In the High Court of Justice, Chancery Division

In the matter of Southern Cross Healthcare Group plc and its subsidiaries under Company Voluntary Arrangements

and in the matter of the Insolvency Act 1986

In accordance with Rule 1 29(2) of the Insolvency Rules 1986, we attach as Appendix 1 a copy of the Supervisors' final summary of receipts and payments in the above Company Voluntary Arrangements ("CVAs" or "the Arrangements") for the period 20 June 2015 to 31 May 2016 (the 'Period') and we report as follows

1 Introduction

Howard Smith and Richard Dixon Fleming of KPMG LLP were appointed as Joint Supervisors of the CVAs of the Group on 20 June 2012

In accordance with Rule 1 26A(4) and Rule 1 29(2) of the Insolvency Rules 1986, we attach as Appendix 1 a copy of the Joint Supervisors' summary of Receipts and Payments for the CVAs for the period 20 June 2015 to 31 May 2016

This is the Joint Supervisors' final report to creditors and covers the period 20 June 2015 to 31 May 2016 and should be read in conjunction with the Appendices

Please note that unless specifically stated, all amounts in this report are net of VAT

2 Summary of CVA Proposal

The key elements of the CVA proposal ("the Proposal") can be summarised as follows

- The objective of the proposed CVAs was to facilitate a solvent dissolution of the Group's legal structure and operations by providing a mechanism whereby the Companies will effect a *pari passu* distribution of funds which were available for that purpose between CVA Creditors. The funds that were available for distribution was £500,000. This amount was received on 28 June 2012. In addition, a further sum of £148,000 was paid by the Company to cover the Joint Supervisors' fees and expenses, as per Clause 20.2 of the Proposal.
- In accordance with Clause 17.3.2 of the Proposal, book debt realisations were detailed as an excluded asset. The Lenders, being Barclays Bank PLC and Lloyds TSB Bank plc, retained the element of their security relating to these assets.
- The claims of landlords would be agreed at an amount detailed in Annex 9 of the Proposal. In addition, as per Clause 16.5.1 and 16.6 of the proposal, any creditor with a claim of less than £2,000 would not receive a dividend. Instead, a donation equal to the aggregate dividend payable on such claims would be made to charity.

As previously reported, on 10 April 2014 the Joint Supervisors declared and paid a first and final dividend of 0.51 pence in the £, representing 51p for every £100 owed, to unsecured creditors of the Group.

3 Receipts

Total realisations since the start of the CVA were £648,000 as detailed above plus bank interest of £3,965

There have been no realisations during the Period

4 Payments

2.1 Distribution to the Company

As stated above, funds of £648,000 were originally made available at the start of the CVAs, to be used for the purposes of making the distribution to creditors of £500,000 and discharging the costs of the CVAs, including the payment of the Supervisors' fee of £135,000 as detailed in the Proposal

After payment of all costs in the CVAs, surplus funds of £10,297 have been returned to the Company

2.2 Supervisors fees

£135,000 has been paid to the Supervisors as fees, of which £15,000 has been drawn in the Period
Please see section 6 for more information

2.3 Other costs

Website maintenance costs of £1,520 has been paid since the start of the CVA of which £760 has been paid during the Period

Statutory advertising costs since the start of the CVA are £85 and bank charges of £433 have been incurred

5 Progress of the Arrangements

5.1 Claim against RBS

As mentioned in our previous report, the Joint Supervisors and the Director received notification from RBS that Alexandra Park Limited ("Alexandra Park"), a company which was itself previously subject to the CVA but for which a Notice of Termination had previously been issued, may be entitled to compensation following the mis-selling of an Interest Rate Hedging Product that was traded during June 2007. The value of the redress had been provisionally assessed at a level exceeding £200,000

Further details regarding the claim were enclosed in our previous report

During the Period, the Director has been liaising with RBS directly regarding this matter. It has been confirmed that no further proceeds will be received into the CVA

5.2 Conclusion of the CVAs

As previously reported, the Joint Supervisors issued Notices of Termination for 149 of the CVAs on 20 August 2012. Seven companies remain subject to CVA as follows

- Southern Cross Healthcare Group Plc
- Southern Cross Healthcare Investments No 1 Limited
- Southern Cross Healthcare Investments No 2 Limited
- Southern Cross (SX Holdco) Limited
- Southern Cross Healthcare Limited
- Southern Cross Healthcare Services Limited
- JP Bidco Limited (formerly Southern Cross Bidco Limited)

Clause 19.3 of the Proposal states that "The CVAs will come to an end when the CVA Supervisors are satisfied that the terms of the CVAs have been implemented "

Further to this, Clause 26.1 of the Proposal states that "Within 28 days of the CVA Supervisors having satisfied themselves insofar as is reasonably practicable that the arrangements contained in each CVA have been fully implemented or otherwise terminated, they shall inform the relevant Company in writing that they are proposing to conclude the CVAs by sending a Notice of Termination to the CVA Creditors and the relevant Company "

As all assets have been realised, the Joint Supervisors are of the opinion that the purpose of the CVAs has been achieved. As such notice of completion of the CVAs are attached to this report

5.3 Deviation from the CVA proposal

Creditors will be aware that Clause 19 of the Proposal provided that the CVAs were to remain in force for a period of 18 months or be extended at the Supervisors' discretion. As creditors are aware, the CVAs have been extended on a number of occasions to allow all outstanding formalities to be concluded.

The only material alteration to the original Proposal was the extension of time of the CVAs.

6 Office Holders' Remuneration

Nominees' fees totalling £90,000 were settled prior to the Supervisors' appointment as disclosed in the Proposal.

