Atlas Ward EBT Limited

Directors' report for the year ended 31 March 2015

The directors present their report and the financial statements of the company for the year ended 31 March 2015.

Directors and their interests

The directors who served during the period and subsequently are noted on page 1.

Profit and loss account

No profit and loss account is presented with these financial statements as during the year and the preceding period, the company did not trade and received no income, incurred no expenditure and recognised no gains or losses.

Going concern

In determining whether the company's financial statements can be prepared on a going concern basis, the directors have considered all factors likely to affect its future development, performance and its financial position, including cash flows, liquidity position and Group borrowing facilities and the risks and uncertainties relating to the company's business activities. The key factors considered by the directors were as follows:

- The committed finance facilities of the group including both the level of the facilities, a £25 million revolving credit facility, with an accordion facility of a further £20 million available at the group's request to meet day-to-day working capital requirements up to July 2019, and the banking covenants attached to them.

Based on the above, and having made all appropriate enquiries and reviewed medium-term cash forecasts, the directors have a reasonable expectation that the company has adequate resources to continue for the foreseeable future and therefore they continue to adopt the going concern basis in preparing the financial statements.

Statement of directors' responsibilities

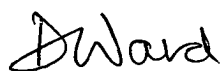

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Directors and signed on behalf of the Board

D Ward
Company Secretary
