## Strategic report

### Year ended 31 December 2019

---

The board present the strategic report for the year.

#### Business review and outlook

The performance of the company in 2019 was strong with a reported profit before tax of £1,116,000 (2018: £1,344,000) in the year from a turnover of £71.3m (2018: £70.9m).

The successful year was aided by a weakened sterling during the year and the market for agricultural machinery has remained strong.

During the year the UK has seen a steady reduction in the unemployment figures together with an increasing population. There are also clear indications that interest rates should remain at low levels in the short and medium term. These factors should provide reasonable stability in the agriculture machinery sector.

#### Key performance indicators

The directors consider the following KPI's as important to their business:

|                              | 2019   | 2018   |
|------------------------------|--------|--------|
| Return before tax on sales   | 1.6%   | 1.9%   |
| Return on shareholders funds | 9.6%   | 12.9%  |
| Gross profit margin          | 15.5%  | 16.6%  |
| Current ratio                | 1.39:1 | 1.40:1 |

The directors consider the staff's performance to be the key non-financial indicator and the directors believe that all staff have performed well.

#### Principal risks and uncertainties

Risk management remains a priority. We believe our key risks are detailed below:

- The success of the business depends to a large extent on the abilities of senior management and key employees.
- A significant part of the company's income is from our Agco franchise, the loss of which would have a significant impact on the business. The board maintains close relationships with its brand partners to mitigate this risk.
- The business has stocking loans with interest rates linked to base rate. We believe that interest rates will not rise significantly in the medium term.
- The customer base for agricultural product is changing and the consolidation of the customer base could result in reducing market opportunity in the future. However we do not believe that a reduction would be significant but the company has plans in place to meet any change in the market.
- The company operates in a regulated environment, in particular the FCA. Non-compliance with these regulations could result in fines and ultimately suspension from selling Finance or insurance products. To ensure we do not commit any regulatory breaches we have thorough training regime for all related staff.
- The impact of the UK's decision to leave the European Union is unknown. In particular the effect of our departure will have on our customers regarding farming subsidies. However the national and global market for food increases each year so we are content that food production has a strong future.

# Thurlow Nunn Standen Limited

## Strategic report *(continued)*

**Year ended 31 December 2019**

---

### Future developments

The year 2020 will be affected by the Covid19 outbreak but as an essential business supporting food production the effect was limited. The company has taken advantage of the Government's Furlough scheme together with some council rate support.

Business levels have remained strong in 2020 the company should have a satisfactory year in 2020.

Looking further forward the UK is likely to see continued increase in the unemployment figures and the economic outlook is currently uncertain with the effect of the final exit from Europe and the trade agreements that will be agreed. However it is clear that interest rates should remain at low levels in the short and medium term. The directors are aware that the business plan going forward needs to be flexible to meet the market conditions.

The directors forecast that the company will face challenges but with a solid base, competent staff, good product range the forecast for the future is satisfactory.

### Section 172 statement

This section serves as our section 172 statement. Section 172 of the Companies Act 2006 requires directors to take into consideration the interests of stakeholders in their decision making. The directors continue to have regard to the interests of the group's and company's employees and other stakeholders, including the impact of its activities on the community, the environment and the group's reputation, when making decisions. Acting in good faith and fairly between members, the directors consider what is most likely to promote the success of the group and company for its members in the long term. Whilst the importance of giving due consideration to our stakeholders is not new, we are explaining in more detail this year how the board engages with our stakeholders, thus complying with the requirement to include a statement setting out how our Directors have discharged this duty.

In this context we note the following:

- The directors are fully aware of their responsibilities to promote the success of the group and Company in accordance with section 172 of the Companies Act 2006. To ensure the group and company the board regularly reflects on how the group engages with its stakeholders and opportunities for enhancement in the future. Such reflections are facilitated by the board's composition; being made up of a mix of executive and non-executive members who combine a shareholder's perspective with that of management and independent members (who themselves have a wide range of experience).
- All strategic decisions are considered to account for the interests of the shareholder, employees, suppliers and customers of the group.
- The Board regularly reviews our principal stakeholders and how we engage with them. The stakeholder voice is brought into the boardroom through information provided by management and also by direct engagement with stakeholders themselves.
- Customers are placed at the heart of the group's proposition and significant resource is invested in compliance functions across the group to ensure that robust monitoring processes are in place.
- The importance of supplier relationships is also recognised, as evidenced by paying suppliers to agreed terms.

