STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

Introduction

The directors present their Strategic Report together with the audited financial statements for the year ended 31 December 2020.

Results and dividends

The Statement of Comprehensive Income is set out on page 11 and shows the results for the year.

The directors do not recommend the payment of a dividend for the year (2019: £Nil).

Review of business

During the course of the year the Company has acted as operator of unregulated collective investment schemes.

At the year end the Company had shareholders' funds of £320,370 (2019: £293,207)

	2020	2019
	£	£
Operating profit	31,925	16,081
Return on capital employed	10%	5%

The directors have assessed the main risk facing the Company as being the ability to expand the business to generate revenue through the provision of other services.

The directors have reviewed the activities of the business for the year and the position as at 31 December 2020 and consider them to be satisfactory.

Financial key performance indicators

Once the business is fully established, the directors will measure the Company's progress against its strategic objectives. The Company's operating plan can then be adjusted to assist the directors to achieve the Company's strategic objectives. Until then, the key performance indicators (KPIs) are not relevant.

Future developments

The directors are actively exploring new opportunities for the Company to be a part of.

STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

Directors' statement of compliance with duty to promote the success of the Company

The Directors understand and are confident of their compliance with the matters set out in section 172(1) of the Companies Act 2006. In this regard they are happy that they act in a way they consider, in good faith, to be most likely to promote the success of the Company for the benefit of its members as a whole.

This statement focuses on matters that are relevant and appropriate to the Company, and the level of information disclosed is consistent with the size and the complexity of the business.

Shareholders

The immediate parent company is Mira Holdings UK Limited, a wholly owned subsidiary of the David Toplas Settlement.

When making decisions, each Director ensures they act in a way they consider to be in good faith and to promote the Company's success. The Directors have regular contact and board meetings which ensures the Company's business strategy is well-aligned with the strategic objectives of the shareholders.

Suppliers

The board is committed to building trusted partnerships with our suppliers, which are crucial to delivering many of our commitments. The company maintains various key supplier relationships to ensures the smooth running of our business.

Employees

The only employees of this Company are the directors..

Community and the environment

The Company operates with a positive attitude to supporting and contributing to a wider society and have a positive environmental impact.

This report was approved by the board and signed on its behalf.

D H S Toplas **Director**

Date: 27 April 2021

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

The directors present their report and the financial statements for the year ended 31 December 2020.

Principal activity

The principal activity of Mill Finance Limited ("the Company") is the operator of an unregulated collective investment schemes. The Company is authorised and regulated by the Financial Conduct Authority and is a BIPRU €50k limited licence firm.

Directors

The directors who served during the year were:

D H S Toplas R C K Robinson S T C Webber

Directors' responsibilities statement

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements and other information included in Directors' Reports may differ from legislation in other jurisdictions.

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

Results and dividends

The profit for the year, after taxation, amounted to £31,925 (2019 - £16,081).

The directors did not recommend a dividend for the period (2019: £Nil).

Principal risks and uncertainties

The Company is exposed to liquidity risk, credit risk and interest rate risk. However, as there are no external borrowings, these risks are not considered material. The Company's principal financial assets are cash and receivables from its parent entity. Therefore, the company's credit risk is primarily attributable to this receivable. A provision has been made in these accounts against the possibility that the full amount of trade debtors is not collectible.

The Board receives cash flow projections as well as information regarding cash balances and net current assets on a quarterly basis. At the end of the financial year, these projections indicated that the company expected to have sufficient liquid resources to meet its obligations under all reasonably expected circumstances, taking into account the anticipated receipt of a Bounce Back loan of £50,000 that will be applied for before 31 March 2021.

Future developments

Information on likely future developments in the business of the company have been included in the strategic report on page 1.

Disclosure of information to auditors

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Post balance sheet events

There have been no significant events affecting the Company since year end.

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2020

Auditors

Under section 487(2) of the Companies Act 2006, Berg Kaprow Lewis LLP will be deemed to have been reappointed as auditors 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing the accounts with the registrar, whichever is earlier.

This report was approved by the board and signed on its behalf.