In accordance with paragraph 6.2 of the Proposal, the Joint Supervisors' remuneration was to be fixed on the basis of time properly spent by them and their staff in dealing with matters arising in the Arrangement and will be capped at £135,000. The Supervisors have drawn total fees of £15,000 in the Period, which brings total fees drawn through the estate to date of £135,000.

Attached at Appendix 2 is a detailed analysis of time spent and charge out rates for each grade of staff for the various areas of work carried out for the period 20 June 2015 to 31 May 2016 (as required by the Association of Business Recovery Professionals' Statement of Insolvency Practice No 9) together with details of expenses incurred to date. Appendix 3 details full time costs incurred by the Joint Supervisors since the start of the CVA for all Group companies.

Appendix 2 shows that the Joint Supervisors have incurred time costs in the period of £53,732, representing 149 hours at an average rate of £361 per hour. This brings total time costs incurred since the start of the CVAs to £560,809, representing 1,652 hours at an average rate of £339 per hour. This includes tax, VAT and pensions advice from KPMG LLP in-house specialists. Expenses of £565 were also incurred, shown at Appendix 3.

There were a range of issues outside the scope of the initial Proposal that the Joint Supervisors have dealt with, which include but are not limited to

- Dealing with queries from ex-employees of the Company requesting access to financial records, the provision of references as well as dealing with Employment Tribunals,
- Dealing with Local Councils and care home residents who had overpaid care fees, or paid fees to the incorrect care provider,
- Dealing with correspondence in relation to a number of personal injury and public liability insurance claims,
- Receipt of redirected mail,
- Extending the period of the CVAs on three occasions, which has resulted in both additional reporting requirements and additional general costs in running the case,
- Discussions with the Director of the Group in relation to the Interest Rate Hedging Product redress as set out in section 4,
- Dealing with queries from shareholders, and
- Dealing with requests for access to company records

None of the above mentioned work fell within the scope of the CVAs. Time spent by the Joint Supervisors and their staff on matters that fall outside the scope of the Joint Supervisors' role is detailed with the narrative "Additional CVA Work" in the SIP 9 time cost analyses shown at Appendices 2 and 3, and amounts to £7,757 in the Period (£124,668 since the start of the CVAs)

In addition to this, the Joint Supervisors have incurred significant additional time costs in the period in connection with additional reporting, internal controls and creditor correspondence. These have resulted from the need to extend the CVAs beyond their original end date. An analysis of such costs incurred during the period is illustrated below

<u>Activity</u>	<u>Time cost (£)</u>
General Creditor Correspondence	5,565
Statutory Reporting	10,952
Employee Correspondence	1,966
Checklist & Reviews	3,164
Strategy Documents	<u>5,158</u>
Total	26,805

The total time costs to date incurred on additional matters is £246,128, being the £26,805 detailed in the table above, the £94,655 detailed in my previous report and the additional CVA work of £124,668 since the start of the CVAs, as detailed above

As previously reported, the Director had paid KPMG LLP £155,000 for the additional work undertaken. An additional payment of £55,000 has been made to KPMG LLP during the Period for dealing with the ongoing matters outside the scope of the CVA proposal. This has been paid directly to KPMG LLP and as such is not reflected in the receipts and payments account attached at Appendix 1. This fee was not drawn from the funds held by the Joint Supervisors above and beyond the £135,000 set out in the Proposal, and accordingly there has been no detrimental effect on the unsecured creditors.

None of the above constitutes failure of the CVAs

Please note that all staff who have worked on this assignment, including cashiers and secretarial staff, have charged time directly to the assignment and are included in the analysis of time spent. However, the cost of staff employed in central administration functions is not charged directly to this assignment but is reflected in the general level of charge out rates.

7 Outcome for creditors

7.1 Secured creditors

Prior to the approval of the CVAs the Lenders signed a restructuring agreement whereby they agreed to release their security over leasehold property and certain other assets of the Group, which entitled them to submit an unsecured claim in the CVAs.

In accordance with Section 17.3.2 of the Proposal, book debt realisations (which were not anticipated to exceed £1,523,000) were detailed as an excluded asset in the CVAs. The Lenders retained the element of their security relating to these assets.

7.2 Unsecured creditors

As detailed in my previous report, on 10 April 2014 the Joint Supervisors declared and paid a first and final dividend of 0.51 pence in the £, representing 51p for every £100 owed, to unsecured creditors of the Group. This resulted in total distributions of £504,310. Funds used for the distribution included credit bank interest received.

Clause 17.3 of the Proposal in relation to "Unclaimed dividends" states that if a CVA creditor fails to deposit or cash the cheque within 6 months of the CVA distribution, the cheque of the CVA creditor shall be considered void.

There are a number of dividend cheques which have not been cashed and accordingly these will be passed to the Government's Treasury Solicitor.

8 Future conduct of the Arrangement

In line with Section 3 of the report, the CVAs have now come to a close. Notices of completion in respect of the CVAs for each of the Companies listed in section 4.2 are attached to this report.

Any further queries in relation to the above should be directed to Trang Nguyen on 0113 231 3914.

Where funds permit the officeholder will look to recover both Category 1 and Category 2 disbursements from the estate. For the avoidance of doubt, such expenses are defined within SIP 9 as follows

Category 1 disbursements These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff.

Category 2 disbursements These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

Any disbursements to be paid from the estate are disclosed within the summary of disbursements above

The only Category 2 disbursement that KPMG Restructuring currently charges is mileage. Mileage claims fall into three categories

- use of privately-owned vehicle or car cash alternative – 45 pence per mile,
- use of company car – 60 pence per mile, and
- use of partner's car – 60 pence per mile

For all of the above car types, when carrying passengers an additional 5 pence per mile per passenger will also be charged where appropriate
