SAGE FAR EAST INVESTMENTS LIMITED

**STRATEGIC REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

Introduction

The Directors of Sage Far East Investments Limited (the "Directors") present their Strategic Report on Sage Far East Investments Limited ("the "Company") for the year ended 30 September 2020. The Directors of The Sage Group plc., the ultimate parent company, set the strategy for the whole Sage group of companies ("Sage" or the "Group"). This is set out within The Sage Group plc. Annual Report and Accounts for the year ended 30 September 2020 (the "FY20 Annual Report and Accounts"), which does not form part of this report.

Principal activity and business review

The principal activity of the Company is that of a holding company. The Company has not traded during the year or prior year and the only amounts included in the income statement relate to the Company's activity as a holding company.

Principal risks and uncertainties

The Global Risk Management Framework has been built to identify, evaluate, analyse, manage and mitigate those risks which threaten the successful achievement of our business strategy and objectives, within tolerable appetites. Risks are owned and managed at a Global level, and are formally reviewed on a quarterly basis. The identification, assessment, pursuit and management of opportunities and the associated risks is an integral part of the management and processes of the Company.

Investment risk

The Company acts as a holding company of investments. The main risk facing the Company is a deterioration in the recoverable amount of its investments in subsidiary undertakings, which reflects their underlying performance and future prospects. The Directors assess the recoverable amounts of investments annually or when indicators of impairment exist, by performing an impairment test annually, comparing for each investment the recoverable amount with its carrying value. Only if there is an impairment loss is the carrying value reduced to the recoverable amount. As part of the annual impairment review, an impairment of £1,991,000 (2019: £7,409,000) has been recognised.

Key performance indicators

The directors of The Sage Group plc. manage and measure the Group's operations on a regional and segmental basis. For this reason, the Directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the Company's business. The key performance indicators used by the directors of The Sage Group plc. to manage and measure the performance of the Group are discussed within the FY20 Annual Report and Accounts.

Future developments

It is the intention of the Directors that the Company will continue to act as a holding and investment company for the foreseeable future.

Section 172(1) statement

As per Section 172(1) of the Companies Act 2006 ("Section 172(1)"), a director of a company must act in the way he or she considers, in good faith, would be most likely to promote the success of the company for the benefit of its members as a whole, and in doing so have regard (amongst other matters) to:

- a. the likely consequences of any decision in the long term;
- b. the interests of the company's employees;
- c. the need to foster the company's business relationships with suppliers, customers and others;
- d. the impact of the company's operations on the community and the environment;
- e. the desirability of the company maintaining a reputation for high standards of business conduct; and

SAGE FAR EAST INVESTMENTS LIMITED

STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 30 SEPTEMBER 2020

- f. the need to act fairly as between members of the company.

This statement describes how the Directors have had regard to the matters set out above when performing their duty to promote the success of the Company for the benefit of its members as a whole, having regard to the interests of its stakeholders and the wider society.

Sage is the global market leader for technology that provides small and medium businesses with the visibility, flexibility and efficiency to manage finances, operations and people. Working alongside its partners, Sage is trusted by millions of customers worldwide to deliver the best cloud technology and support. Sage's years of experience mean that colleagues and partners understand how to serve its customers and communities through the good as well as the more challenging times. Sage's purpose is to transform the way people think and work so their organisations can thrive, and its vision is to become a great SaaS company for all its stakeholders.

The Company, as part of Sage, looks to operate within and support this culture. The Directors are responsible for monitoring and upholding the culture, values, standards, ethics and reputation of the Company and Sage to ensure that their obligations to the Company's stakeholders, including its shareholders, are met. The Company follows Sage's policies and procedures, including those relating to standards of business conduct, colleagues, the community, the environment and other stakeholders. However, in considering items of business, the Company makes autonomous decisions based on each transaction's own merits, after due consideration of the long-term success of the Company, Section 172(1) factors where relevant, and the stakeholders impacted. Board meetings are held as and when required to discuss matters of business. In the year ended 30 September 2020 the Directors approved, amongst others, the following decisions: the subscription for additional shares in the Company's wholly owned subsidiary Sage Software Middle East FZ-LLC, the appointment of an additional director to broaden the skills and experience of the Company's board and the approval of the Company's annual report and accounts for the year ended 30 September 2019.