D H S Toplas

Director

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILL FINANCE LIMITED

Opinion

We have audited the financial statements of Mill Finance Limited (the 'Company') for the year ended 31 December 2020, which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Cash Flows, the Statement of Changes in Equity and the related notes on pages 12 to 19, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILL FINANCE LIMITED (CONTINUED)

Other information

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILL FINANCE LIMITED (CONTINUED)

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILL FINANCE LIMITED (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiring of management around actual and potential litigation and claims;
- · Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risks of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater, regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ldentify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILL FINANCE LIMITED (CONTINUED)

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILL FINANCE LIMITED (CONTINUED)

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. General information

The principal activity of Mill Finance Limited ("the Company") is the operator of an unregulated collective investment scheme. The Company is authorised and regulated by the Financial Conduct Authority and is a BIPRU €50k Limited Licence Firm.

The Company is a private company limited by shares and is incorporated in England and Wales.

The Registered Office address is 35 Ballards Lane, London, N3 1XW.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Going concern

The directors have considered the impact of the current coronavirus pandemic, and do not believe

that it will unduly affect the operations of the company.

The company has received confirmation of the continued support of the David Toplas Settlement Trust.

The financial statements have therefore been prepared on the going concern basis, which assumes

that the company will continue to trade for the forseeable future, being a period of at least twelve

months from the date of approval of these financial statements, and will be able to meet its debts as

they fall due.

2.3 Turnover

Turnover represents amounts recievable by the Company for operating a collective investment scheme.

Turnover also represents recharges to related companies for costs incurred.

Turnover is recognised to the extent that it is probable that the economic benefits will flow to the company and the turnover can be reliably measured.

Turnover is being measured at the fair value at the consideration recieved or recievable, excluding discounts, rebates, value added tax and other sales taxes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

2. Accounting policies (continued)

2.4 Taxation

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

2.5 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the Company's cash management.

2.6 Provisions for liabilities

Provisions are made where an event has taken place that gives the Company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to profit or loss in the year that the Company becomes aware of the obligation, and are measured at the best estimate at the Statement of Financial Position date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the Statement of Financial Position.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

2. Accounting policies (continued)

2.7 Financial instruments

The Company only enters into basic financial instruments and transactions that result in the recognition of financial assets and liabilities like trade debtors and creditors and amounts owed by and to group undertakings.

(i) Financial assets

Basic financial assets, including trade debtors, and amounts due from group undertakings, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the Statement of Comprehensive Income.

(ii) Financial liabilities

Basic financial liabilities, including trade creditors and accruals, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade creditors are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iii) Offsetting

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of the estimation means that actual outcomes could differ from those estimates.

No judgements (apart from those involving estimates) have been made in the process of applying the above accounting policies.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

4. Turnover

The whole of the turnover is attributable to the Company's principal activity.

All turnover arose within the United Kingdom.

5. Other operating income

	2020	2019

8. Taxation (continued)

Factors affecting tax charge for the year

The tax assessed for the year is the same as (2019 - lower than) the standard rate of corporation tax in the UK of 19% (2019 - 19%). The differences are explained below:

	2020 £	2019 £
Profit on ordinary activities before tax	<u>25,925</u>	16,081
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19% (2019 - 19%) Effects of:	4,926	3,055
Group relief	(4,926)	(3,055)
Total tax charge for the year		

Factors that may affect future tax charges

There were no factors that may affect future tax charges.

9. Debtors

	2020	2019
	£	£
Trade debtors	4,800	39,233
Amounts owed by group undertakings	291,741	298,016

	8,910	22,068

11. Provisions

	Lease commitment
	£
At 1 January 2020	52,128
Utilised in year	(52,128)
At 31 December 2020	

In the prior year provisions were recognised in respect of onerous contracts which related to operating leases which the company was party to. The obligations under these leases have now been satisfied, and the provision has been utilisied in full during the year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

12. Share capital

2020 2019 **£** £

Allotted, called up and fully paid

300,000 (2019 - 300,000) Ordinary shares of £1.00 each

300,000 300,000

13. Commitments under operating leases

At 31 December 2020 the Company had future minimum lease payments due under non-cancellable operating leases for each of the following periods:

	2020 £	2019 £
Not later than 1 year	•	52,128
		52,128

14. Related party transactions

During the year, the company had transactions in the ordinary course of business and on an arms length basis with companies which are related parties by virtue of being under the common control of the ultimate controlling party or under common directorship at the year end.