# Thurlow Nunn Standen Limited

## Strategic report *(continued)*

**Year ended 31 December 2019**

---

The fundamental overriding principle in the governance of the group and company is that of ensuring transparent conduct which reflects fairness in all dealings with the shareholder, employees, customers and suppliers. The group places a high degree of importance on its core values as published on the group's website: integrity, honest, equality, fairness, openness and transparency, humility, service, simplicity, trust, benevolence. A testament to this is reflected in the significantly long length of service by most of our senior employees and the several long-standing relationships with customers and suppliers.

This report was approved by the board of directors on 28.10.2020 and signed on behalf of the board by:

  
J R Thurlow  
Director

# **Thurlow Nunn Standen Limited**

## **Directors' report**

### **Year ended 31 December 2019**

---

The directors present their report and the financial statements of the company for the year ended 31 December 2019.

#### **Principal activities**

The principal activity of the company during the year was that of agricultural machinery distributors including sales, service and parts supply. The company is also involved in the construction of agricultural buildings.

#### **Results**

The profit for the year, after taxation amounted to £944,000 (2018: £1,148,000)

#### **Directors**

The directors who served the company during the year were as follows:

|              |                             |
|--------------|-----------------------------|
| J R Thurlow  |                             |
| J P Nunn     |                             |
| R Pipe       | (resigned 31 December 2019) |
| S A Tew      |                             |
| P H Addinall |                             |
| A H Brown    |                             |
| C Tew        |                             |

#### **Dividends**

The directors do not recommend the payment of a dividend.

#### **Financial risk management and objectives and policies**

The company's treasury activities are operated within policies and procedures approved by the Board, which include defined controls of the use of financial instruments managing the company's risk. The main risks arising from the company's financial instruments are liquidity risk and credit risk.

#### **Liquidity risk**

The company finances its operations through a mixture of retained profits and cash and the company seeks to ensure there is short term flexibility by the availability of overdraft facilities and wholegood stocking loans. The company monitors its cash balances and loans on a regular basis to ensure that all foreseeable future needs can be met from available resources.

#### **Credit risk**

The principal risk lies with trade receivables. The credit risk is managed by setting customer limited based on combination of payment history, statutory accounts and third party references. These limits are reviewed on a regular basis in conjunction with debt ageing and collection history.

#### **Matters covered in the strategic report**

Information previously included in the directors' report in respect of the business review and outlook, key performance indicators and principal risks and uncertainties can now be found in the strategic report.

#### **Events after the end of the reporting period**

Particulars of events after the reporting date are detailed in note 23 to the financial statements.

# Thurlow Nunn Standen Limited

## Directors' report *(continued)*

Year ended 31 December 2019

---

### Directors' responsibilities statement

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Disclosure of information to auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

### Auditor Appointment

The audit of the company transferred from Grant Thornton UK LLP to Lovewell Blake LLP on 23 March 2020.

The auditor, Lovewell Blake LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board of directors on 28.10.2020 and signed on behalf of the board by:

J R Thurlow  
Director

# **Thurlow Nunn Standen Limited**

## **Independent auditor's report to the members of Thurlow Nunn Standen Limited**

**Year ended 31 December 2019**

---

### **Opinion**

We have audited the financial statements of Thurlow Nunn Standen Limited (the 'company') for the year ended 31 December 2019 which comprise the statement of income and retained earnings, statement of financial position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# **Thurlow Nunn Standen Limited**

## **Independent auditor's report to the members of Thurlow Nunn Standen Limited** (continued)

**Year ended 31 December 2019**

---

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Independent auditor's report to the members of Thurlow Nunn Standen Limited (continued)

**Year ended 31 December 2019**

---

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### Use of our report

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the financial statements

Year ended 31 December 2019

---

### 1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Wisbech Road, Littleport, Ely, Cambridgeshire, CB6 1RA.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see policy below).

The following principal accounting policies have been applied:

#### Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;

This information is included in the consolidated financial statements of George Thurlow and Sons (Holdings) Limited as at 31 December 2019 and these financial statements may be obtained from Companies House.

#### Going concern

After reviewing the company's forecast and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The Company therefore continues to adopt the going concern basis in preparing its financial statements. To date the Company has not been materially impacted by the effects of the ongoing COVID-19 pandemic (see note 23).

## **Notes to the financial statements *(continued)***

### **Year ended 31 December 2019**

---

#### **3. Accounting policies *(continued)***

##### **Revenue**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at fair value of the consideration received of receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised.

