## **Directors' Report**

### **Year ended 31 December 2022**

The directors present their report and the financial statements of the group for the year ended 31 December 2022.

#### **Principal activities and business review**

The principal activity of the company is that of a holding company with a single subsidiary, Coventry Education Partnership Limited.

The principal activity of the group is the provision of operational and maintenance services for the Caludon Castle School in Coventry, in accordance with a Project Agreement entered into with Coventry City Council.

The school became operational in July 2007. The group is currently running the operation and maintenance services for the period to 31 December 2034, providing a full range of facilities management services under a contractual agreement that provides a regular income stream, which is subject to deductions for service shortfalls and the unavailability of the facility.

The result for the group for the year is shown in the Consolidated Profit and Loss Account and Statement of Comprehensive Income on page 8.

#### **Directors**

The directors who served the company during the year were as follows:

A Naafs  
G Shopov

#### **Dividends paid and payable**

The directors approved and paid dividends of £nil (2021: £nil) during the year. No dividends were declared post year-end.

#### **Future developments**

The updated forecast for the project confirms that it is performing satisfactorily and management of the scheme both logistically and financially remains under control. The directors remain confident that the group will maintain the current level of performance and keep meeting the obligations under the contract.

#### **Donations**

The group and company made no political donations during the year (2021: £nil).

## Directors' Report *(continued)*

Year ended 31 December 2022

### Disclosure of information to the auditor

In the case of each director in office at the date the Directors' Report is approved:

- so far as the director is aware, there is no relevant audit information of which the group's auditor is unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the group's auditor is aware of that information.

### Independent auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Johnston Carmichael LLP will therefore continue in office.

### Going concern

The directors have reviewed the group's projected cash flows by reference to a financial model covering accounting periods up to 31 December 2034. The directors have also examined the current status of the group's principal contracts and likely developments for a period of at least twelve months from the date of approval of the financial statements. Having reviewed the available information, the directors consider that the group and company will be able to meet its financial obligations on the due dates for at least 12 months from the date of approval of the financial statements.

### Small company exemption

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006. The directors have taken advantage of the small companies exemptions provided by Sections 415A and 415B of the Companies Act 2006, which includes those in relation to the exemption from certain requirements of the Directors' report and the available exemption to not prepare a Strategic report.

## Directors' Responsibilities Statement

Year ended 31 December 2022

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the group and company financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and company and of the profit or loss of the group and company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are also responsible for safeguarding the assets of the group and company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group and company's transactions and disclose with reasonable accuracy at any time the financial position of the group and company and enable them to ensure that the financial statements comply with the Companies Act 2006.

## **Independent Auditor's Report to the Members of Coventry Education Partnership Holdings Limited**

**Year ended 31 December 2022**

### **Opinion**

We have audited the financial statements of Coventry Education Partnership Holdings Limited (the 'parent company') and its subsidiary (the 'group') for the year ended 31 December 2022 which comprise the Consolidated Profit and Loss Account and Statement of Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement, and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice). In our opinion the financial statements:

- Give a true and fair view of the state of the group's and of the parent company's affairs as at 31 December 2022, and of its profit for the year then ended;
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- Have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

# **Coventry Education Partnership Holdings Limited**

## **Independent Auditor's Report to the Members of Coventry Education Partnership Holdings Limited (continued)**

**Year ended 31 December 2022**

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- The information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- The Directors' Report has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the group and the parent company and their environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- Adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- The parent company financial statements are not in agreement with the accounting records and returns; or
- Certain disclosures of directors' remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit; or
- The directors' were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

### **Responsibilities of directors**

As explained more fully in the Directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Directors are responsible for assessing the group's and parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the group or parent company or to cease operations, or have no realistic alternative but to do so.

# **Coventry Education Partnership Holdings Limited**

## **Independent Auditor's Report to the Members of Coventry Education Partnership Holdings Limited (continued)**

**Year ended 31 December 2022**

### **Auditor responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### *Extent the audit was considered capable of detecting irregularities, including fraud*

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We assessed whether the engagement team collectively had the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations by considering their experience, past performance and support available.

All engagement team members were briefed on relevant identified laws and regulations and potential fraud risks at the planning stage of the audit. Engagement team members were reminded to remain alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the group and the parent company and the sector in which it operates, focusing on those provisions that had a direct effect on the determination of material amounts and disclosures in the financial statements. The most relevant frameworks we identified include:

- Companies Act 2006;
- UK Corporation taxes legislation; and
- UK Generally Accepted Accounting Practice.

We gained an understanding of how the group and the parent company are complying with these laws and regulations by making enquiries of management and those charged with governance. We corroborated these enquiries through our review of relevant correspondence with regulatory bodies and board meeting minutes.