The directors' remuneration in the current and previous year, has been borne by Mill Funds Limited (the service cost company), and recharged to Mill Finance Limited. The total recharge costs for the year was £11,400 (2019: £12,000).

During the year, the Company earned fees from related parties of £73,586 (2019: £95,997).

During the year, the Company did not earn any fees from companies with a common director (2019: £16,311). At the year end a balance of £28,800 (2019: £28,800) remained due from a company with a common director, a bad debt provision of £24,000 has been provided for in relation to this balance.

During the year, the Company paid advisory fees of £26,563 (2019: £64,838) to a company with a common director.

At the year end, the Company had a balance of £291,741 (2019: £298,016) due from related parties. .

At the year end, the Company had a balance of £Nil (2019: £6,000) due to a related party. This amount was written off during the year as part of the group reorganisation to streamline the groups intercompany balances.

Consolidated group accounts are publicly available at 35 Ballards Lane, London, N3 1XW.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

16. Financial instruments and Pillar 3 disclosures

Financial instruments and Pillar 3 disclosures

Introduction

The nature of the firm's business means that it fails within the scope of the Basel II Accord ("Basel II"), implemented through the EU Capital Adequacy and Banking Consolidation Directives. Together these require the firm to make certain disclosures under "Pillar 3" of the capital framework implemented by Basel II. Pillar 3 complements the existing pillars: minimum capital requirements (Pillar 1) and the supervisory review process (Pillar 2). Its aim is to encourage market discipline by developing a set of disclosure requirements which will allow market participants to assess key pieces of information on a firm's capital, risk exposures and risk assessment processes.

The firm intends to make the disclosures annually in its annual report. All the disclosures made herein are of the position at 31 December 2020, and are disclosed on an individual, standalone basis for the company. The firm will not disclose items judged by the directors to be immaterial. Information is considered to be material if its omission or misstatement could change or influence the assessment or decision of a user relying on it to make economic decisions.

As a limited licence firm, there are no statements made under Pillar 3 that are equivalent to disclosures required to be made by accounting standards to which the firm is subject. Therefore none of the statements made are subject to audit.

Financial risk management objectives and policies

The objective of financial risk management is to plan, organise and perform sufficient actions to provide reasonable assurance that the firm's overall objectives and goals will be met; and to limit the risk of adverse events occurring to a level that is acceptable to the directors.

The firm identifies and manages its key financial risks by means of a risk management policy that is appropriate to its size while preserving its effectiveness. Key parts of the policy to manage financial risk, including operational risk, are;

- · regular management meetings;
- · regular management information;
- · regular compliance monitoring; and
- annual risk assessments as part of the firm's ICAAP process.

The firm does not hedge any of its financial risks.

Exposure to credit risk

The firm does not generally extend credit to its clients or counterparties, although exposure does arise when performance fees or commissions become payable. Adherence to agreed credit terms is monitored closely by senior management and regulatory capital is maintained to cover assessed risk of default. The firm's credit exposures are set out in note 9 to the financial statements. The firm also maintains an exposure in connection with funds held on current and deposit accounts with its bankers.

Exposure to price risk

The firm does not take positions itself and hence does not expose itself to price risk.

Exposure to liquidity risk

The firm assesses its exposure to liquidity risk as part of its ICAAP process and the implementation of its Liquidity. Risk Management Framework and maintains regulatory capital to cover the assessed risk of adverse changes in the value of the firm's assets, including its illiquid assets.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

Exposure to cash flow risk

The firm seeks to maintain at all times sufficient funds in readily accessible accounts with its bankers to meet its liabilities when they fail due. Details of the balances are given in the statement of financial position on page 11. In addition, in accordance with the FCA rules the firm maintains capital equivalent to £45,000 (Its 'base capital requirement'). The relevant figure to be maintained is kept under regular review.

