INGENIOUS FILM PARTNERS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 30 JUNE 2017

The directors present their annual report along with the audited financial statements and auditor's report of Ingenious Film Partners Limited ("the Company") for the year ended 30 June 2017.

Principal activity

The Company is a wholly-owned subsidiary of Ingenious Media Limited, which is a wholly-owned subsidiary within the Ingenious Media Holdings Limited group ("the Group"). The Company is a corporate member of Ingenious Film Partners LLP ("the Partnership") which is an integrated film business. The directors are not aware of any likely major changes in the Company's activities in the next year.

The Group manages its operations on a divisional basis. For this reason, the Company's directors believe that key performance indicators for the Company are not necessary or appropriate for an understanding of its development, performance or position.

Due to the nature of the Company's investment in the Partnership, the Company is expecting to realise cumulative profits in future years.

Going concern

The Company's business activities including the impact of the First-tier Tax Tribunal (the "Tribunal") and Partner Payment Notices ("PPNs") (as further explained in notes 7 and 19), as well as the civil claims (refer to note 18), have been reviewed by the directors.

Having assessed these risks including those set out in the Directors' Report, its financial position, and profit and cash flow forecasts, the directors intend to continue operating its business. The going concern basis of accounting is appropriate and further details regarding the adoption of the going concern basis, including a material uncertainty related to going concern, can be found in note 1.

Further details regarding the adoption of the going concern basis, including a material uncertainty related to going concern, can be found in note 1.

Principal risk and uncertainties

The key business risks faced by the Company can be affected by a number of factors some of which may result from matters beyond the Company's control, such as conditions in the domestic and global financial markets and the wider economy. The financial risk and operational management policies are determined for the Group as a whole and are discussed in the Group's Annual Report and Financial Statements.

Financial risk

The Company is exposed to financial risk through its financial assets and liabilities. The Company has an investment in the Partnership which it reviews on a regular basis. All other balances are predominantly amounts owed by or owing to companies within the Group or are connected to the investment in the Partnership.

Liquidity risk

The Group operates a group-wide treasury management strategy to manage the liquidity requirements of the Group as a whole (including the Company) and is discussed in the Group's Annual Report and Financial Statements.

Business risk

Business risk is the failure of the business to execute its business strategy and therefore being unsuccessful in achieving projected returns. This includes changes to tax legislation or financial regulation. Please refer to note 7 for further details.

Directors' responsibilities statement

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INGENIOUS FILM PARTNERS LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF INGENIOUS FILM PARTNERS LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Ingenious Film Partners Limited (the "Company") which comprise:

- the Profit and Loss Account;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 19.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw the attention to the Note 1 in the financial statements, which indicates that the Company may be impacted by the outcome of the First Tier Tax Tribunal decision and required to make payments at a future date, the quantum of which is uncertain. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1 to the financial statements, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

Without qualifying our opinion, we draw the attention to the disclosures made in note 2 of the financial statements concerning the critical accounting judgment and key scope of estimation uncertainties that the directors have made in the process of determining tax liability of the Company and which have a significant effect on the amount recognised in the financial statements.

Although the First-tier tax tribunal released its decision on 2 August 2016 and further clarification was received in May 2017 from the judge, the ultimate outcome of this case remains uncertain and the provision recognised in the financial statements is the directors' best estimate of the amount required to settle the obligation at the reporting date based on the latest tribunal decision.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or

INGENIOUS FILM PARTNERS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. Accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the current and prior year.

1.1 General information and basis of preparation of financial instruments

The Company is incorporated in the England and Wales under the Companies Act 2006.

The Company is a private company limited by shares and is registered in England and Wales. The address of the registered office is given on the Company Information page.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 Section 1A, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 Section 1A, requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies.

The financial statements do not include a cash flow statement because the Company is a qualifying entity under FRS 102 for taking advantage of the exemption from preparing such a statement.

The functional currency of the Company is considered to be pound sterling which is the currency of the primary economic environment in which the Company operates.

