Toynbee Cleaning Services Limited
Notes to the Abbreviated Accounts
for the year ended 31 May 2014

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	20% straight line
---------------------	-------------------

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

2 Basis of preparation.

Part of the company's working capital has been obtained from an overdraft provided by its bank. The accounts have been prepared on a going concern basis on the assumption that the company continues to receive the support of the bank. The financial statements do not include any adjustments relating to the recoverability and classification of recorded assets, or the amounts and classification of any liabilities that might be necessary in the event the company cannot continue in existence.