Capital resources

The firm's capital resources are comprised only of core tier one capital, specifically permanent equity share capital and audited retained earnings.

The firm's tier one capital and deductions made there from in accordance with the FCA's rules at 31 December 2020 are summarised as follows:

	£'000
Permanent equity capital	300
Audited retained earnings	19
Deductions	
Tier one capital	319
Base capital requirement	<u>(45)</u>
Surplus of own funds	274

Compliance with BIPRU 3,4,6,7 and 10

As a limited licence firm, the firm is required to hold minimum capital computed as the higher of

- (i) its base capital requirement; or
- (ii) its fixed overhead requirement; and
- (iii) the sum of its credit risk and market risk requirements.

There is no requirement for the firm to hold any capital in respect of operational risk. However the firm reviews the adequacy of its internal capital, taking into account its capital resources requirements and its current and future activities, at least annually and determines whether it is prudent to hold capital in excess of its capital resources requirements in respect of certain risks.

The firm employs the standardised approach to credit risk. Its credit risk requirement is computed in part by reference to 8% of the risk weighted exposure amounts for each of the standard exposure classes set out in BIPRU 3.2.9 R of the FCA handbook. The relevant amount as at 31 December 2020 is £24,000.

The firm has no trading book. It therefore has no minimum capital requirements in respect of trading book business.

The firm has no foreign currency exposure. It therefore has no minimum capital requirements in respect of foreign currency exposure.

The firm has no positions in commodities and therefore no commodity position risk requirement.

Compliance with BIPRU 3,4,6,7 and 10

As a limited licence firm there is no requirement for the firm to maintain an operational risk capital requirement.

The firm has neither retail nor equity exposures that require any allocation of capital.

The firm does not engage in any derivative trading or otherwise take positions in derivative instruments. It therefore has no counterparty risk in relation to such transactions.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

Credit risk and dilution risk

The directors consider, for accounting purposes, an exposure to be "past due" when a counterparty has failed to make a payment when contractually due. The directors consider an exposure to be "impaired" when it becomes likely that the exposure will realise less than its book value. The directors review all receivables for impairment on a regular basis and make provisions where they consider it appropriate.

At 31 December 2020 there was an amount of £6,000 which was considered by the directors to be impaired and accordingly a provision for the impairment has been included.

Risk weighted exposure amounts in accordance with the standardised approach

The firm employs the simplified method of assessing risk weighted exposure amounts and does not employ ratings agencies in connection with this exercise. The firm's only exposure is in respect of its current account which is held with a UK bank rated 'A' by Standard and Poor's.

Market risk

The firm had no capital resource requirement in respect of foreign currency position risk as the company had no foreign currency positions.

Non-trading book exposures in equities

There are no nontrading book exposures in equities.

Exposures to interest rate risk in the non-trading book

The firm is exposed to interest-rate risk in relation to monies held on interest-bearing deposit with the firm's bankers, although the risk involved is considered negligible and accordingly a detailed measurement of interest-rate risk has not been undertaken.

Securitisation

The firm does not engage in securitisation.

Remuneration

The firm ensures that its remuneration of Code Staff is in line with its business strategy, objectives, values, and long-term interests, promotes sound and effective risk management, and does not encourage risk-taking that exceeds the firm's level of tolerated risk.

The Remuneration Committee is made up of at least two Directors drawn from the firm's Board or parent entity, plus the firm's Compliance Officer or Risk Manager, No change in the remuneration of Code Staff, including the payment of discretionary bonuses or the agreement of guaranteed bonuses, may be made by the Board without having first received a recommendation from the Remuneration Committee. Various members of the firm's Code Staff also perform functions within other Mill Group subsidiaries. The following disclosures are therefore in respect of the firm and the Group:

Key management remuneration for the financial year (refer to note 14):

Mill Finance (MFL) - £11,400

Number of Code Staff - 3
