**NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company was dormant throughout the current year and previous year.

The financial statements have been prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the company's needs. The directors have considered a period of twelve months from the date of approval of the financial statements and believe that no further disclosures relating to the company's ability to continue as a going concern need to be made in the financial statements

**Depreciation**

No depreciation is charged on freehold property because the directors consider that the economic life of the property and its residual value are such that depreciation is not significant. The residual value of the property is regularly reviewed in order to identify any permanent diminution in value which would be charged to the income and expenditure account.

**Service charges**

Under section 42 of the Landlord and tenant Act 1987, service charge funds are held in trust by the management company on behalf of the tenants. Such funds do not belong to the management company and are therefore not accounted for by it.