As is typical for a company which is part of a large listed group, the Directors fulfil their duties partly through a governance framework determined at Group level that delegates day-to-day decision-making to Sage's management. Such delegation forms part of Sage's robust governance structure which encompasses the principles of Section 172(1) so that they ultimately become embedded within the business and everything Sage does as a Group.

The Directors recognise that Sage, including the Company, has a wide range of stakeholders that it needs to have regard to when fulfilling their duties. For each matter which comes before the Directors, stakeholders who may be affected are identified and their interests are carefully considered as part of the decision-making process. The Directors are committed to effective engagement with all stakeholders of the Company and acknowledge that, as part of Sage, engagement activities are mostly carried out at Group level. The values and behaviours upheld when engaging with stakeholders are consistent across Sage, irrespective of which member of the Group is communicating with any and all of Sage's stakeholders.

After due consideration, the Directors have determined the Company's key stakeholders to be largely consistent with those set out in the FY20 Annual Report and Accounts.

Investors

The Directors consider the long-term impact of corporate actions and decisions on and for the benefit of the Company's direct and indirect shareholders. The Company's ultimate parent is The Sage Group plc. and effective engagement with Sage's investors is maintained at Group level. You can read more about Sage's engagement with investors on page 95 of the FY20 Annual Report and Accounts available on Sage's website at [sage.com](https://www.sage.com).

Colleagues

The Company has no employees.

All UK colleagues engaged in the activities of the Company are employed by subsidiaries of Sage and disclosures relating to such colleagues can be found in the annual report and accounts of these subsidiaries. You can read more about Sage's engagement with colleagues on pages 94 to 96 of the FY20 Annual Report and Accounts available on Sage's website at [sage.com](https://www.sage.com).

SAGE FAR EAST INVESTMENTS LIMITED

**STRATEGIC REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

Customers

The Company is a holding company and thus has no customers itself.

The Directors recognise that fostering business relationships with customers is essential to the long-term sustainable success of Sage and effective engagement is maintained at Group level. You can read more about Sage's engagement with customers on page 97 of the FY20 Annual Report and Accounts available on Sage's website at sage.com.

Partners

The Company is a holding company and thus has no partners itself.

The Directors are cognisant that partners are crucial to Sage's success and effective engagement is maintained at Group level. You can read more about Sage's engagement with partners on page 98 of the FY20 Annual Report and Accounts available on Sage's website at sage.com.

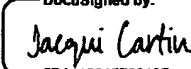

Communities and the Environment

The Directors recognise that Sage is committed to managing the Group's use of resources proactively to minimise environmental impact and continues to review and develop the Group's corporate sustainability strategy. Sage's culture and commitment to doing business the right way is notably demonstrated through the work of the Sage Foundation, which combines charitable giving and supporting colleague engagement with non-profit organisations delivering change.

You can read more about Sage's engagement with communities and its impact on the environment on pages 98 and 99 of the FY20 Annual Report and Accounts available on Sage's website at sage.com.

In addition to the above stakeholders, it is recognised that other groups of stakeholders could also be relevant to the Company's and Sage's activities. The Directors have regard for and engage with such groups to the extent that they are affected by, and themselves affect, the operations of the Company. For instance, the Company itself does not have suppliers although the Directors recognise that suppliers are significant to Sage, and therefore Sage seeks to develop and foster business relationships with them to maximise value and efficiency. Sage implements a thorough supplier onboarding process and procurement lifecycle through Sage's governance model. Sage has also developed a Supplier Code of Conduct which all suppliers are required to follow, and which defines Sage's expectations of responsible business and behaviour underlying the strategic focus on customer needs, in line with the high standards of business conduct that Sage strives to promote.

This report was approved by the board and signed on its behalf.

SAGE FAR EAST INVESTMENTS LIMITED

**DIRECTORS' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

The Directors present their report and the financial statements for the year ended 30 September 2020.