##### **Sale of goods**

Revenue from the sale of goods is recognised when all of the following conditions are satisfied:

- the Company has transferred the significant risks and reward of ownership to the buyer;
- the Company retains neither continuing managerial involvement to the degree usually associated with the ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the transaction; and
- the costs incurred or to be incurred in respect on the transaction can be measured reliably

##### **Rendering of services**

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably

##### **Manufacturer bonuses**

Manufacturer bonuses and related income are recognised in the period to which they relate providing they can be estimated with reasonable certainty.

#### 3. Accounting policies *(continued)*

##### **Tangible fixed assets**

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

The estimated useful lives range as follows:

|                                            |                    |
|--------------------------------------------|--------------------|
| Improvements to leasehold property         | - 4 years          |
| Plant and equipment, fixtures and fittings | - 3 to 8 1/3 years |
| Motor vehicles                             | - 3 to 8 years     |

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of comprehensive income.

##### **Leasing and hire purchase**

Assets acquired under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payments is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

##### **Operating leases**

Rentals income from operating leases is credited to the Statement of comprehensive income on a straight line basis over the term of the relevant lease.

Amounts paid and payable as an incentive to sign an operating lease are recognised as a reduction to income over the lease term on a straight line basis, unless another systematic basis is representative of the time pattern over which the lessor's benefit from the leased asset is diminished.

## Notes to the financial statements *(continued)*

### Year ended 31 December 2019

---

#### 3. Accounting policies *(continued)*

##### **Stocks and work in progress**

Stocks are stated at the lower of cost and net realisable value, being the estimate selling price less costs to complete and sell. Cost is based on the cost of purchase on a first in, first out basis. Work in progress and finished goods include labour and attributable costs.

At each reporting date, stocks are assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in profit and loss.

##### **Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

##### **Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

##### **Financial instruments**

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties and loans to related parties.

Debt instruments, like loans and other accounts receivable and payable, are initially measured at present value of the future payments and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of trade debt deferred beyond normal business terms of financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially and subsequently, at the present value of the future payment discounted at a market rate of interest for a similar debt instrument.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive income.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

# Thurlow Nunn Standen Limited

## Notes to the financial statements *(continued)*

### Year ended 31 December 2019

---

#### 3. Accounting policies *(continued)*

##### **Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transactions costs, and are measured subsequently at amortised cost using the effective interest method.

##### **Foreign currency translation**

##### **Functional currency translation**

The Company's functional and presentational currency is GBP.

##### **Transactions and balances**

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of comprehensive income except when deferred in other comprehensive income as qualifying cash flow hedges.

Foreign exchange gains and losses that relate to borrowing and cash and cash equivalents are presented in the Statement of comprehensive income within 'finance income or costs'. All other foreign exchange gains and losses are presented in the Statement of comprehensive income within 'other operating income'.

##### **Finance costs**

Finance costs are charged to the Statement of comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in proceeds of the associated capital instrument.

##### Pensions

##### Defined contribution pension plan

The Company operates a defined contribution plan for its employees. A defined contribution plan is a plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Statement of comprehensive income they fall due. Amounts not paid are shown in accruals as a liability in the Statement of financial position. The assets of the plan are held separately from the Company in independently administered funds.

##### Multi-employer pension plan

The Company is a member of a multi-employer plan. Where it is not possible for the Company to obtain sufficient information to enable it to account for the plan as a defined benefit plan, it accounts for the plan as a defined contribution plan.

##### Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of comprehensive income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of financial position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liability acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

#### 3. Accounting policies *(continued)*

##### Judgements in applying accounting policies and key sources of estimation uncertainty

In the application of the Company's accounting policies, the Directors are required to make judgements estimates and assumptions. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and assumptions which has a significant risk of causing a material adjustments to the carrying amount of assets and liabilities is outlined below:

Stock, against which an estimated provision has been made based on a review of the age of goods in stock. The carrying value of stock can be found at note 12.

#### 4. Turnover

Turnover arises from:

|                       | 2019<br>£000  | 2018<br>£000  |
|-----------------------|---------------|---------------|
| Sale of goods         | 55,015        | 55,124        |
| Rendering of services | 15,177        | 14,820        |
| Other income          | 1,140         | 1,041         |
|                       | <u>71,332</u> | <u>70,985</u> |

All turnover arose within the United Kingdom.

