NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 JANUARY 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents rental income receivable.

1.4 Tangible fixed assets and depreciation

No depreciation or amortisation is provided in respect of freeholds or leaseholds of over 50 years. The requirement of Companies Act 2006 is to depreciate all properties, but that requirement conflicts with the generally accepted accounting principle set out in FRSE. However, the directors believe that, as these properties are not held for consumption but for investment, to depreciate them would not give a true and fair view, and that it is necessary to adopt FRSE in order to give a true and fair view.

Properties are initially included at their full cost in the accounts once an irrevocable contract has been entered into and restated to open market value once historical cost no longer provides a true and fair view of their value.
