savings in costs, or on seeking tenders for minor supplies and services. Governors recognise that the pursuit of minor improvements or savings is not cost effective if the administration involves substantial time or costs and that time wasted on minor improvements or savings can also distract management from more important or valuable areas.

FOR THE YEAR ENDED 31 AUGUST 2019

Teaching and Learning

Governors and Academy Leadership review the quality of curriculum provision and quality of teaching and review the quality of children's learning, by cohort, class and group, to provide teaching which enables children to achieve nationally expected progress, e.g. setting of annual student achievement targets and striving to improve on or maintain previous years' exam results and attendance.

Governors and Academy Leadership also review the quality of the Academy environment and the Academy ethos, in order to provide a supportive secure and safe environment conducive to learning and recreation which translates into success for our students.

Allocation of Resources

Governors and Academy Leadership deploy staff to provide best value in terms of quality of teaching, quality of learning, adult to student ratio and curriculum management and to ensure appropriate facilities, equipment, materials and services provide students and staff with resources which support quality of teaching and learning.

The Governing Body have established finance policies to control purchasing and through the budget process agree the allocation of resources for the year.

Monitoring

In order to provide input and to monitor delivery of best value the Governing Body has established active Curriculum, Audit and Finance and General Purpose committees which are supported by a Health & Safety committee.

Health & Safety

Governors and Academy managers review the quality of the Academy environment and equipment, carrying out termly risk assessments supplemented by one off investigations where appropriate, in order to provide a safe working environment for students, staff and visitors. The Health and Safety Committee also meet once a term.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Westminster Academy (Westbourne Green) for the period 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and accounts.

Capacity to handle risk

The Governing Body has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Directors is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy's significant risks that has been in place for the period 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Governing Body, and is contained in the CalQRisk online system.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The risk and control framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Governing Body has considered the need for a specific internal audit function and has decided to appoint Mr Umer Siddiqi as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. In particular the checks carried out in the current period included grants received, payroll and pensions, procurement activities, bank reconciliations and any correspondence with the ESFA.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. The Internal Auditor reports to the Governing Body through the finance and general purposes committee and audit committee three times a year on the operation of the systems of control and on the discharge of the Governing Body's financial responsibilities.

Review of effectiveness

As Accounting Officer, Dr. Saima Rana has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

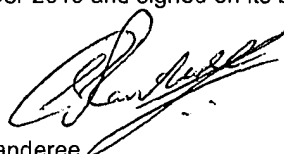

- the work of the internal auditor;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance and general purposes committee and audit committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2019

As accounting officer of The Westminster Academy (Westbourne Green) I have considered my responsibility to notify the Academy's Governing Body and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy, under the funding agreement in place between the Academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2018.

I confirm that I and the Academy's Governing Body are able to identify any material irregular or improper use of funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's funding agreement and the Academies Financial Handbook 2018.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Governing Body and ESFA.

Approved on 05 December 2019 and signed by:

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2019

The Directors (who also act as Trustees for The Westminster Academy (Westbourne Green)) are responsible for preparing the Directors' Report and the accounts in accordance with the Annual Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Directors to prepare accounts for each financial year. Under company law, the Directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

FOR THE YEAR ENDED 31 AUGUST 2019

Opinion

We have audited the accounts of The Westminster Academy (Westbourne Green) and its subsidiary for the year ended 31 August 2019 which comprise the Consolidated Statement of Financial Activities, the Consolidated Balance Sheet, the Academy's Balance Sheet, the Consolidated Statement of Cash Flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the group's and the charitable company's affairs as at 31 August 2019 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the Directors have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the Academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The Directors are responsible for the other information, which comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE WESTMINSTER ACADEMY (WESTBOURNE GREEN) (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the Directors' report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the statement of Directors' responsibilities, the Directors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the Directors are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE WESTMINSTER ACADEMY (WESTBOURNE GREEN) (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE WESTMINSTER ACADEMY (WESTBOURNE GREEN) AND THE EDUCATION & SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2019

In accordance with the terms of our engagement letter and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2018 to 2019, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Westminster Academy (Westbourne Green) during the period 1 September 2018 to 31 August 2019 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Westminster Academy (Westbourne Green) and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the The Westminster Academy (Westbourne Green) and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Westminster Academy (Westbourne Green) and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of The Westminster Academy (Westbourne Green)'s accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of The Westminster Academy (Westbourne Green)'s funding agreement with the Secretary of State for Education dated 28 March 2007 and the Academies Financial Handbook, extant from 1 September 2018, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2018 to 2019. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2018 to 2019 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE WESTMINSTER ACADEMY (WESTBOURNE GREEN) AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

