Structure, governance and management

Governing instrument

The charity is a company limited by guarantee and incorporated on 15 September 2004. The company is established under a Memorandum of Association, which established the objects and powers of the company and is governed under its Articles of Association.

Annual reports and accounts are submitted to the Charity Commissioners and Companies House following formal approval by the trustees.

Organisation and structure

The overall day to day management of the charity is carried out by the trustees who are also responsible for significant decisions of a long term operational nature.

Trustee induction and training

Potential trustees are identified by the existing board of trustees and approached if a majority believes that their appointment would be of benefit to the charity. New trustees are able to consult the existing trustees and are encouraged to attend all meetings and events and may do so prior to formal appointment. New trustees are made aware of their responsibilities under the constitution and charity law prior to their formal appointment.

Governance and internal control

The board of the trustees (who are the directors) meets regularly.

The trustees have implemented a formal risk management process to assess business risk and implement risk management strategies. This involves identifying the types of risk the charity faces, prioritising them in terms of potential impact and the likelihood of occurrence, and identifying means of mitigating the risks. As part of this process the trustees have reviewed the adequacy of the charity's current internal controls. The trustees are pleased to report that the charity's internal controls, in particular, conform with guidelines issued by the Charity Commission.

**CHINA OXFORD SCHOLARSHIP FUND
REPORT OF THE TRUSTEES**

FOR THE YEAR ENDED 30 SEPTEMBER 2017

Structure, governance and management (continued)

Risk review	<p>The trustees have conducted their own review of the major risks to which the charity is exposed and systems have been implemented to mitigate those risks. It is not thought that there are significant external risks to funding due to the nature of the charity's activities.</p> <p>Internal risks are minimised by the implementation of internal control procedures for the authorisation of transactions and projects. These procedures are reviewed periodically to ensure they still meet the needs of the charity.</p>
-------------	---

Objectives and activities

Main objectives	<p>The object of the charity is the advancement of the education of persons ordinarily resident in Greater China who are or will be attending courses at the University of Oxford. The charity continued its development work during the year, laying the foundations for the provision of future scholarships.</p>
Volunteers	<p>The charity benefits from significant voluntarily donated time.</p>
Review of activities and future developments	<p>This was the tenth year of operation for the charity, and in that time it continued to accumulate sufficient reserves to form a firm foundation for future planned activity. Activity levels are consistent with prior years and the trustees believe that 2017 will continue to see the charity work towards achieving its objectives.</p>
Third party indemnity insurance	<p>Qualifying third party indemnity provision is in place for the benefit of all trustees of the charitable company.</p>

Achievements and performance

Main achievements and performance summary	<p>The intention of the charity is the provision of scholarships to persons ordinarily resident in Greater China, who are or will be attending courses at the University of Oxford. This process is expected to continue to develop in the forthcoming year with the granting of further scholarships and assistance and is dependent upon a rolling programme of fundraising activities.</p>

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 30 SEPTEMBER 2017

Financial review (continued)

Results

Details of the financial position of the charity are set out in the following accounts, which have been prepared in accordance with Statement of Recommended Practice (2005).

The net incoming resources for the year amounted to £53,171 and the net assets amounted to £1,364,044 at the year end.

Reserves

The designation between restricted funds and unrestricted funds is explained in the accounting policies on page 10.

It is the policy of the trustees to maintain unrestricted funds at a level where the charity can meet its day to day expenditure without any difficulty. As the charity is in its early stages, working capital requirements are difficult to forecast as future activity levels are not known. However, the current reserve levels are considered to be adequate for immediate use and to act as a platform for expansion.

Investment policy

The charity's investments are held in accordance with the trustees' powers. The trustees have given the managers discretion to manage the investments and consider the returns made to be satisfactory bearing in mind the economic factors of the past year.

This report has been prepared in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities and in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and the Financial Reporting Standard for Smaller Entities (effective April 2008).

On behalf of the board of Trustees

CHINA OXFORD SCHOLARSHIP FUND
STATEMENT OF THE TRUSTEES' RESPONSIBILITIES

The trustees (who are also directors of China Oxford Scholarship Fund) for the purposes of company law are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHINA OXFORD SCHOLARSHIP FUND

Independent Examiner's Report to the Trustees of China Oxford Scholarship Fund

I report to the charity trustees on my examination of the accounts of the company for the year ended 30 September 2017 which are set out on pages 7 to 13.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