Principal activity

The principal activity of the Company throughout the year has been that of an intermediate holding company within the Group and will remain as such for the foreseeable future.

Dividends

The loss for the year, after taxation, amounted to £2,016,000 (2019: loss £7,409,000).

The Directors do not recommend payment of a dividend in respect of the current year (2019: £nil).

Directors

The Directors who served during the year were:

Julia McDonough (resigned 1 March 2020)
Victoria Louise Bradin
Sarah Jane Rolls (resigned 30 September 2020)
Jacqui Cartin (appointed 21 August 2020)

Indemnity provisions

The ultimate parent company, The Sage Group plc., maintained liability insurance for its directors and officers during the financial year and up to the date of approval of these financial statements. The Sage Group plc. has also provided an indemnity for its directors and the company secretary, which is a qualifying third-party indemnity provision for the purposes of the Companies Act 2006.

COVID-19

Early in the COVID-19 crisis, the Group moved decisively to protect the health and wellbeing of our colleagues, and to provide continued support to our customers and partners. While the pandemic continues to create uncertainty for small and medium businesses, moderating the Group's growth in the short-term, our consistent focus on customer success has supported our performance to date.

At the same time, the pace of digital transformation among small and medium businesses is increasing, and delivering Sage Business Cloud innovations as scheduled throughout the year has positioned the Group well to support customers as they adopt new digital solutions. In FY21, the Group's planned investment in Sage Business Cloud and particularly in cloud native solutions, together with continued focus on embedding SaaS capability and culture, are expected to drive further progress on our journey to becoming a great SaaS company.

Going concern

The Directors have robustly tested the going concern assumption in preparing the financial statements, which included consideration of COVID-19 impacts on the Company, and the Directors remain satisfied that the going concern basis of preparation is appropriate. However, as the COVID-19 pandemic currently continues, the Company's ultimate parent, The Sage Group plc, has provided the Company with a letter of support for a period of 12 months from the date of this report, to enable the Company to meet its liabilities as and when they become due, as a means to provide the Directors with further confidence that the going concern basis of preparation is appropriate.

SAGE FAR EAST INVESTMENTS LIMITED

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

Post balance sheet events

There have been no significant subsequent events identified at the date of this report which would impact the Company.

Disclosure of information to auditors

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This report was approved by the board and signed on its behalf.

SAGE FAR EAST INVESTMENTS LIMITED

**DIRECTORS' RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SAGE FAR EAST INVESTMENTS LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SAGE FAR EAST INVESTMENTS LIMITED

Opinion

We have audited the financial statements of Sage Far East Investments Limited for the year ended 30 September 2020 which comprise the Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity and the related notes 1 to 10, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 30 September 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report set out on pages 1 to 5, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and

SAGE FAR EAST INVESTMENTS LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SAGE FAR EAST INVESTMENTS LIMITED

- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

SAGE FAR EAST INVESTMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. General information

Sage Far East Investments Limited (the "Company") is a company incorporated and domiciled in England, it is a private company limited by shares and the Company's registered address is North Park, Newcastle upon Tyne, NE13 9AA.

2. Accounting policies

2.1 Basis of preparation of financial statements

The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101") and the UK Companies Act 2006. The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015 have been adopted, together with the equivalent amendments to FRS 101.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs") but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, The Sage Group plc., includes the Company in its consolidated financial statements. The consolidated financial statements of The Sage Group plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from the address given in note 10.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 101 in its next financial statements.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Judgements made by the Directors, in the application of these accounting policies that have a significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 3.

The financial statements have been prepared on the historical cost basis. All amounts are presented in Great British Pounds (GBP).

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The Directors have robustly tested the going concern assumption in preparing the financial statements, which included consideration of COVID-19 impacts on the Company, and the Directors remain satisfied that the going concern basis of preparation is appropriate. However, as the COVID-19 pandemic currently continues, the Company's ultimate parent, The Sage Group plc, has provided the Company with a letter of support for a period of 12 months from the date of this report, to enable the Company to meet its liabilities as and when they become due, as a means to provide the Directors with further confidence that the going concern basis of preparation is appropriate.

