**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

---

The Trustees present their annual report together with the financial statements of the for the 1 July 2020 to 30 June 2021. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective January 2015).

Since the charity qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities**

**a. Policies and objectives**

The charity objects are the advancement of education in the field of Computational Logic, both within the UK and overseas, by collection, collation and public dissemination of information, the conduct of seminars, conferences and similar events and the sponsorship of MSc and PhD degrees in Logic at such universities or other educational establishments as the trustees shall from time to time determine.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Main activities undertaken to further the charity's purposes for the public benefit**

The main focus of the charity's work is to support the Hilbert Bernays Project to publish a commented bilingual edition of the second German edition of Hilbert Bernays Grundlagen der Mathematik, a two-volume work by David Hilbert and Paul Bernays. Originally published in 1934 and 1939, it presents fundamental mathematical ideas and introduced second-order arithmetic.

Hilbert Bernays Grundlagen der Mathematik appeared in two volumes in 1934 and 1939, and a second edition in 1968 and 1970, all published by Springer. It is the foundation of proof theory, a major source on David Hilbert's programme and Paul Bernays' philosophy, the epsilon operator, and much more.

It has influenced mathematics, logic, and philosophy like no other book in the 20th century apart from the Principia Mathematica of Russell and Whitehead.

Today, however, the German original is out-of-print and available as an expensive collector's item only. Moreover, English has become the language of science, but the book was never published in an English translation. We are changing this by publishing our bilingual German-English edition.

Due to the ongoing Coronavirus pandemic, the charity transitioned to delivering, encouraging and participating in live lectures online.

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 JUNE 2021**

---

**Achievements and performance**

**Financial review**

**a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

**b. Reserves policy**

The charity's policy on reserves is to maintain adequate reserves to enable it to meet short term running costs.

**c. Risk management**

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

**Structure, governance and management**

**a. Constitution**

The charity is a charitable company limited by guarantee and was set up by a Memorandum of Association on 09/06/2004.

The charity is constituted under a Memorandum of Association dated 09/06/2004 and is a registered charity number 1112512.

There have been no changes in the objectives since the last annual report.

**b. Methods of appointment or election of Trustees**

The management of the charity is the responsibility of the Trustees who are appointed by resolution of the existing trustee body.

**INTERNATIONAL FEDERATION OF COMPUTATIONAL LOGIC LIMITED**  
**(A company limited by guarantee)**

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 JUNE 2021**

---

**Statement of Trustees' responsibilities**

The Trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

The charity was entitled to exemption from audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit for the year in question in accordance with section 476 of Companies Act 2006.

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

The notes on pages 8 to 14 form part of these financial statements.

---

**INTERNATIONAL FEDERATION OF COMPUTATIONAL LOGIC LIMITED**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2021**

---

**1. Accounting policies**

**1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

International Federation of Computational Logic Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**1.2 Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity does have sufficient funds to cover its expenses for a period of at least 12 months from the date of signature. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

**1.3 Income**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**1.6 Company status**

The charity is a company limited by guarantee.

The members of the company are the Trustees named on page 1.

In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

---

**INTERNATIONAL FEDERATION OF COMPUTATIONAL LOGIC LIMITED**  
(A company limited by guarantee)

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2021**

---

**1. Accounting policies (continued)**

**1.7 Tangible fixed assets and depreciation**

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, on a reducing balance basis.

Depreciation is provided on the following basis:

Office equipment	-	33% reducing balance
------------------	---	----------------------

**1.8 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.9 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.
