Report of the Trustees for the Year Ended 31 May 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 May 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The objectives of the charity

The charity's objectives are to:

- Provide, improve and maintain public amenities in Sturminster Newton and the surrounding area and to provide a property for the purposes of:
- A public market
- Meetings, lectures, classes, public exhibitions, and other forms of recreation or leisure time occupation with the object of improving conditions of life for inhabitants of Sturminster Newton and the surrounding area with the intention, in particular but not exclusively, of contributing towards the regeneration of Sturminster Newton and the surrounding area.
- To promote any lawful charitable purpose for the benefit of the inhabitants of Sturminster Newton and the surrounding area as the trustees shall from time to time decide.

Public benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Our main activities and who we try to benefit are described above. All charitable activities focus on providing benefit to the inhabitants of Sturminster Newton and the surrounding area and are undertaken to further our charitable purposes for the public benefit.

Public performances are arranged and promoted on a scale and standard unavailable elsewhere in the area. These provide benefit to all those who attend, while generating income that permits subsidised hire charges for the benefit of local groups and societies.

Spaces and facilities are provided for a wide range of public functions and activities.

A café is open to the public six days a week which offers a regular social facility, well used, and an informal meeting place. We provide fully serviced accommodation without charge for the Community Learning Centre, which in turn provides a wide range of IT services to the community.

ACHIEVEMENT AND PERFORMANCE

Achievement, performance and financial review

The national lockdowns and related restrictions have resulted in an unprecedented downturn in activity and income for the Charity. All possible steps were taken to minimise outgoings as quickly as possible, to sell off surplus stock, and to minimise losses.

Regrettably it was necessary to make some part time staff redundant. The scheduled replacement for our departing Commercial Manager started in post but was not retained. The furlough scheme made it possible to retain three local members of staff and our bookkeeper. Use of the furlough scheme was replaced by a grant from the Culture Recovery Fund. This made it possible to undertake some improvement works during periods of closure.

Booked events for 2020 were largely rescheduled for 2021 or 2022. Ticket holders were kept informed and refunds offered. A gratifying number of patrons did not request refunds. All relevant monies are ringfenced until the event has taken place.

The Trustees reached agreement with our neighbouring GP practice, and The Exchange was confirmed as a vaccination centre to serve Sturminster Newton together with two adjacent and larger towns. Well over 40,000 vaccinations were carried out on the premises, to the very significant benefit of the community.

At the end of the financial year The Exchange remained largely closed under continuing Government restrictions, but in a secure financial position, and with policies and physical precautions in place to facilitate re-opening as soon as it is safe to do so.

FINANCIAL REVIEW

Financial position

Total income for the year ended 31 May 2021 was £143,264 (2020: £361,412), charitable expenditure in the year was £129,593 (2020: £381,075). The surplus for the year ended 31 May 2021 was £13,671 (2020: Deficit - £19,663).

As at 31 May 2021 the Sturminster Newton Community Building Trust held total reserves of £1,778,444 (2020: £1,764,773), £101,582 (2020: £61,219) of these total reserves were free reserves, being total unrestricted reserves less non-current assets. As at 31 May 2021 no restricted reserves were held by the charity (2020: £nil).

Reserves policy

It is the policy of the Charity to maintain unrestricted funds not committed or invested in tangible fixed assets (the 'free reserves') at a level which equates to approximately 2-3 months of unrestricted expenditure. This provides sufficient funds to cover management, administration and support costs and to respond to unexpected demands on funds.

The trustees have established a reserve fund to contribute to anticipated future expenditure on the fabric of the building and general maintenance. Transfers to this fund have continued.

The Trustees (who are also directors of Sturminster Newton Community Building Trust for the purposes of company law) are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and regulations.

The Trustees continue to review their own operation and governance and have developed a Business Plan.

The Trustees are introducing systems and procedures to address Covid-19 related risks, and are undertaking a review of all other major risks to which the Charity is exposed. They are satisfied that such risks are currently managed.

FINANCIAL REVIEW

Going concern and the impact of the Coronavirus

A return to limited operations during 2020 was halted by further lockdowns and restrictions. However the physical precautions, new policies and procedures put in place at that time enabled a cautious but smooth re-opening in the early summer of 2021.

We had received a grant from the Culture Recovery Fund with an operational period of six months (to 31 March 2021). This was extended until 30 June 2021. Retail hospitality and Leisure grant support continued until the end of compulsory closure.

The Exchange's role in hosting GP vaccinations for much of North Dorset brought many first time visitors through the doors. We are now hosting booster clinics.

Our core staff continued to maintain contact with ticket holders for rescheduled events and our volunteers. Since re-opening we have prioritised establishing and reinforcing the reputation of The Exchange as a safe environment. Ticket holders for all major events are contacted in advance, requesting the use of face coverings and consideration for others, and every effort is made to handle each event with sensitivity. We believe this has built a level of confidence among our visitors which is to our advantage in relation to some other venues. As of September, our major events are being well supported. We have taken advantage of the reduced number of high capacity events to add more small scale theatre and dance into the programme, which is refreshing our audience base.

We have confirmed our acting Manager as our new General Manager. We have now appointed one new full time member of staff, and reappointed one part timer, as the level of business has increased. Our volunteer base is still currently depleted, but with the benefit of experience we are on the way to building a stronger and younger staff team.

We have appointed new Trustees, increasing the diversity of the board.

Spending is still tightly controlled but we have been able to carry out some upgrades while re-commissioning equipment for reopening the building.

Some operational losses were anticipated in the early months of opening, but thanks to grant aid and the careful use of resources by our Manager, our reserves at the year-end were stronger than at the end of the previous year.

The Trustees and General Manager intend to maintain the cautious approach that has served us well to date, and in that context we see the coming year as an opportunity to build on a sound position, and to rebalance and improve our operation.

FUTURE PLANS

The Charity intends to maintain and improve links within the community by continuing to develop our activities and to subsidise community group rates.

The accumulation of adequate reserves will be a continuing priority. A full review of purchasing and operating practices will be undertaken to maximise recycling and improve our attitude and response to climate change issues.

A rolling review of working practices is proposed, to maintain and improve standards across the operation of The Exchange.
