BUTTONCASE LIMITED**DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021**

The Directors present their Report and the unaudited financial statements of Buttoncase Limited (the "Company") for the 52 weeks ended 27 February 2021 (prior period: 53 weeks ended 29 February 2020 ("2020")).

Business review and principal activities

The principal activity of the Company is to act as a finance company that holds a cash investment.

There has been no significant change in the nature of this activity during the period and the Directors do not expect this to change significantly throughout the next financial period.

The financial statements of the Company have been prepared in accordance with the Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102").

Results and dividends

The results for the 52 weeks ended 27 February 2021 show a profit before tax of £2k (2020: £16k) and profit after tax of £2k (2020: £16k).

The Company has net assets at the period end of £94k (2020: £92k) and has net current assets at the period end of £4,894k (2020: £4,892k).

The Directors do not recommend payment of a dividend for the period ended 27 February 2021 (2020: £nil).

Future developments

The Company's performance is expected to continue throughout the next financial period, and it is anticipated that the current performance levels will be maintained.

The Company's future developments form a part of the Tesco PLC Group's (the "Group") long term strategy, which is discussed on pages 4 to 30 of the Tesco PLC Annual Report and Financial Statements 2021, which do not form a part of this Report.

Principal risks and uncertainties

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. Accordingly, the principal risks and uncertainties of the Group, which include the Company, are discussed on pages 31 to 37 of the Tesco PLC Annual Report and Financial Statements 2021, which do not form part of this Report.

Business risk

The ongoing development of the UK's trading relationship with the EU, subsequent to the end of the Brexit transition period during the year, and a failure to prepare all eventualities could have an adverse effect on our primary business, its financial results and operations. The Tesco PLC Board will continue to assess and monitor the potential risks and impacts on the Company and its stakeholders as a whole, while taking mitigation measures to address challenges as appropriate.

The COVID-19 pandemic has continued throughout the year in the UK. The nature of the Company's operations is such that COVID-19 does not have a material impact upon the business.

Going concern

The Company has significant cash assets that greatly outweigh its liabilities. The Directors consider that the Company has adequate resources to remain in operation for a period of at least 12 months from the date of signing the financial statements and have therefore continued to adopt the going concern basis in preparing the financial statements.

Events after the reporting period

Details of events after the reporting period can be found in Note 11 to the financial statements.

BUTTONCASE LIMITED

DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

Political donations

There were no political donations for the period (2020: £nil) and the Company did not incur any political expenditure (2020: £nil).

Research and development

The Company does not undertake any research and development activities (2020: none).

Financial risk management

The main risks associated with the Company's financial assets and liabilities are set out below.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The receivables of the Company are primarily pertaining to receivables from Group undertakings, the credit risk of receivables is determined to be low.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The principal risks and uncertainties are related to the obligation to make repayments against amounts owed to preference shareholders when due.

The amounts owed to preference shareholders is repayable on winding up of the Company, in priority to ordinary shares, together with any arrears of dividend.

Strategic Report

The Directors have taken advantage of the exemption under Section 414B of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 from preparing a Strategic Report.

Employees

The Company had no employees during the period (2020: none).

Directors

The following Directors served during the period and up to the date of signing the financial statements, unless otherwise stated.

L Heywood
Tesco Services Limited
R Welch

None of the Directors had any disclosable interests in the Company during this period.

A qualifying third-party indemnity provision as defined in Section 234 of the Companies Act 2006 is in force for the benefit of the Tesco PLC Company Secretary (who is also a Director of Tesco Services Limited which is appointed to the Board of the Company) in respect of liabilities incurred as a result of their office, to the extent permitted by law. In respect of those liabilities for which directors and officers may not be indemnified, Tesco PLC maintained a Directors' and Officers' liability insurance policy throughout the financial period and up to the date of signing the financial statements.

