Notes to the financial statements for the year ended 31 March 2015

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents income received from funders and sales from kiosk activities, net of VAT.

Tangible Fixed Assets and Depreciation

Depreciation is provided at rates calculated to write off the cost of fixed assets over their expected useful life at 25% per annum.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

Cash Flow Statement

The company has taken advantage of the exemption from preparing a cash flow statement conferred by Financial Reporting Standard No.1 on the grounds that it qualifies as a small company under the Companies Act 2006.