The principal accounting policies, which have been applied consistently throughout the year, are set out below.

SAGE FAR EAST INVESTMENTS LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

2. Accounting policies (continued)

2.2 Financial reporting standard 101 - reduced disclosure exemptions

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes, as required by IAS 7 Statement of cash flows;
- Comparative period reconciliations as required by paragraph 38 of IAS 1 Presentation of financial statements for share capital (paragraph 79(a)(iv) of IAS 1 Presentation of financial statements);
- Disclosures in respect of transactions with wholly owned subsidiaries, as required by IAS 24 Related party disclosures;
- Disclosures in respect of capital management, as required by paragraphs 134 to 136 of IAS 1 Presentation of financial statements;
- The effects of new but not yet effective IFRSs, as required by paragraphs 30 and 31 of IAS 8 Accounting policies, changes in accounting estimates and errors;
- Disclosures in respect of the compensation of Key Management Personnel, as required by paragraph 17 of IAS 24 Related party disclosures; and
- Disclosures of transactions with a management entity that provides key management personnel services to the company, as required by paragraph 17 of IAS 24 Related party disclosures.

As the consolidated financial statements of The Sage Group plc. include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by paragraphs 91 to 99 of IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

2.3 Foreign currency translation

Monetary assets and liabilities expressed in foreign currencies are translated into sterling at rates of exchange prevailing at the balance sheet date. Transactions in foreign currencies are converted into sterling at the rate prevailing at the dates of the transactions. All differences on exchange are taken to the income statement.

2.4 Finance costs

Finance costs are charged to profit or loss over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

SAGE FAR EAST INVESTMENTS LIMITED**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020****2. Accounting policies (continued)****2.5 Income tax expense**

The taxation expense for the year represents the sum of current tax payable and deferred tax. The expense is recognised in the income statement and statement of comprehensive income according to the accounting treatment of the related transaction.

Current tax payable or receivable is based on the taxable income for the period and any adjustment in respect of prior periods. Current tax is measured at the amount expected to be recovered from or paid to the taxation authorities, calculated using tax rates that have been enacted at the end of the reporting period.

The Company and its fellow group undertakings are able to relieve their tax losses by surrendering them to other group companies, within the UK corporation tax group, where capacity to utilise these losses exists.

2.6 Investments

Fixed asset investments are stated at cost less provision for any diminution in value. Any impairment is charged to the profit and loss account as it arises.

2.7 Trade and other payables

Trade payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

2.8 Financial instruments

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial assets are derecognised (i.e., removed from the Company's balance sheet) when the rights to receive cash flows from the asset have expired; or when the Company has transferred those rights and either has also transferred substantially all the risks and rewards of the asset or has neither transferred nor retained substantially all the risks and rewards of the asset but no longer has control of the asset.

Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Financial assets and financial liabilities are initially measured at fair value.

All recognised financial assets are subsequently measured in their entirety at either fair value or amortised cost, depending on the classification of the financial assets.

2.9 Equity

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

SAGE FAR EAST INVESTMENTS LIMITED
--

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities within the next year.

Recoverability of investments

Determining whether investments are impaired required an estimate of the value-in-use or assessment of the assets and liabilities in the investment group. Where an estimate of the value-in-use is used, the key assumptions applied in the calculation relate to the future performance expectations of the business – average medium-term revenue growth, long term operating margin and long-term growth rate – as well as the discount rate to be applied in the calculation.

The carrying value of investments at 30 September 2020 was £13,864,000 (2019: £11,873,000) and an impairment loss of £1,991,000 has been recognised (2019: £7,409,000).

4. Loss before income tax

Auditor's remuneration is borne by the ultimate parent company, The Sage Group plc., in both the current and prior year.

The Directors did not receive any emoluments during the year in respect of their services to the Company (2019: £nil). No other persons were employed by the Company during the year (2019: none).

5. Finance costs

	2020 £000	2019 £000
Interest payable to group undertakings	25	-
	<u>25</u>	<u>-</u>

6. Taxation

	2020 £000	2019 £000
Corporation tax
