DIRECTORS' REPORT (Continued)

The Directors present their annual report on the affairs of Libra CareCo Investments 1 Limited ("the Company"), together with the audited financial statements and auditor's report for the year ended 30 September 2019. The Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption. The Company has also taken the small companies' exemption from the requirement to prepare a Strategic report.

PRINCIPAL ACTIVITY

The principal activity of the Company's parent undertaking, FC Skyfall Upper Midco Limited and its subsidiaries (the "Group"), is the management and running of care homes principally for the elderly. The Group also owns the freeholds of care homes which are leased to the operating subsidiaries (HC-One Limited, Meridian Healthcare Limited, and HC-One Beamish Limited) and a small number of third party operators.

The principal activity of the Company is to act as a holding company. The Directors intend to continue these activities in the forthcoming year.

RESULTS

The Company's profit before taxation for the year ended 30 September 2019 was £9.3m (2018: £9.3m).

As at 30 September 2019 the Company's net assets were £297.5m (2018: £288.4m).

DIVIDENDS

No dividend was paid or received during the year (2018: £Nil).

DIRECTORS

The following Directors served throughout the year, and to the date of signing:

Mr J Hutchens (resigned 5th February 2020)
Mr D Smith

The ultimate parent undertaking of the Company, FC Skyfall TopCo Limited has made qualifying third party indemnity provisions for the benefit of the Company's Directors and the directors of all its other subsidiaries, which were made during the year and remain in force to the date of this report.

PRINCIPAL RISKS AND UNCERTAINTIES

The Directors of the Company have the overall responsibilities for the FC Skyfall Upper Midco Limited group ("the Group"), of which the Company is a subsidiary. The principal risks and uncertainties of the Group also apply to the Company. The consolidated financial statements of FC Skyfall Upper Midco Limited are publicly available from Companies House at Crown Way, Cardiff, Wales, CF14 3UZ.

There are no further risks specific to the Company.

GOING CONCERN AND COVID-19

The financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

The Directors have performed a going concern assessment for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, the company will have sufficient funds through funding from its parent, FC Skyfall Upper Midco Limited. The company is part of the FC Skyfall Upper Midco Limited group of companies (the "Group"). The company meets its day to day working capital requirements from cash resources and intercompany balances with other Group companies. Therefore the going concern assessment of the company is dependent on that of the Group as a whole.

FC Skyfall Upper Midco Limited has indicated its intention to continue to make available such funds as are needed by the company at the balance sheet date for 12 months from the date of approval of these financial statements. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, subject to the uncertainty described below, they have no reason to believe that it will not do so. A material

DIRECTORS' REPORT (Continued)

GOING CONCERN AND COVID-19 (continued)

uncertainty exists in the Group in respect of going concern as there is a risk of breach of financial covenants on its term loans in a COVID-19 downside scenario.

The Group's directors have prepared detailed cash flow and covenant compliance forecasts for the Group for the period to 30 September 2024. Net debt levels, servicing costs, working capital and covenant requirements are closely monitored and managed in accordance to the Group's objectives, policies and processes, and these have each been considered as part of these forecasts. At 30 September 2019 the Group was financed by £12.2m of cash, £264.7m of terms loans and £14.0m of loan notes with related parties. There are financial covenants on the term loans.

Excluding the potential impact of COVID-19 which is considered below, these cash flow forecasts and projections indicate that, taking into account reasonably possible downsides in trading performance, the Group will have adequate resources to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements.

The Group's directors have separately considered the uncertainty as to the future impact of COVID-19 on the going concern assessment.

To date across the Group the impact has been that occupancy rates have remained stable, death rates within the Group's care homes have not materially differed to historical rates and the Group has received a number of requests from NHS and LA to block book beds. However the Group's directors cannot predict the longer term impact of the crisis including:

- (i) what the NHS demand for vacant beds will be;
- (ii) what the impact of the crisis will be on the death rate and occupancy levels within the Group's care homes; and
- (iii) what the impact of self-isolation, care home isolation and other social distancing measures will have on payroll costs.

The current predictions of the impact of the virus on UK death rates vary widely but should the more pessimistic estimates prove correct, assuming the current high demand for beds from the NHS reduces and payroll costs are significantly increased, there would be a significant impact on the Group's profitability and cashflows and the Group would be at risk of breaching its financial covenants on the loans. Therefore the Group would require support from the banks by way of a covenant waiver or deferral.

Whilst the Group's directors believe that the Group would continue to have the support of its shareholders and the banks in these circumstances, there is no certainty that this would be the case. The Group's directors consider the specific downside scenario impact of COVID-19 on the Group's occupancy levels and cashflows to be so significant that it represents a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and, therefore, to continue realising their assets and discharging their liabilities in the normal course of business. The directors of the Company have assessed the conclusions reached by the Group's directors and agree with their conclusion.