Cautionary statement regarding forward-looking information

Where this document contains forward-looking statements, these are made by the Directors in good faith based on the information available to them at the time of their approval of this Report. These statements should be treated with caution due to the inherent risks and uncertainties underlying any such forward-looking information. A number of factors, including those in this document, could cause actual results to differ materially from those contained in any forward-looking statement.

Directors' Responsibilities Statement

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company Law requires the Directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the Company financial statements in accordance with FRS 102 "The Financial Reporting Standards applicable in the United Kingdom and the Republic of Ireland" and applicable law.

Under Company Law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions, disclose with reasonable accuracy at any time the financial position of the Company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board on 14 September 2021, and signed on behalf of the Board by:

BUTTONCASE LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021****1. Statement of compliance**

The financial statements of Buttoncase Limited (the "Company") have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

2. General information

The Company is a private company limited by shares and is incorporated and domiciled in England and Wales under the Companies Act 2006.

The address of the registered office is Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom. The nature of the Company's operations and its principal activities are set out in the Directors' Report on page 1.

The financial statements of the Company for the 52 weeks period ended 27 February 2021 were approved by the Board of Directors on 14 September 2021 and the Balance Sheet was signed on the Board's behalf by Robert Welch.

The functional and presentational currency of the Company is Pound Sterling (£) because that is the currency of the primary economic environment in which the Company operates. The financials are rounded off to the nearest thousand (£'000), except when otherwise stated.

3. Accounting policies**a) Basis of preparation**

The Company is a wholly owned subsidiary of Tesco PLC and is included in the consolidated financial statements of Tesco PLC, which are publicly available. The Company is a qualifying entity for the purposes of FRS 102. Consequently, as per Section 1.12(b), the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS 102 Section 7 "Statement of Cash Flows".

Transactions with fellow wholly owned subsidiaries are not disclosed as the Company has taken advantage of the exemption under FRS 102 Section 33.1A.

The Company has taken advantage from the financial instrument disclosures, required under FRS 102 paragraph 11 and 12, as the information is provided in the consolidated financial statement disclosures.

The principal accounting policies are summarised below. They have all been applied consistently throughout the period and to the preceding period, unless otherwise stated.

b) Going concern

The Company has significant cash assets that greatly outweigh its liabilities. The Directors consider that the Company has adequate resources to remain in operation for a period of at least 12 months from the date of signing the financial statements and have therefore continued to adopt the going concern basis in preparing the financial statements.

c) Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described hereafter, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The Directors do not consider any of the estimates and judgements made within these financial statements as significant.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no judgements and estimates that have a significant effect on amounts recognised in the financial

BUTTONCASE LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****3. Accounting policies (continued)****d) Significant accounting policies****Income taxes**

Current tax, including United Kingdom (UK) corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the balance sheet date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set-off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Group relief on taxation

The Company may receive or surrender group relief from group companies without payment and consequently there may be no tax charge in the Profit and Loss Account.

Current tax and deferred tax for the period

Current and deferred tax are recognised in the Profit and Loss account, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Financial instruments

Financial assets and financial liabilities are recognised on the Balance Sheet when the Company becomes a party to the contractual provisions of the instrument. The expected maturity of the financial assets and liabilities is not considered to be materially different to their current and non-current classification.

*Financial assets**Initial recognition and measurement*

The Company determines the classification of its financial assets at initial recognition. All financial assets are recognised on initial measurement at transaction price including directly attributable transaction costs.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. The Company's financial assets include cash.

statements.

BUTTONCASE LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****3. Accounting policies (continued)****d) Significant accounting policies (continued)***Financial assets (continued)**Subsequent measurement*

The subsequent measurement of financial assets depends on their classification as follows:

Debtors

Debtors are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are initially recognised at transaction price including directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method (EIR), less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance revenue in the Profit and Loss Account. For a non-interest bearing debtors that is receivable within one year on normal business terms, amortised cost shall be measured at the undiscounted amount of the cash or other consideration expected to be received (i.e. net of impairment). Losses arising from impairment are recognised in the Profit and Loss Account in other operating expenses.

