9 Wilbraham Place Freehold Limited Notes to the Accounts for the year ended 31 December 2011

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

2 Freehold property

The main fixed asset of the company is the freehold title to 9 Wilbraham Place London SW1X 9AE. The freehold was acquired on 23rd August 2006 at which time a number of long leases were granted. The directors are of the opinion that the market value of the freehold is not material. Depreciation has not been provided on this asset for this reason. No independent valuation of the freehold has been made as in the opinion of the directors the valuation is sufficiently accurate.