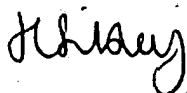

FOR THE YEAR ENDED 31 AUGUST 2019

The work undertaken to draw to our conclusion includes:

- a review and evaluation of the general control environment of the Academy, with a particular focus on controls to ensure the regularity of transactions;
- checking the implementation and operation of controls by performing substantive testing and analytical review procedures, as part of our standard statutory audit engagement, that also gave us assurances relevant for this report on regularity;
- holding discussions with the Accounting Officer to corroborate her declaration with regards to regularity and impropriety;
- testing of a sample of:
 - payments to staff to confirm that all transactions requiring prior clearance from the Secretary of State were correctly approved (or that there were no such transactions)
 - payments to suppliers and other third parties regarding procurement activity, to ensure this has been in accordance with Annex 4.6 of Managing Public Money; and
- a review of minutes of various committees and other evidence made available to us relevant to our consideration of regularity.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

The Westminster Academy (Westbourne Green) is a charitable company incorporated in England and Wales. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the Directors' report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the Academy, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2018 to 2019 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Westminster Academy (Westbourne Green) meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The Directors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy and the group to continue as a going concern. The Directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the Academy and the group have adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy and the group's ability to continue as going concerns, thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Basis of consolidation

The consolidated accounts incorporate the financial statements of the Academy and all its subsidiaries. All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

In the parent company financial statements, investments in subsidiaries are accounted for at cost less impairment.

1.4 Income

All incoming resources are recognised when the Group has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

(Continued)

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the Academy which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy has provided the goods or services.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure on raising funds

This includes all expenditure incurred by the Academy to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the Academy's educational operations, including support costs and costs relating to the governance of the Academy apportioned to charitable activities.

Governance costs

These include the costs attributable to the Academy's compliance with constitutional and statutory requirements, including audit, strategic management, Directors' meetings and reimbursed expenses.

All expenditure is shown net of any recoverable VAT.

1.6 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Leasehold property	2% on a straight line basis
Leasehold improvements	10% on a straight line basis
Computer equipment and software	16.667% on a straight line
Fixtures and fittings	25% on a straight line basis

Leasehold improvements are included at cost and depreciation on these assets are not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.7 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.8 Leased assets

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

1.9 Investments

The Academy's shareholding in its wholly owned subsidiary, WA Land Limited, is included in the balance sheet at the cost of the share capital owned less any impairment.

1.10 Financial instruments

The Academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy and their measurement basis are as follows.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.11 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.12 Pensions benefits

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the Academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Directors.

THE WESTMINSTER ACADEMY (WESTBOURNE GREEN)

1 Accounting policies

(Continued)

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2019. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

The Academy's accounting policy for tangible fixed assets is set out in note 1.6. The carrying value of fixed assets as at 31 August 2019 was £24,995,933 and the depreciation charge for the year was £722,857. The estimated useful economic lives of fixed assets are based on management's judgement and experience. Asset lives and residual values are reviewed annually and an adjustment is made for any material difference arising from the difference between the actual and estimated useful lives. Historically, however, any changes to the estimates of useful economic lives of any assets have not been material.

3 General Annual Grant (GAG)

Under the funding agreement with the Secretary of State, the Academy was subject to limits at 31 August 2019 on the amount of GAG that could be carried forward from one year to the next. An amount equal to 12% of GAG could be carried forward, of which up to 2% could be used for general recurrent purposes, with any balance being available for premises/capital purposes.

The Academy has not exceeded these limits during the year ended 31 August 2019.

The key management personnel of the Academy comprise the Directors and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy was £434,534 (2018: £390,473).

12 Directors' remuneration and expenses

The Principal, who is also a Director of the Academy, only receives remuneration in respect of services she provides in undertaking her employment role for the Academy and not in respect of her services as a Director. The other Directors did not receive any payments or expenses from the Academy in respect of their roles as Directors.

The value of Directors' remuneration and other benefits was as follows:

Dr Saima Rana (Principal):

- Remuneration £135,000 - £140,000 (2018: £130,000 - £135,000)
- Employer's pension contributions £20,000 - £25,000 (2018: £20,000 - £25,000)

Alex James (staff governor):

- Remuneration £40,000 - £50,000 (2018: £5,000 - £10,000)
- Employer's pension contributions £5,000 - £10,000 (2018: £0 - £5,000)

Other related party transactions involving the Directors are set out within the related parties note.