We assessed the susceptibility of the group's financial statements to material misstatement, including how fraud might occur, by meeting with management and those charged with governance to understand where it was considered there was susceptibility to fraud. This evaluation also considered how management and those charged with governance were remunerated and whether this provided an incentive for fraudulent activity. We considered the overall control environment and how management and those charged with governance oversee the implementation and operation of controls. We identified a heightened fraud risk in relation to:

- Management override of controls;
- Revenue recognition

# Coventry Education Partnership Holdings Limited

## Independent Auditor's Report to the Members of Coventry Education Partnership Holdings Limited *(continued)*

Year ended 31 December 2022

*Extent the audit was considered capable of detecting irregularities, including fraud (continued)*

In addition to the above, the following procedures were performed to provide reasonable assurance that the financial statements were free of material fraud or error:

- Reviewing minutes of meetings of those charged with governance for reference to: breaches of laws and regulation or for any indication of any potential litigation and claims; and events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud;
- Reviewing the level of and reasoning behind the parent company and group's procurement of legal and professional services
- Performing audit work procedures over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing judgements made by management in their calculation of accounting estimates for potential management bias;
- Completion of appropriate checklists and use of our experience to assess the parent company's and group's compliance with the Companies Act 2006; and
- Agreement of the financial statement disclosures to supporting documentation.

Our audit procedures were designed to respond to the risk of material misstatements in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve intentional concealment, forgery, collusion, omission or misrepresentation. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it.

### Use of our report

This report is made solely to the parent company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the parent company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the parent company and the parent company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the Financial Statements

Year ended 31 December 2022

### 1. General information

Coventry Education Partnership Holdings Limited is a private company limited by shares incorporated in the United Kingdom which is registered and domiciled in the United Kingdom at Part First Floor, 1 Grenfell Road, Maidenhead, Berkshire, SL6 1HN. The principal activity of the company is that of a holding company with a single subsidiary, Coventry Education Partnership Limited.

### 2. Statement of compliance

These financial statements were prepared in accordance with Section 1A of the Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") and the Companies Act 2006. The presentation currency of these financial statements is Pound Sterling and is rounded to the nearest thousand.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

### 3. Summary of significant accounting policies

#### Measurement convention

The financial statements were prepared on the historical cost convention except that the following assets and liabilities are stated at their fair value: derivative financial instruments.

#### Going concern

The directors have reviewed the cash flow forecast and taking into account reasonable possible changes in operations, believe that the group and company will be able to settle liabilities as they fall due for payment for the foreseeable future and therefore consider that it is appropriate to prepare these financial statements on a going concern basis.

#### Exemptions for qualifying entities under FRS 102

The company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemption available under FRS 102 in respect of the following disclosures:

- Cash Flow Statement and related notes.
- Basic Financial Instruments and Other Financial Instrument Issues.

#### Critical accounting estimates and judgements

The preparation of financial statements in conformity with FRS 102 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based upon historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily available from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods. Certain critical accounting estimates in applying the group's accounting policies are described below:

# Coventry Education Partnership Holdings Limited

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

### 3. Summary of significant accounting policies *(continued)*

#### Critical accounting estimates and judgements *(continued)*

Accounting for the service concession requires an estimation of service margins which is based on the forecasted results of the PFI contract. Quarterly management accounts are produced, which compare actual performance with a detailed financial model. Variances are investigated and consideration given to the impact of any major variances. The financial model is updated on a six-monthly basis, to reflect actual performance to date and accommodate any changes in economic assumptions such as, RPI and the UK corporation tax rate. These processes ensure that the project remains robust and viable throughout the life of the contract.

Interest payable on the senior secured funding is calculated using the effective interest rate method. The effective interest rate calculations are based on a Compounded Reference Rate (SONIA), under the terms of the funding agreements. The transition from LIBOR to SONIA was approved by the lender on 10 January 2022 and subsequently approved by the Board on 12 January 2022.

#### Basis of consolidation

The group financial statements consolidate the financial statements of the company and its subsidiary undertaking, Coventry Education Partnership Limited. The acquisition method of accounting has been adopted. The company has taken advantage of section 408 of the Companies Act 2006 not to publish its own Profit and Loss Account.

#### Turnover

Turnover represents the value of services rendered, excluding sales related taxes, and is recognised to the extent that the group obtains the right to consideration in exchange for its performance. During the operational phase, turnover is recognised as contract activity progresses at a mark-up on costs related to the provision of services. In line with FRS 102 23.22(a), the mark-up is calculated based upon the forecast service revenues and costs over the concession period.

#### Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the Profit and Loss Account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is recognised on trading losses carried forward and on the fair value movement of the swap derivative.

# Coventry Education Partnership Holdings Limited

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

### 3. Summary of significant accounting policies *(continued)*

#### **Taxation** *(continued)*

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

#### **Investments**

Investments in subsidiary undertakings are stated at cost, less an appropriate provision to reflect any impairment in the value of the investments.

#### **Financial instruments**

##### *Trade and other debtors / creditors*

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest rate method, less any impairment losses in the case of trade debtors.

##### *Interest-bearing borrowings classified as basic financial instruments*

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest rate method, less any impairment losses.

##### *Cash and cash equivalents*

Cash and cash equivalents comprise cash balances and treasury deposits.