*Financial liabilities**Initial recognition and measurement*

The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at transaction value and in the case of loans and borrowings, plus directly attributable transaction costs. The principal financial liabilities include creditors.

Subsequent measurement

The measurement of financial liabilities depends on their classification as follows:

Creditors

Creditors are non-derivative financial liabilities with fixed or determinable payments. Such liabilities are initially recognised at transaction price and subsequently measured at amortised cost using the effective interest method (EIR). Amortised cost is calculated by taking into account transaction costs that are an integral part of the EIR. The EIR amortisation is included in finance cost in the Profit and Loss Account. For a non-interest bearing creditors that is payable within one year on normal business terms, amortised cost shall be measured at the undiscounted amount of the cash or other consideration expected to be paid.

De-recognition of financial instruments

Financial assets are derecognised when and only when (a) the contractual rights to the cash flows from the financial asset expire or are settled; (b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset; or (c) the Company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party. Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expired.

Cash at bank and in hand

Cash at bank and in hand in the Balance Sheet comprise cash at banks and in hand and short term deposits with an original maturity of three months or less.

BUTTONCASE LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****3. Accounting policies (continued)****d) Significant accounting policies (continued)****Interest receivable and similar income**

Interest receivable is calculated on an accrual basis. Interest income on financial assets that are classified as loans and receivables is determined using the effective interest rate method. The effective interest rate method is a method of calculating the amortised cost of a financial asset and of allocating the interest income over the expected life of the asset. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to its net carrying amount.

4. Operating result

The Directors received no emoluments for their services to the Company (2020: £nil).

The Company had no employees during the period (2020: none).

5. Interest receivable and similar income

	£'000	£'000
Interest receivable	2	16
	2	16

6. Tax credit/(charge) on profit**(a) Factors that have affected the tax credit/(charge)**

The standard rate of corporation tax in the UK at the balance sheet date is 19%. This gives a corporation tax rate for the Company for the full period of 19% (2020: 19%).

The UK Budget 2021 announcements on 3 March 2021 included measures to support economic recovery as a result of the ongoing COVID-19 pandemic. These included an increase to the UK's main corporation tax rate to 25%, which is due to be effective from 1 April 2023. These changes were not substantively enacted at the balance sheet date and hence have not been reflected in the measurement of deferred tax balances at the period end.

(b) Tax credit/(charge) in the Profit and Loss Account

The analysis of the credit/(charge) for the period is as follows:

	27 February 2021 £'000	29 February 2020 £'000
4,800,000 2% Cumulative Redeemable Preference Shares of £1 each (2020: 4,800,000)	4,800	4,800
	4,800	4,800

The cumulative redeemable preference shares confer on the holder the right to receive a fixed dividend of 2% on the nominal capital of the preference shares. As regards capital on a winding up of the Company, the cumulative redeemable preference shares shall be deemed in priority to the ordinary shares, together with any arrears in dividends. The Company shall have the right to redeem, at par, all or part of the cumulative redeemable preference shares in issue at any time.

The cumulative redeemable preference shares are non-voting except where the preferential dividend on the shares is six months or more in arrears or where a resolution is proposed which amends certain rights of the cumulative redeemable preference shareholders, in which case the shareholders are entitled to vote on such amendments.

The sole preference shareholder, Tesco PLC, has waived its right to receive a dividend for the current financial year.

The Ordinary shares: the shares have attached to them full voting, dividend and capital distribution (including on winding up) rights; they do not confer any rights of redemption.

10. Ultimate parent undertaking

The Company's immediate and ultimate parent undertaking and controlling party is Tesco PLC. The results of the Company are only included in the consolidated financial statements of Tesco PLC, which is the smallest and largest group to consolidate these financial statements.

Copies of the Tesco PLC Annual Report and Financial Statements 2021 are available from the Company Secretary at the registered office: Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom.

11. Events after the reporting period

There are no material events since the Balance Sheet date which require disclosure.
