- (2) **HSBC UK Bank plc** as security trustee and security agent for the Secured Parties on the terms and conditions set out in the Intercreditor Agreement (**Security Agent**, which expression shall include any person for the time being appointed as security agent or as an additional trustee for the purpose of, and in accordance with, the Intercreditor Agreement).

Whereas

- (A) The Additional Chargor is a Subsidiary of the Company.
- (A) The Company and others have entered into a debenture dated 30 July 2021 (**Debenture**) between the Company under and as defined in the Debenture and the Security Agent.
- (B) The Additional Chargor has agreed to enter into this Deed and to become an Additional Chargor under the Debenture.
- (C) The Security Agent and the Additional Chargor intend this document to take effect as a deed notwithstanding the fact that a party may only execute this document under hand.
- (D) The Security Agent holds the benefit of this Deed on trust for the Secured Parties on the terms of the Finance Documents.

1 Definitions and interpretation

Terms defined in the Debenture have the same meaning in this Deed unless given a different meaning in this Deed. This Deed is a Finance Document.

2 Accession and covenant to pay

2.1 With effect from the date of this Deed the Additional Chargor:

- (a) will become a party to the Debenture as a Chargor; and
- (b) will be bound by all the terms of the Debenture which are expressed to be binding on a Chargor.

For the purposes of section 859D(2)(c) of the Companies Act 2006, the parties note that this includes the negative pledge provisions of clause 8 (Negative pledge and disposals) of the Debenture.

2.2 The Additional Chargor hereby covenants with the Security Agent (as trustee for the Secured Parties) that it shall discharge all obligations, as and when they fall due in accordance with their terms, which the Chargors may at any time have to the Security Agent (whether for its own account or as trustee for the Secured Parties) or any of the other Secured Parties under or pursuant to the Finance Documents (including this Security Deed of Accession and any Mortgage) including any liabilities in respect of any further advances made under the Finance

Documents, whether present or future, actual or contingent (and whether incurred solely or jointly and whether as principal or as surety or in some other capacity). The Additional Chargor shall pay to the Security Agent when due and payable every sum at any time owing, due or incurred by the Additional Chargor to the Security Agent (whether for its own account or as trustee for the Secured Parties) or any of the other Secured Parties in respect of any such liabilities under the Finance Documents, **provided that** neither such covenant nor the security constituted by the Debenture or any Mortgage shall extend to or include any liability or sum which would, but for this proviso, cause such covenant or security to be unlawful or prohibited by any applicable law.

3 Grant of Security

3.1 Fixed Security

The Additional Chargor hereby charges with full title guarantee in favour of the Security Agent as trustee for the Secured Parties as security for the payment and discharge of the Secured Obligations, by way of first fixed charge (which, so far as it relates to land in England and Wales vested in a Chargor at the date of this Debenture and listed in Schedule 1 (Details of Material Real Property), shall be a charge by way of legal mortgage) all such Chargor's right, title and interest from time to time in and to each of the following assets (subject in each case to obtaining any necessary consent to such mortgage or fixed charge from any third party) in each case both present and future:

4 Assignments

The Additional Chargor hereby assigns with full title guarantee to the Security Agent as trustee for the Secured Parties as security for the payment and discharge of the Secured Obligations, subject to a proviso for re-assignment on redemption, all the Additional Chargor's right, title and interest from time to time in and to each of the following assets (subject to obtaining any necessary consent to that assignment from any third party and without prejudice to the Additional Chargor's obligations under clause 7.3 (Consent of third parties) of the Debenture), in each case both present and future:

- (i) the proceeds of any Insurance Policy;
- (ii) all rights and claims in relation to any Assigned Account;
- (iii) each of the Specific Contracts (if applicable); and
- (iv) each and every sum from time to time paid or payable by any member of the Group for the time being to the Additional Chargor,

and, in each case, all Related Rights.

- (b) The floating charge created by this clause 5 shall be deferred in point of priority to all fixed security validly and effectively created by a Chargor under the Finance Documents in favour of the Security Agent as trustee for the Secured Parties as security for the Secured Obligations.
- (c) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 applies to the floating charge created pursuant to this clause 5.

6 Land Registry Restriction

The Additional Chargor consents to an application being made to the Chief Land Registrar to enter the following restriction in the Proprietorship Register of any property which is, or is required to be, registered and which forms part of the Real Property:

"No [disposition or specify type of disposition] of the registered estate [(other than a charge)] by the proprietor of the registered estate[, or by the proprietor of any registered charge, not being a charge registered before the entry of this restriction,] is to be registered without a written consent signed by the proprietor for the time being of the charge dated ♦ in favour of [Security Agent name] of [address] referred to in the charges register [or [their conveyancer or **specify appropriate details**]]."

- 9.2 The parties to this Deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes between them and, accordingly, that they will not argue to the contrary.
