These subsidies are paid in advance on a six monthly basis, based on the National Federation year end of 30th June. Also included in income are any monies towards sponsorship of the annual general meeting costs. Sponsorship monies are recognised upon receipt.

Tangible fixed assets

Nautical routes project expenses

This is a co-funded Coastal Community Fund project. The initial work was gathering base data from marinas / harbours, which incurred no direct financial outlay at that point. In the year to 30/06/2020 the Board commenced the delivery phase, which began to incur costs but the project was put on hold due to the pandemic. In order to help deliver this project effectively, expenditure in the year to 30/06/20 was kept to a minimum thereby increasing reserves to ensure that adequate financial resources were available in the future once COVID-19 restrictions were lifted.