1.2 Going concern

The Company's business activities including the impact of the First-tier Tax Tribunal and Partner Payment Notices (as further explained in notes 7 and 19), as well as the civil claims (refer to note 18), have been reviewed by the directors.

The Company incurred a net profit of £207k during the year ended 30 June 2017 and at that date, it had net current liabilities of £2,212k and net assets of £497k.

The directors have prepared cash flow forecasts for 12 months following approval of these financial statements assuming a range of operational transactions including HMRC's determination of the Partner Payment Notices. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern, and therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. The financial statements do not include adjustments that would result if the Company was unable to continue as a going concern.

Having assessed the risks facing the business as set out in the Directors' Report, its financial position and profit and cash flow forecasts, the directors believe that the Company is well placed to manage its business successfully on the basis that there is a reasonable prospect that the final quantum of the tax liability will be within the company's ability to discharge. Accordingly they continue to adopt the going concern basis of accounting in preparing the financial statements. See note 7 for further details relating to the First-tier Tax Tribunal

1.3 Turnover

Turnover represents the Company's entitlement to drawings from its investment in the Partnership and is recorded at the value of consideration due. Drawings are recognised on an accruals basis when the Company's right to consideration is secured in accordance with the terms of the Partnership's Members' Agreement.

INGENIOUS FILM PARTNERS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. Accounting policies (continued)

1.4 Cost of sales

Cost of sales represents direct costs attributable to turnover.

1.5 Fixed asset investments

The investment in the Partnership is stated at cost less any permanent diminution in value.

1.6 Trade loans

Trade loans are recorded at the full extent of their legal liability at the date that the loan agreement was signed, less any repayments made.

1.7 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at annual general meeting. Dividends on shares recognised as liabilities are recognised as an expense in the Profit and Loss Account.

1.8 Provisions for liabilities and charges

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

1.9 Taxation

Tax is recognised in the Profit and Loss Account, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current corporation tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

1.10 Disclosure exemptions

The Company is a qualifying entity under FRS 102 and it is taking advantage of some of the disclosure exemptions available to such entities in its financial statements. As such, the financial statements do not include a Cash Flow Statement, a note on the Financial Instruments and a Reconciliation of number of shares outstanding. Further details can be found in note 17 about the name of the immediate parent company of the Company and details of where the consolidated financial statements of that parent can be obtained.

INGENIOUS FILM PARTNERS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical accounting judgements in applying the accounting policies

The following are the critical judgements that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Tax liability

In estimating the potential tax liability relating to the First-tier Tax Tribunal (refer to note 7), the following key elements as set out in the Tribunal decision were taken into account in calculating the partnerships' revised profits or losses: treatment of the operator and executive producer fees, deductibility of contracted film cost, recognition of film income and the calculation of the film net realisable values. These reduce the income and expenditure recognised by the partnerships which reduces the losses available to be utilised by the Group. Aside from the estimated tax liability, there were no other key sources of estimation uncertainty in the Company.

Impairment of investments

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Financial assets

For year ended 30 June 2017 the Company did not recognise an impairment loss in relation to its financial assets (year ended 30 June 2016 - £nil). For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

In prior accounting periods the Company has received the benefit of tax losses associated with the Group's investment in a number of film and game production partnerships. The partnerships have challenged the basis on which the closure notices have been calculated, resulting in a hearing before the Tribunal. The initial decision of the Tribunal was delivered on 2 August 2016 and a second decision which clarified the findings of the first decision was delivered in May 2017 and an amended decision was received on 16 November 2017. The effect of the decisions is to reduce both the losses available to Group entities that invested in the film and game production partnerships and their share of taxable income from the partnerships.

