Directors' report
for the Year Ended 31 December 2014

Financial statements

The directors present their report and the financial statements for the year ended 31 December 2014

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those accounts, the directors are required to: select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activity

The company distributes fastener products

Directors and their interests

The directors, all of whom served throughout the year, had the following interests in the £1 ordinary shares of the company at the beginning and end of the financial period.

6. ASSOCIATE COMPANY, DETAILS OF SIGNIFICANT SHAREHOLDINGS & RELATED PARTY DISCLOSURES

The total for unlisted investments consisted of a 40% interest in the ordinary shares of Genus Engineering Limited and a loan of £6,000. This investment was treated as an associate company and was recorded as a fixed asset investment. In 2008, Genus encountered financial difficulties and Easiriv agreed to convert the loan to share capital. This increased its interest to 50%. Early in 2009 Genus Engineering went into voluntary administration. No accounts are available. On present information, the Directors have reduced the value of the investment to £0.00

For the year ended 31st December 2007, the company's share (40%) in the associate was as follows:

	2009	2007
	£	£
(i) Turnover	-	94,793
(ii) Fixed Assets	-	70,648
(iii) Current Assets	-	30,415