#### 5. Operating profit

Operating profit or loss is stated after charging/crediting:

|                                            | 2019<br>£000 | 2018<br>£000 |
|--------------------------------------------|--------------|--------------|
| Depreciation of tangible fixed assets      | 461          | 446          |
| Gains on disposal of tangible fixed assets | (61)         | (47)         |
| Other operating lease rentals              | 417          | 335          |
|                                            | <u>817</u>   | <u>734</u>   |

#### 6. Auditor's remuneration

|                                                                              | 2019<br>£000 | 2018<br>£000 |
|------------------------------------------------------------------------------|--------------|--------------|
| Fees payable for the audit of the financial statements                       | 13           | 12           |
|                                                                              | <u>13</u>    | <u>12</u>    |
| Fees payable to the company's auditor and its associates for other services: |              |              |
| Taxation compliance services                                                 | 3            | 3            |
|                                                                              | <u>3</u>     | <u>3</u>     |

## Notes to the financial statements *(continued)*

### Year ended 31 December 2019

---

#### 7. Employees

The average number of persons employed by the company during the year, including the directors, amounted to:

|                       | 2019<br>No. | 2018<br>No. |
|-----------------------|-------------|-------------|
| Sales and service     | 151         | 144         |
| Office and management | 33          | 37          |
|                       | <u>184</u>  | <u>181</u>  |

The aggregate payroll costs incurred during the year, relating to the above, were:

|                       | 2019<br>£000 | 2018<br>£000 |
|-----------------------|--------------|--------------|
| Wages and salaries    | 5,971        | 5,899        |
| Social security costs | 617          | 598          |
| Other pension costs   | 220          | 177          |
|                       | <u>6,808</u> | <u>6,674</u> |

#### 8. Directors' remuneration

The directors' aggregate remuneration in respect of qualifying services was:

|                                                             | 2019<br>£000 | 2018<br>£000 |
|-------------------------------------------------------------|--------------|--------------|
| Remuneration                                                | 558          | 627          |
| Company contributions to defined contribution pension plans | 50           | 32           |
|                                                             | <u>608</u>   | <u>659</u>   |

Remuneration of the highest paid director in respect of qualifying services:

|                                                             | 2019<br>£000 | 2018<br>£000 |
|-------------------------------------------------------------|--------------|--------------|
| Aggregate remuneration                                      | 143          | 174          |
| Company contributions to defined contribution pension plans | 22           | -            |
|                                                             | <u>165</u>   | <u>174</u>   |

During the year retirement benefits were accruing to 3 directors (2018 - 3) in respect of defined contribution pension schemes.

The highest paid director received remuneration of £143,000 (2018 - £174,000).

The value of the company's contributions paid to defined contribution pension scheme in respect of the highest paid director amounted to £22,000 (2018 - £NIL).

## Notes to the financial statements *(continued)*

**Year ended 31 December 2019**

---

### **22. Pension commitments**

The company is a participating employer of both the defined contribution and defined benefit schemes jointly operated by the group and other companies. The assets of the schemes are held in separate trustee administered funds.

The defined benefit pension scheme was closed to new members in 1994 and to future accrual on 6 April 2016. Contributions of £32,000 per month are made for funding requirements. The company's share of the contributions has been made on this basis.

As disclosed in the account policies, the company is unable to identify its share of the underlying assets and liabilities of the joint scheme and consequently accounts for the pension costs as though the scheme is a defined contribution scheme. An agreement has been made between the participating employers of the scheme, whereby Thurlow Nunn (Holdings) Limited has agreed to take responsibility for the whole of the pension deficit on its balance sheet. This will continue to be funded jointly by the participating employers by way of the contributions they pay to the scheme.

The pension cost of the defined contribution scheme represents the contributions payable for the year.

The pension charge for both schemes for the year was £220,000 (2018: £177,000).

### **23. Events after the end of the reporting period**

The year 2020 will be affected by the Covid19 outbreak but as an essential business supporting food production the effect was limited. The company has taken advantage of the Government's Furlough scheme together with some council rate support.

Business levels have remained strong in 2020 the company should have a satisfactory year in 2020, albeit there remains a residual level of risk relating to the ongoing pandemic.

### **24. Related party transactions**

**During the year the company entered into the following arrangements with undertakings under common control:**

During the year the company contracted building work to Balsham (Buildings) Limited amounting to £1,718,000 (2018: £1,428,000). At 31 December 2019, the company owed Balsham (Buildings) Limited £485,000 (2018: £46,000). Balsham (Buildings) Limited is a company under common control.
