28 June 2013

Dear Sir/Madam

Full Circle Future Limited (in members' voluntary liquidation) Annual Progress Report to Members

I am writing to report to members on the progress of the liquidation of Full Circle Future Limited ("FCF") during the year to 9 June 2013

FCF was placed into liquidation on 10 June 2010 and John David Thomas Milsom and I were appointed as joint liquidators. I attach as Appendix 1 the general information required to be disclosed to members by the Insolvency Rules 1986.

1 Receipts and Payments

I attach as Appendix 2 a summary of the joint liquidators' receipts and payments for the year to 9 June 2013 together with the cumulative figures for the liquidation to that date

2 Receipts

2.1 Tax refunds (post-liquidation) and interest on tax refunds

£1,688 69 was received during the year in respect of an overpayment of income tax for the year to 9 June 2012 of £1,681 41 plus £7 28 interest thereon

2.2 ISA interest

During the year bank interest earned on funds held in FCF's Insolvency Services Account ("ISA") amounted to £4,184.08 20% income tax totalling £836 82 was deducted at source resulting in net interest of £3,347 26

3 Payments and expenses

3.1 Cheque/payable order fee and bank charges

These represent ISA bank charges

3.2 Tax fees

Tax fees totalling £7,000 00 were paid to KPMG during the year. The fees were in respect of VAT services provided by KPMG during the period from 1 February 2012 to 31 August 2012 in relation to the deal fees issue referred to in 5.1 below. These services were provided under an engagement letter between DFS Furniture Company Limited ("DFS") and KPMG. However, as the deal fees issue relates solely to FCF, DFS recharged the fees to FCF

3.3 Liquidators' fees and expenses

A resolution was passed on 10 June 2010 that the remuneration of the joint liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company (including those falling outside their statutory duties) and that they be authorised to draw their remuneration on account

The statutory provisions relating to remuneration are set out in Rule 4 127 of the Insolvency Act 1986 Further information can be found in the Association of Business Recovery Professional's publication "A creditors' guide to Liquidators fees". This guidance is also applicable to members (ie shareholders) in a members' voluntary liquidation A copy of the guidance can be found at

http://www.r3.org.uk/media/documents/technical library/SIPS/SIP-9-EW-INTER.pdf

I attach as Appendix 3, a schedule summarising the joint liquidators' time costs for the year including grades of staff utilised and the charge-out rates applied. The schedule also summarises the expenses incurred by the liquidators during the year.

Attached as Appendix 4 is a summary of the liquidation expenses paid or accrued for in respect of the year to 9 June 2013

In accordance with Rule 4 49E of the Insolvency Rules 1986 members have the right to request further information, in respect of remuneration, expenses, and any other information relevant to the member from the liquidator, within 21 business days of receipt of this report. The full text of that rule can be provided by Ray Levy (tel 020 7694 3201 e-mail ray levy@kpmg co uk) if required

4 Creditors

4.1 General

On 23 August 2011, the liquidators advertised, in the London Gazette and the Times newspaper, a notice to creditors to submit claims ("the Notice") A copy of the Notice was also sent to all actual and potential creditors of which the liquidators were aware

The only creditor to submit a claim was Bank of Ireland which submitted a claim in the liquidation in the maximum value of £5,000,000. This claim was predicated on the breach of warranty obligations by FCF under the Share Warrant dated 8 July 2009 and the Deed of Warranty of the same date.

rcl/cr988 2

As the Share Warrant exercise period expired on 31 May 2013 and the liquidators are not aware of any breaches of warranty, they have written to Bank of Ireland requesting confirmation of the withdrawal of its claim. If Bank of Ireland does not withdraw its claim by 1 July 2013 the liquidators propose to formally reject the claim. Bank of Ireland will then have 21 days in which to appeal to Court to have the liquidators' decision on its claim reversed or varied

5 Taxation

5.1 VAT

FCF was removed from the DFS VAT group with effect from 9 June 2010 (the day prior to liquidation)

VAT totalling £594,580 72 on the deal fees relating to the SPA and KPMG's preliquidation advice for the period to 9 June 2010 was included in the DFS group VAT return for the quarter ended 31 July 2010 As the VAT group is subject to a partial exemption recovery rate of 92 92%, the amount repayable to FCF was £552,484 59 and this amount has been received during the first year of the liquidation. However, as previously reported, HM Revenue & Customs ("HMRC") subsequently raised an enquiry into the VAT refunded on the deal fees. DFS instructed their VAT advisers, KPMG, to advise on this matter and an appeal has been lodged. As an appeal has been lodged the liquidators arranged for £589,194 14 (made up of the £552,484 59 refund received during the liquidation period, £24,456 41 in respect of a VAT refund for a prior period, plus interest of £12,253 14) to be paid to HMRC from the liquidation estate pending the outcome of the appeal hearing.

The appeal has been stood over behind the BAA and MyTravel cases (the two leading appeals regarding VAT recovery on deal fees) until such time as that litigation is resolved. It is highly likely that BAA will appeal against the Court of Appeal's judgment and MyTravel is still awaiting a hearing at the Court of Appeal. As such, it could be some time before the litigation is finally settled

As it is unlikely that the VAT tribunal hearing will be held in the near future, the liquidators will consider distributing in-specie to FCF's shareholders the right to any VAT recoveries from HMRC However, prior to the distribution of this asset, FCF's shareholders will need to reach an agreement with DFS Furniture Company Limited regarding the payment of any further professional fees relating to the VAT appeal. In addition, the liquidators will also require confirmation from HMRC that it has no claim in the liquidation and has no objection to the liquidators proceeding to finalise the liquidation.

The liquidators have submitted an application form VAT 427 to reclaim the VAT on the costs of liquidation, subject to the partial exemption recovery rate of 92 92%. The irrecoverable VAT element is shown separately on the attached receipts and payments account. Once the VAT refund has been received the liquidators will seek the required confirmations from HMRC to enable them to proceed to finalise the liquidation.

rcl/cr988 3

5.2 Corporation tax

FCF had certain contingent liabilities that could have arisen if Delphi Properties Holdings Limited and Delphi Properties Limited left the FCF group within six years of the sale of certain properties by the Company The six year period has expired and the contingent liabilities have now all fallen away

During the year the liquidators received £1,688 69 in respect of an overpayment of income tax, plus interest in respect of the year to 9 June 2012 (see paragraph 2 2). The liquidators are arranging for a corporation tax return to be prepared and submitted for the period ended 9 June 2012. A final return will be prepared following the resolution of the Bank of Ireland claim issue (see paragraph 4.1). The final return will be submitted with a request for final tax clearance required to enable the liquidators to proceed to finalise the liquidation.

6 Shareholder distributions

No distributions were made to shareholders during the year

6.2 Further distribution

The liquidators will proceed to make a final distribution to shareholders following receipt of final VAT and Corporation Tax clearances (see paragraphs 5.1 and 5.2) and resolution of the Bank of Ireland claim issue (see paragraph 4.1) and the liquidators will proceed to finalise the liquidation at that time

If you would like to discuss any of the above in more detail, or require any further information, please contact Ray Levy on 020 7694 3201

Yours faithfully

All staff who have worked on this assignment, including cashiers and support and secreterial staff, have charged time directly to the assignment and are included in the analysis of time spent. The cost of staff employed in central administration functions is not charged directly to the assignment but is reflected in the general level of charge-out rates.
