Dear Sirs

BrabCo 670 Limited previously V-Fuels Biodiesel Limited ("the Company") – In Administration

This report to creditors and the proposals enclosed, together set out the information required by and to discharge the Joint Administrators' duty pursuant to Paragraph 49 of Schedule B1 of the Insolvency Act 1986 ("the Act") and Rule 2.33(1) and (2) of the Insolvency Rules 1986 ("the Rules").

1. Statutory details

Attached, as Appendix I, are the statutory details of the Company and information regarding the appointment of the Joint Administrators.

2. Circumstances leading to the appointment of the Joint Administrators

During 2008, the Company undertook a significant capital restructuring exercise borrowing, together with its parent undertaking (Green Park Ventures Limited), a total of £24,000,000 from a combination of BD Finance LLP, BlueCrest Strategic Limited, BlueCrest Strategic II BV, City Natural Resources, High Yield Trust plc, Elettra Sviluppo Srl and New City High Yield Fund plc ("the BlueCrest entities"). Capita Trust Company Limited was appointed as Security Trustee in respect of these borrowings.

Trading conditions throughout 2008 proved difficult and in late 2008 FTI Consulting Limited were instructed, by the BlueCrest entities, to market the Company for sale. Although two interested parties were identified, neither party wished to progress their offers to completion. As no buyer could be found, the Directors of the Company were forced to seek insolvency advice.

Notice of intention to appoint an Administrator was filed in HM High Court of Justice, Newcastle upon Tyne District Registry on 9 January 2009 by the Directors of the Company. Subsequent notices were filed on 22 January 2009, 4 February 2009 and 17 February 2009.

Tenon Recovery is a trading name of Tenon Limited.
Registered Office 66 Chiltern Street, London, W1U 4GB. Registered no: 04066924 England
A member of Tenon Group PLC
Directors and staff acting as Administrators act as agents of the company over which they are appointed and contract without personal liability.

On 6 April 2009, Steven P Ross and Robert C Keyes of Tenon Recovery were appointed as Joint Administrators pursuant to Paragraph 22 of Schedule B1 of the Act. The appointment provided that any act required or authorised under any enactment to be done by an Administrators may be done by either or both of the Administrators acting jointly or alone.

Throughout the period from 9 January 2009 and 6 April 2009 the Directors of the Company were in discussions with the BlueCrest entities and the proposed Administrators with a view to securing a sale of the business.

3. Objectives of administration and strategy for achievement by the Joint Administrators

The objective of the Administration process is to:-

- (a) rescue the company as a going concern; or
- (b) achieve a better result for the company's creditors as a whole than would be likely if the company were wound up (without first being in Administration); or
- (c) realise property in order to make a distribution to one or more secured or preferential creditors.

The first objective for the Administration could not be met. Without an immediate injection of replacement funding the Company could not be rescued as a going concern. No such funding was available.

The value of the Company's assets relative to the secured debts together with the disposal of the business on a break-up basis (see Paragraph 4) meant that the second objective also became unlikely.

The strategy for the Administration is therefore to realise property in order to make a distribution to one or more secured or preferential creditors.

4. Management of the business by the Joint Administrators following appointment

Regrettably, it was concluded that circumstances did not allow the Joint Administrators to consider a period of trading, the Company ceased to trade with immediate effect. However, I am pleased to report an early sale of the business was completed on 6 April 2009, which was considered to be in the best interest of creditors as a whole. I attach full details of the sale, as Appendix II, for your information.

5. Proposed exit route of Administration

It is proposed that the Administration will end with the Company being placed into either Creditors Voluntary Liquidation ("CVL") pursuant to paragraph 83 of schedule B1 to the Act, or into

Compulsory Liquidation pursuant to a petition being presented to the court by the Joint Administrators.

Enclosed with this report are the Joint Administrators proposals, which include at proposal (c) that, Steven Philip Ross and Robert Christopher Keyes be the proposed liquidators of the Company.

If the Joint Administrators consider it appropriate to exit into a CVL, then pursuant to paragraph 83(7) of Schedule B1 to the Act and rule 2.117(3) of the Rules, the creditors may nominate a different person(s) as the proposed liquidator(s) provided that the nomination(s) is made after the receipt of the proposals but before the proposals are approved. If the Company exits into compulsory liquidation, the Joint Administrators propose to take the appointment as Joint Liquidators pursuant to section 140(1) of the Act

6. Statement of Affairs

A Statement of Affairs is attached to this report, as Appendix III.

6.1. Assets subject to fixed charge

Certain of the Company's assets are subject to a fixed charge in favour of Capita Trust Company Limited (as Security Trustee for the BlueCrest entities), dated 28 March 2008.

6.2. Plant, machinery, fixtures, fittings, motor vehicles and equipment

Certain of the Company's assets are subject to a floating charge in favour of Capita Trust Company Limited (as Security Trustee for the BlueCrest entities), dated 28 March 2008.

6.3. Trade debtors

The Company's book debts, with a book value of £36,912, had been discounted to £1,837 in order to provide for contras, counterclaims, doubtful debts, collection costs etc.

6.4. HM Revenue & Customs

VAT recoverable of £6,812 had been discounted to £Nil due to HM Revenue & Customs right to off-set.

6.5. Business Current Account - NatWest

The Company's bank account currently had a balance of £133,509.

7. Joint Administrators' Abstract of Receipts and Payments

I attach, at Appendix IV, a summary of the Joint Administrators' Abstract of Receipts and Payments to the date of this report. There have been realisations totalling £323,763.51 (including VAT) as

specified above. Expenses totalling £36,275.10 have also been incurred, which I trust you will find self explanatory.

