For the year ending 31 March 2012

1 Accounting policies

Basis of preparing the financial statements

At the balance sheet date the company had net liabilities of £52,020 (2011: £66,465).

The financial statements have been prepared on a going concern basis that assumes that the company will continue to be supported by its' director. The financial statements do not take into account any adjustments that may be necessary if this support is withdrawn.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax. Income is recognised when the services are invoiced.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
