STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITOR

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditor is unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

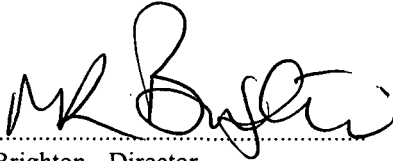

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST DECEMBER 2013**

AUDITOR

The auditor, Mazars LLP, will be proposed for re-appointment in accordance with Section 487(2) of the Companies Act 2006.

In preparing this report the directors have taken advantage of some of the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2013**

1. ACCOUNTING POLICIES

Basis of preparation

The ultimate parent company, Cegedim S.A., has indicated its willingness to provide sufficient funds to enable the company to meet its liabilities as they fall due for the foreseeable future and consequently the financial statements are prepared on a going concern basis, which the directors consider appropriate.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Preparation of consolidated financial statements

As the company is a wholly owned subsidiary of Cegedim SA, which publishes publicly available consolidated financial statements in which it is included, it is not required to prepare consolidated financial statements. These accounts present information about the company on an individual basis.

The company has taken advantage of the exemption contained in FRS1 from preparing a cash flow statement as it is ultimately owned by Cegedim SA which prepares consolidated accounts which are publicly available.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on a non - discounted basis at the average tax rates that are expected to apply in the period in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted at the balance sheet date.

Foreign currencies

Transactions denominated in foreign currencies are recorded in sterling at the exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are reported at the rates of exchange prevailing at the year end. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is reported in the profit and loss account.

Investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value.
