2 Summary of significant accounting policies

Basis of preparation

These financial statements have been prepared in accordance with United Kingdom Accounting Standards, in particular, Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the Companies Act 2006 (the Act). FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS.

The financial statements have been prepared under the historical cost convention. A summary of the more important accounting policies is set out below.

The Company is a qualifying entity for the purposes of FRS 101. Note 6 gives details of the company's ultimate parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The disclosure exemptions adopted by the Company in accordance with FRS 101 are Statement of cash flows, the financial risk management disclosures and related party transactions with related companies.

The preparation of financial statements in conformity with FRS 101 requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

The Company's financial statements are presented in British pounds and all values are rounded to the nearest pounds (£) except when otherwise indicated.

Going Concern

In previous years, the financial statements have been prepared on a going concern basis. However, on 30 September 2016, the company ceased trading following the transfer of trade and assets to Community Homes of Intensive Care and Education Limited (a group undertaking). As the directors do not intend to acquire a replacement trade, the directors have not prepared the financial statements on a going concern basis. No adjustments were necessary to the amounts at which the remaining net assets are included in these financial statements.

Investment in subsidiaries

Investment in subsidiaries are held at cost less any provision for impairment.