Based on these indications the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. However, these circumstances represent a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, to continue realising its assets and discharging its liabilities in the normal course of business. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

DIRECTORS' REPORT (Continued)

SUBSEQUENT EVENTS

No significant events are noted between the year ended 30 September 2019 and the date of signing of this report. See note 12 to the financial statements.

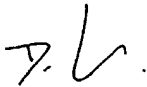

AUDITOR

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the Directors are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Directors have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Approved by the Board and signed on its behalf by:

Mr D Smith
Director

**STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE
DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS**

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LIBRA CARECO INVESTMENTS 1 LIMITED

Opinion

We have audited the financial statements of Libra CareCo Investments 1 Limited ("the company") for the year ended 30 September 2019 which comprise the Profit and Loss Account, Balance sheet, Statement of Changes in Equity and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 1 to the financial statements which indicates the uncertainties related to the ability of FC Skyfall Upper Midco Limited to provide financial support. These events and conditions, along with the other matters explained in note 1, constitute a material uncertainty that may cast significant doubt on the company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LIBRA CARECO INVESTMENTS 1 LIMITED (Continued)

Directors' responsibilities

As explained more fully in their statement set out on page 5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2019

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding year.

General information and basis of accounting

Libra CareCo Investments 1 Limited is a Company incorporated in the United Kingdom under the Companies Act 2006. The Company is a private company limited by shares and is registered in England and Wales. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Directors' report on page 2-4.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS 102) as issued by Financial Reporting Council

The functional currency of the Company is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

The Company meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. The Company is consolidated in the financial statements of its parent, FC Skyfall Upper Midco Limited, which can be obtained from the Companies House at Crown Way, Cardiff, Wales CF14 3UZ. Exemptions have been taken in these separate Company financial statements in relation to a cash flow statement, remuneration of key management personnel and related parties transactions.

Exemption from consolidation

The Company has taken advantage of section 400 of the Companies Act 2006 from the requirement to prepare Group financial statements as the Company is itself a subsidiary undertaking of FC Skyfall Upper Midco Limited. These financial statements provide information about the Company as an individual undertaking and not about its group.

Going concern and COVID-19

The financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

The Directors have performed a going concern assessment for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, the company will have sufficient funds through funding from its parent, FC Skyfall Upper Midco Limited. The company is part of the FC Skyfall Upper Midco Limited group of companies (the "Group"). The company meets its day to day working capital requirements from cash resources and intercompany balances with other Group companies. Therefore the going concern assessment of the company is dependent on that of the Group as a whole.

FC Skyfall Upper Midco Limited has indicated its intention to continue to make available such funds as are needed by the company at the balance sheet date for 12 months from the date of approval of these financial statements. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, subject to the uncertainty described below, they have no reason to believe that it will not do so. A material uncertainty exists in the Group in respect of going concern as there is a risk of breach of financial covenants on its term loans in a COVID-19 downside scenario.

The Group's directors have prepared detailed cash flow and covenant compliance forecasts for the Group for the period to 30 September 2024. Net debt levels, servicing costs, working capital and covenant requirements are closely monitored and managed in accordance to the Group's objectives, policies and processes, and these have each been considered as part of these forecasts. At 30 September 2019 the Group was financed by £12.2m of cash, £264.7m of terms loans and £14.0m of loan notes with related parties. There are financial covenants on the term loans.

NOTES TO THE FINANCIAL STATEMENTS**For the year ended 30 September 2019****1. ACCOUNTING POLICIES (continued)****Going concern and COVID-19 (continued)**

Excluding the potential impact of COVID-19 which is considered below, these cash flow forecasts and projections indicate that, taking into account reasonably possible downsides in trading performance, the Group will have adequate resources to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements.

The Group's directors have separately considered the uncertainty as to the future impact of COVID-19 on the going concern assessment.

To date across the Group the impact has been that occupancy rates have remained stable, death rates within the Group's care homes have not materially differed to historical rates and the Group has received a number of requests from NHS and LA to block book beds. However the Group's directors cannot predict the longer term impact of the crisis including:

- (i) what the NHS demand for vacant beds will be;
- (ii) what the impact of the crisis will be on the death rate and occupancy levels within the Group's care homes; and
- (iii) what the impact of self-isolation, care home isolation and other social distancing measures will have on payroll costs.

The current predictions of the impact of the virus on UK death rates vary widely but should the more pessimistic estimates prove correct, assuming the current high demand for beds from the NHS reduces and payroll costs are significantly increased, there would be a significant impact on the Group's profitability and cashflows and the Group would be at risk of breaching its financial covenants on the loans. Therefore the Group would require support from the banks by way of a covenant waiver or deferral.