8. Joint Administrators' Proposals

Pursuant to Paragraph 49 of Schedule B1 of the Act, enclosed with this report are the Joint Administrators' proposals for achieving the purpose of the Administration as set out in Section 3 of this report.

9. The Prescribed Part

A debenture was granted in favour of Capita Trust Company Limited on 28 March 2008. Since this charge follows the commencement of the provisions of Section 176A of the Act, the Joint Administrators are required to set aside a "Prescribed Part" fund specifically for unsecured creditors. Such a fund will not apply should the Company's net property amounts to less than £10,000 and the Joint Administrators consider that the cost of making such a distribution would be disproportionate to the benefits. The prescribed part will be calculated at 50% up to £10,000 and 20% of the property that exceeds this amount.

An estimate of the prescribed part is shown in the statement of affairs but it should be noted that this is based upon the Company's gross assets prior to the costs of the Administration process.

10. Joint Administrators' remuneration

The Administrators are proposing to be remunerated by reference to time properly spent by them and their staff in attending to the matters arising from the Administration of the Company. The Joint Administrators will be seeking agreement for such remuneration from each of the secured creditors and 50% of the preferential creditors pursuant to Rule 2.106(5A) of the Rules.

11. Meeting of Creditors

The Joint Administrators propose that there will be no meeting of creditors under Paragraph 51(1) of Schedule B1 of the Act because the Company has insufficient property to enable a distribution to be made to unsecured creditors other than by virtue of Section 176A(2)(a) of the Act.

Creditors may cause the Joint Administrators to summon an initial creditors meeting as follows:-

- i At the least 10% of the creditors, measured against the Company's total debts, must request this meeting; and
- ii The request must be made on Form 2.21B (available upon request) and made within 12 days of the date of this document. It must also include a list of the creditors concurring with the request, showing the amounts of their respective debts, and confirmation of concurrence.

Please note that the expenses of summoning and holding the meeting shall be paid by that person, in advance of the meeting.

12. Joint Administrators' investigations

Under the insolvency legislation, I have a duty to consider the conduct of those who have been directors of the Company at any time within three years preceding the Administration. I am also required to consider whether any civil proceedings should be taken. Please let me know, using the attached form, if there is any matter of which you believe I should be aware when considering the directors' conduct. I would stress that this request for information forms part of my usual investigation proceedings.

13. EC Regulation on Insolvency Proceedings 2000

For the following reason it is considered that the EC Regulation on Insolvency Proceedings 2000 will apply. If it does apply, these proceedings will be the main proceedings as defined in article 3 of the EC regulation.

The Company's registered office is from where the Company carries on its business. Therefore in the absence of proof to the contrary, the Company's centre of main interests is in the United Kingdom.

14. Further information

Should you require any further information, please do not hesitate to contact Steven J Brown on the telephone number shown at the head of this report.

Yours faithfully
For and on behalf of

Statement of Joint Administrators' Proposals

BrabCo 670 Limited previously V-Fuels Biodiesel Limited – In Administration

Statement of Joint Administrators' proposals Pursuant to Paragraph 49 of Schedule B1 of the Insolvency Act 1986

In accordance with Paragraph 49 of Schedule B1 of the Insolvency Act 1986 ("the Act") and The Insolvency Rules 1986 ("the Rules"), Steven Philip Ross and Robert Christopher Keyes the Joint Administrators ("Administrators") of BrabCo 670 Limited previously V-Fuels Biodiesel Limited ("the Company"), make the following proposals for achieving the purpose of the Administration.

These proposals and the attached report to creditors together set out the information required by and discharge the Administrators' duty pursuant to Paragraph 49 of Schedule B1 of the Act and Rule 2.33 of the Rules.

An initial meeting of creditors has not been summoned pursuant to Paragraph 52(1)(b) since the Administrators consider that the company has insufficient property to enable a distribution to be made to unsecured creditors.

Proposals

The Administrators propose that:

- (a) They continue to manage the business, affairs and property of the Company in order to achieve the purpose of the Administration such that:
 - (i) they dispose of the Company's ownership of such assets at such time(s) on such terms as they consider expedient;
 - (ii) they investigate and, if appropriate, pursue any claims that the Company may have against any person, firm or company whether in contract or otherwise, including any officer or former officer of the Company or any person, firm or company which supplies or has supplied goods or services to the Company.
 - (iii) in addition, they do all such things and generally exercise all their powers as Administrators as they in their discretion consider desirable or expedient in order to achieve the purpose of the Administration or protect and preserve the assets of the Company or maximise the realisations of those assets, or of any purpose incidental to these proposals; and
- (b) The Administration shall continue (subject to the statutory provisions relating to automatic termination) until the realisable assets of the Company have been realised and all liabilities incurred during the Administration have been discharged or until such a time as deemed appropriate by the Administrators. At this stage the Company shall be dissolved or placed into liquidation as outlined below. If necessary, the Administrators propose to seek an extension of their appointment as Administrators from the creditors and/or the Court pursuant to paragraph 76 of Schedule B1 to the Act.
- (c) If the Administrators consider that there will be no distribution to creditors who are neither secured nor preferential, and if they also consider that an exit from the Administration into compulsory liquidation is not appropriate, then the Administrators be authorised to take the necessary procedural steps to bring about the end of the Administration and move the Company into dissolution pursuant to paragraph 84 of Schedule B1 to the Act.
- (d) In the event that the Administrators are of the view that it is appropriate for the Company to move from Administration into Liquidation, whether compulsory or voluntary, the Administrators be authorised to take steps to place the Company into whichever

liquidation process they, at their discretion, deem appropriate. In either circumstance, it is proposed that the Joint Administrators would take the appointment as joint liquidators of the Company and that they will act jointly and severally in their duties.