13 Directors and officers insurance

The Academy has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where the UK government funds cover losses that arise. This scheme protects Directors and Officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provides cover up to an aggregate amount of £10,000,000 per year. It is not possible to quantify the Directors and Officers indemnity element from the overall cost of the RPA scheme.

The Restricted General Funds comprise of funds received from the ESFA and other local government bodies and are used to finance ongoing expenditure of the normal day to day educational activities of the Academy. Under the funding agreement with the Secretary of State, the Academy was subject to a limit on the amount of GAG that it could carry forward at 31 August 2019 (see note 3).

The Restricted Fixed Asset Funds comprise funds received from the ESFA and the principal sponsor that have been used to finance the construction costs of the Academy and other facilities as well as funding all other fixed asset acquisitions.

The Pension Reserve relates to the Academy's share of the deficit of the Westminster City Council Local Government Pension Scheme (LGPS).

The deficit on the LGPS does not mean that an immediate liability crystallises. The deficit results in a cash flow effect for the Academy in the form of possible future increases in pension contributions, which, if required, will be met from the budgeted annual income. There is therefore no direct impact on the free reserves of the Academy because of recognising the deficit.

24 Pensions and similar obligations

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Local Pension Fund Authority. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012, and that of the LGPS related to the period ended 31 March 2016.

Contributions amounting to £3,627 (2018: £14,848) were payable to the schemes at 31 August 2019 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

FOR THE YEAR ENDED 31 AUGUST 2019

24 Pensions and similar obligations

(Continued)

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 September 2019.

The employer's pension costs paid to the TPS in the period amounted to £535,203 (2018: £484,763).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate Trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 15.7% for employers and 5.5-12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of an Academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

26 Contingent liabilities

In the event, during the period of the Funding Agreement, of the sale or disposal by other means, of any asset for which a capital grant was received, the Academy shall, if it does not re-invest the proceeds, repay to the Secretary of State of the Department for Education the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State.

Upon termination of the Funding Agreement, whether as a result of the Secretary of State or the Academy serving notice, the Academy shall repay to the Secretary of State sums determined by reference to:

(a) the value at that time of the Academy's site and premises and other assets held for the purpose of the Academy: and

(b) the extent to which expenditure incurred in providing those assets was met by payments by the Secretary of State under the Funding Agreement.

28 Related party transactions

Owing to the nature of the Academy's operations and the composition of the Board of Governors being drawn from local public and private sector organisations, it is inevitable that transactions may take place with organisations in which a member of the Board of Governors may have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the AFH, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

The following related party transactions took place in the financial period.

David Dangoor is a Trustee of The Exilarch's Foundation ('TEF'). During the year, the Academy received pledges of £122,990 (2018: £95,557) from TEF. There were no outstanding amounts at the year end.

In 2017, ('WAL') entered into a facility agreement, for a sum of up to £180,000 and in 2018 was increased to £360,000, with TEF to fund its initial working capital requirements. This facility has been provided on an interest free and unsecured basis. It is only repayable in the event of WAL entering into a development agreement with a developer on terms approved by TEF. At the year end, WAL was indebted to TEF in the amount of £220,000 (2018: £194,077).

Income of £300 (2018: £258) was received from David Dangoor for hiring of facility services provided by the Academy.

A gift for the value of £nil (2018: £72) was made to David Dangoor by the Academy.

Income of £nil (2018: £1,425) was received from Mary Amayo for hiring of facility services provided by the Academy.

IBSCA Ltd is a Company in which Dr Rana (the Principal) is a Company Director and Co-opted Committee member. During the year, the Academy purchased professional subscription, registration and conference fees from IBSCA Ltd totalling £3,630 (2018: £3,221). The amount outstanding at 31 August 2019 was £180 (2018: £1,200). The Academy made the purchase at arms' length and in accordance with its financial regulations, which Dr Rana neither participated in, nor influenced. In entering into the transaction the Trust has complied with the requirements of ESFA's Academies Financial Handbook 2018. The element above £2,500 has been provided 'at no more than cost' and IBSCA Ltd has provided a statement of assurance confirming this.

Income of £1,000 (2018: £nil) was received from IBSCA Ltd for hiring of facility services provided by the Academy.