INGENIOUS FILM PARTNERS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

7. Taxation (continued)

At the date of signing the financial statements the partnerships had received permission to appeal in full on 7 of the 8 grounds applied for and on some aspects of the remaining ground. The Upper Tribunal is still considering whether to grant permission to appeal on the remaining aspects of the only ground on which permission to appeal had not been granted in full by the Tribunal. The appeal hearing is scheduled to commence in March 2019. The quantum of both tax losses available to the Group and income taxable on Group entities arising from the Group's investment in these partnerships will remain uncertain until the tax cases are finally resolved. For the year ended 30 June 2017, the directors have estimated an additional tax liability for the Company of £56k (2016: liability of £1,879k) together with a liability for late paid interest of £46k (2016: liability of £216k) based on the current Tribunal decision. These figures are subject to any future court decisions. As at 30 June 2017, no payments have been made with regards to these amounts.

During November 2016, a number of companies, all subsidiaries of Ingenious Media Holdings Limited, as corporate members of film production partnerships received PPNs, which are demands for payments on account in respect of a tax liability in dispute, from HMRC. These corporate member companies (together the "Members") submitted written representations to HMRC within the authorised 90 day period. As a result of these representations, the PPNs were not due and payable until 30 days after the date on which HMRC responded to the representations and therefore have not been recognised as a liability at year end. HMRC reverted back on some of these and issued amended PPNs on 10 November 2017. These are non-adjusting post balance sheet events as explained in note 19.

18. Contingent liability

During the year ended 30 June 2016, the Company and some of its subsidiaries have received claims from two law firms - Stewarts Law LLP and Peters and Peters LLP, filed on behalf of a minority of investors (the "Claimants") in what are referred to as the Inside Track partnerships, the Ingenious Film Partnerships and Ingenious Games LLP (the "Production Partnerships") and some film sale and leaseback partnerships, all operated or managed by the Group and its related entities. The claimants are seeking compensation via a number of legal remedies from various parties, many of whom are unconnected to the Group and its related entities, involved in the Production Partnerships and sale and leaseback partnerships including from the Company. The basis for the claims related to the film sale and leaseback partnerships has not been articulated. Following legal consultation based on the information which has been provided in respect of the nature and basis of the claims so far and consideration of the current circumstances, the directors of the Company believe the claims are without merit and therefore no provision has been made in the financial statements. Currently, there are no reasonable grounds for calculating the potential liability in the unexpected event that the claims do succeed.

19. Events after balance sheet date

Having considered the representations, as explained in note 7, HMRC reverted back and issued amended PPNs, which are demands for payments on account in respect of a tax liability in dispute, on 10 November 2017 to some Members. As a consequence of the determination, on 13 December 2017, the Group notified HMRC of an intended claim for judicial review of the decision to uphold the PPNs and filed its claim with the court on 5 January 2018. HMRC has since agreed to postpone collection of amounts payable in respect of the PPN liability until the judicial review has been heard, and is considering whether to pursue collection of liabilities generated by the withdrawal of group relief prior to the judicial review hearing. If HMRC pursue collection of the liabilities generated by the withdrawal of group relief, an amount of £36k becomes collectable. If the PPN determination is upheld by the court, a payment of £7,651k becomes collectable. When determining the best estimate of the ultimate cash outflows, the directors have considered the effect of the notices received but believe that the best estimate of ultimate cash outflows should still be based on the latest decision delivered by the First-tier Tax Tribunal. As at 30 June 2017, the Company did not have an obligation to make payment in respect of the notices and the determinations subsequently received do not represent an adjusting event.

On 23 October 2017, the Company was informed of potential claims from Mischon de Reya, filed on behalf of a minority of investors in Inside Track 1 LLP, Inside Track 2 LLP, Inside Track 3 LLP, Ingenious Film Partners LLP and Ingenious Film Partners 2 LLP, all operated by the Group and its related entities. These investors are seeking compensation via a number of legal remedies from various parties involved in these partnerships, including from the Company. Following legal consultation based on the information which has been provided in respect of the nature and basis of the potential claims so far and consideration of the current circumstances, the directors of the Company believe the potential claims are without merit and unlikely to succeed and therefore no provision has been made in the financial statements. Currently, there are no reasonable grounds for calculating the potential liability in the unexpected event that any claims do succeed.
