RECEIPTS AND PAYMENTS ACCOUNT

My Receipts & Payments Account for the period from 19 July 2011 to 18 July 2012 is attached at Appendix A

ASSETS

Associated Company - Abbachem Limited

As per the statement of affairs an amount totalling £145,822 is due from an associated company, Abbachem Limited, a company I was also appointed Liquidator of on 19 July 2011

I am currently in the process of advertising a first dividend to the unsecured creditors of Abbachem Ltd however I am unaware of what the dividend will be at present. It is anticipated that there will be a further dividend to the unsecured creditors of Abbachem Ltd however this will be dependent upon the successful collection of future book debts.

Cash at Bank

Following the transfer of funds from the company's Bank account £4 has been realised

Book Debts

The statement of affairs indicated book debts due to the company with a ledger of £10,088. To date £1,667 has been realised and collection is still ongoing

Investments

Upon reviewing the balance sheet of the company, the last accounts indicate that investments were held in Abbachem Ltd totalling £694,920 As mentioned previously Abbachem Ltd is in Liquidation and as such these investments are unrealisable

Stock

Prior to my appointment as Liquidator an amount of £226,861 was paid by a third party purchaser of Abbachem Ltd for the sale of the stock. These funds were held in the purchaser's Solicitor's account

The final amount to be paid to the Liquidation Estate was subject to valid retention of title claims submitted by suppliers

If a supplier had a valid retention of title claim, then they would deduct the value of goods returned to them from the total balance that they are a creditor for

In addition the amount to be paid for the stock by the purchaser would be reduced by an equivalent amount and deducted from the funds held by the purchaser's solicitors

Following the finalisation of retention of title claims and sundry stock adjustments agreed by both parties, an amount of £76,906 was realised. Of this amount, £52,116 of the stock related to that owned by Abbachem Ltd and as such the total value of stock realised by Abbachem (Holdings) Ltd was £24,790.

LIABILITIES

Preferential Creditors

There are no preferential creditors in this matter

Floating Charge Creditors

An examination of the company's mortgage register held by the Registrar of Companies, shows that National Westminster Bank plc have a fixed and floating charge over the assets of the company registered on 29 July 2004 The Bank was in credit upon my appointment and as such no monies are due to them under the terms of their debenture

Unsecured Creditors

It is anticipated that there will be a dividend to unsecured creditors in this matter however the quantum and timing is not known at present and will be dependent on the dividend received from the Liquidation of Abbachem Ltd

I do not anticipate being in a position to pay a dividend to unsecured creditors until the outcome of Abbachem Ltd has been finalised

As per the statement of affairs there were unsecured creditors totalling £206,391. Claims have not been adjudicated to date however will be admitted once I am in a position to advertise a dividend to unsecured creditors.

INVESTIGATIONS

I undertook an initial investigation into the company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved

Within six months of my appointment as liquidator, I am required to submit a confidential report to the Secretary of State to include any matters which have come to my attention during the course of our work which may indicate that the conduct of any past or present director would make them unfit to be concerned with the management of the company. I would confirm that my report has been submitted