#### **Other financial instruments**

##### *Financial instruments not considered to be basic financial instruments (other financial instruments)*

Other financial instruments not meeting the definition of Basic Financial Instruments are recognised initially at fair value. Subsequent to initial recognition other financial instruments are measured at fair value with changes recognised in profit or loss except as follows:

- hedging instruments in a designated hedging relationship shall be recognised as set out below.

# Coventry Education Partnership Holdings Limited

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

### 3. Summary of significant accounting policies *(continued)*

#### **Derivative financial instruments and hedging**

Derivative financial instruments are recognised at fair value. The gain or loss on remeasurement to fair value is recognised immediately in profit or loss. However, where derivatives qualify for hedge accounting, recognition of any resultant gain or loss depends on the nature of the item being hedged (see below).

##### *Cash flow hedges*

The group has entered into an interest rate swap and designated these as hedges for highly probable forecast transaction. The effective part of any gain or loss on the derivative financial instrument is recognised directly in other comprehensive income. Any ineffective portion of the hedge is recognised immediately in profit or loss. When a hedging instrument expires or is sold, terminated or exercised, or the entity discontinues designation of the hedge relationship but the hedged forecast transaction is still expected to occur, the cumulative gain or loss at that point remains in equity and is recognised in accordance with the above policy when the transaction occurs. If the hedged transaction is no longer expected to take place, the cumulative unrealised gain or loss recognised in equity is recognised in the Profit and Loss Account immediately.

The transition from LIBOR to SONIA was approved by the lender on 10 January 2022 and subsequently approved by the Board on 12 January 2022.

#### **Finance debtor**

The group is an operator of a PFI contract. The underlying asset is not deemed to be an asset of the group under FRS 102 section 34.12C, because the risks and rewards of ownership as set out in that Standard are deemed to lie principally with the Authority.

During the construction phase of the project, all attributable expenditure was included in amounts recoverable on contracts and turnover. Upon becoming operational, the costs were transferred to the finance debtor. During the operational phase, income is allocated between interest receivable and the finance debtor using an asset specific interest rate. The remainder of the PFI unitary charge income is included within turnover in accordance with FRS 102 section 23.22(a). The company recognises income in respect of the services provided as it fulfils its contractual obligations in respect of those services and in line with the fair value of the consideration receivable in respect of those services.

#### **Interest payable**

Interest payable and similar expenses include interest payable on borrowings and associated on-going financing fees. Interest payable is recognised in the Profit and Loss Account, using the effective interest rate method.

#### **Interest receivable**

Interest receivable and similar income include interest receivable on funds invested and interest recognised on the finance debtor based upon the finance debtor accounting policy above.

#### 12. Restricted cash *(continued)*

The group is a party to a 30-year PFI agreement entered into on 7th December 2004. In order to fulfil its obligations under the PFI agreement the group has granted a long term without recourse contract to a specialist FM Contracting provider. The group is obligated to keep a separate cash reserve in respect of future lifecycle costs. This restricted cash balance amounts to £1,350,000 at the year-end (2021: £1,233,000). Included in this balance is an amount of deferred lifecycle costs of £900,000 at year-end (2021: £707,000). The liability to the subcontractor is recognised within the financial model, which includes all of the forecast revenues and costs for the project, but it is not currently accrued in the accounts. It will be recognised in the accounts of the period when the works are completed.

#### 14. Creditors: amounts falling due after more than one year *(continued)*

Borrowings relate to senior secured funding granted by a consortium of banks led by Sumitomo Mitsui Banking Corporation Europe Limited. The senior facilities are for a total value of £20,450,000.

The senior loan facilities consist of three separate facilities; a change in law facility of £700,000 which has not yet been drawn down, a debt service facility of £1,050,000 which has not yet been drawn down and a term loan facility of £18,700,000 which is repayable in 53 six-monthly instalments. As at 31 December 2022, the term loan of £7,782,000 (2021: £8,505,000) includes an outstanding loan facility of £7,773,000 (2021: £8,505,000) and an effective interest rate adjustment of £(126,000) (2021: £(127,000)) in relation to the term loan facility. Interest is based on a Compounded Reference Rate (SONIA). At the year-end, interest payable on the term loan facility was £41,000 (2021: £24,000).

The senior loan facility is secured by a fixed charge over all leasehold interests, book debts, project accounts and intellectual property of the group and by a floating charge over the group's undertakings and assets.

The group has entered into an interest rate swap agreement under the bank loan in order to fix the base interest rate (SONIA) at 4.97% on the facilities to 2033. At the year-end, interest payable on the swap facilities was £94,000 (2021: £103,000).

Subordinated debt of £2,545,000 (2021: £2,399,000) includes an unsecured loan facility of £2,270,000 (2021: £2,270,000) due to BBGI Investments S.C.A., and an effective interest rate adjustment of £61,000 (2021: £58,000) in relation to the subordinated loan facility. The subordinated loan facility bears interest at a fixed rate of 12.5% and is fully repayable by 2034. At the year-end, interest payable on the subordinated loan facility was £214,000 (2021: £71,000).

#### 15. Deferred tax
