The required tax clearances were requested from HM Revenue & Customs (“HMRC”) and have been received.

REMUNERATION

The Company qualified for a Bronze Plus Service MVL at a fixed fee of £1,350 plus disbursements and VAT. These fees and disbursements were paid before the Company entered liquidation and as such there is no requirement for me to provide details of our time costs in this matter. These fees represent my firm's charges for both the pre and post appointment periods.

A breakdown of the disbursements charged is detailed below:

Disbursement	Provider	£
Statutory specific penalty bond	IRS	140.63
Statutory Advertising	TMP	258.00
Total disbursements		£398.63

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

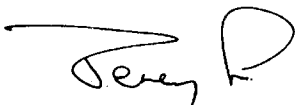

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

It has not been necessary for me to engage any third party advisers during the period of liquidation.

A copy of 'A Members' Guide to Liquidator's Fees', together with an explanatory note which shows Frost Group Limited's fee policy are available at the link <http://frostgroup.co.uk/about/policies-and-procedures>. A hard copy of both documents can be obtained on request from the address below.