Whilst the Group's directors believe that the Group would continue to have the support of its shareholders and the banks in these circumstances, there is no certainty that this would be the case. The Group's directors consider the specific downside scenario impact of COVID-19 on the Group's occupancy levels and cashflows to be so significant that it represents a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and, therefore, to continue realising their assets and discharging their liabilities in the normal course of business. The directors of the Company have assessed the conclusions reached by the Group's directors and agree with their conclusion.

Based on these indications the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. However, these circumstances represent a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, to continue realising its assets and discharging its liabilities in the normal course of business. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
For the year ended 30 September 2019

1. ACCOUNTING POLICIES (Continued)

Interest

Interest receivable and interest payable are recognised in the financial statements on an accruals basis.

Investments

Fixed asset investments are stated at cost less provision for impairment.

Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provision of the instrument.

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit and loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Impairment of assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Non-financial assets

An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Where indicators exist for a decrease in impairment loss, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

Financial assets

For financial assets carried at amortised cost, the amount of impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
For the year ended 30 September 2019

2. CRITICAL ACCOUNTING JUDGEMENTS

In the application of the Group's accounting policies, which are described in note 1, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. There are no critical accounting judgements in the preparation of the financial statements.

Key sources of estimation uncertainty

Determining whether the investment in subsidiary undertakings should be impaired based on the financial position and future prospect of the investment requires judgement. See note 6.

3. INTEREST RECEIVABLE AND SIMILAR INCOME

	2019 £'000	2018 £'000
Interest receivable on loan notes from subsidiary undertaking	9,263	9,263

4. PROFIT BEFORE TAXATION

The Company had no employees during the current or preceding year.

The Directors of the Company are also directors of the other companies within the FC Skyfall Upper Midco Limited group. The Directors received no remuneration for their services to the company in the current or prior year.

Fees payable for the audit of the Company's annual accounts is £2,700 for the current year (2018: £2,700). The Company did not incur any non-audit fees during the year (2018: £Nil).

5. TAX ON PROFIT

	2019 £'000	2018 £'000
Deferred tax:		
Adjustment in respect of prior periods	134	-
Total deferred tax	134	-
Profit before tax	9,260	9,260
Tax on profit at standard rate of 19.0% (2018: 19.0%)	1,759	1,759
Factors affecting tax charge:		
Adjustment from prior periods	134	-
Group relief for nil consideration	(1,759)	(1,759)
Total tax for the year	134	-

The standard rate of tax applied to reported profit is 19.0% (2018: 19.0%).

Finance Act No.2 2015 included provisions to reduce the corporate tax to 19.0% with effect from 1 April 2017. In addition, Finance Bill 2016 was substantively enacted on 6 September 2016 which introduced a further reduction in the main rate of corporation tax to 17.0% from 1 April 2020. Accordingly these rates have been applied when calculating deferred tax assets and liabilities as at 30 September 2019.

LIBRA CARECO INVESTMENTS 1 LIMITED

NOTES TO THE FINANCIAL STATEMENTS (Continued) For the year ended 30 September 2019

5. TAX ON PROFIT (Continued)

In the 11 March 2020 Budget it was announced that the UK tax rate will remain at the current 19% and not reduce to 17% from 1 April 2020. This will have a consequential effect on the company's future tax charge. If this rate change had been substantively enacted at the current balance sheet date the deferred tax asset would have decreased by £305,000.

There is no expiry date on timing differences, unused tax losses or tax credits.

6. INVESTMENTS

	Shares in subsidiary undertaking £'000	Capital contribution £'000	Total £'000
Cost and valuation			
At 30 September 2018 and at 30 September 2019	2	194,795	194,797

11. CONTINGENT LIABILITIES AND GUARANTEES

The Company and its group undertakings are guarantors to a facility agreement entered into by FC Skyfall Bidco Limited, the Company's intermediate parent undertaking. The facility is secured by a fixed and floating charge over the group assets and unlimited guarantee from its group undertakings. As at 3rd April 2020 the outstanding loan amount is £254.2m.

12. SUBSEQUENT EVENTS

No significant events are noted between the year ended 30 September 2019 and to the date of signing of this report.

13. RELATED PARTY TRANSACTIONS

The Company has taken exemption provided under FRS 102 to not disclose intercompany transactions with other wholly owned group undertakings within the FC Skyfall Upper Midco Limited group.

There are no transactions between the Company and the Directors during the current year or the preceding year.

The key management personnel of the Company are also the key management personnel of the Group and other group undertakings. Management do not believe it is possible to allocate these costs to each individual company. Further details can be found in the consolidated financial statements of FC Skyfall Upper Midco Limited.
