Directors' responsibilities statement For the year ended 31 December 2013

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report to the members of Partnerships in Care Property 6 Limited

We have audited the financial statements of Partnerships in Care Property 6 Limited for the year ended 31 December 2013 which comprises the Profit and Loss Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in preparing the Directors' report.

Notes to the financial statements For the year ended 31 December 2013

1. Accounting policies

1.1 Basis of accounting

These financial statements are prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principal accounting policies, which have been applied consistently throughout the year, are set out below.

1.2 Cash flow

The Company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1.

1.3 Related party disclosures

As the Company is a wholly owned subsidiary of Partnerships in Care Group Limited, (as disclosed in note 13), the Company has taken advantage of the exemption contained in FRS 8 'Related party disclosures' and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties).

1.4 Turnover

Turnover comprises revenue recognised by the Company in respect of rental income receivable during the year, exclusive of Value Added Tax.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	over 50 years straight line
Fixtures & fittings	-	over 5 to 10 years straight line
Building structural alterations and refurbishment	-	over 5 or 10 years straight line

No depreciation is provided on freehold land.

Costs include directly attributable finance costs.

The property held by the Company is made available to fellow subsidiary companies for the operation of their business and as such is accounted for under FRS 15.

1.6 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

Factors affecting tax charge for the year

The tax assessed for the year is lower than (2012 - lower than) the standard rate of corporation tax in the UK of 23.24656% (2012 - 24.4971%). The differences are explained below:

	2013 £	2012 £
Profit/(loss) on ordinary activities before tax	587,351	493,167
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 23.24656% (2012 - 24.4971%)	136,539	120,812
Effects of:		
Expenses not deductible for tax purposes - fixed assets	38,697	42,498

Adjustments to tax charge in respect of prior years	(2,169)	2,169

Transfer pricing adjustments	(3,559)	(11,406)
Current tax (credit)/charge for the year (see note above)	(2,169)	2,169

Factors that may affect future tax charges

The level of disallowable expenses and utilisation of tax losses carried forward will impact future tax charges.

Reductions in the UK corporation tax rate from 26% to 24% (effective from 1 April 2012) and to 23% (effective 1 April 2013) were substantively enacted on 26 March 2012 and 3 July 2012 respectively. Further reductions to 21% (effective from 1 April 2014) and 20% (effective from 1 April 2015) were substantively enacted on 2 July 2013.

This will reduce the company's future current tax charge accordingly. The deferred tax liability at 31 December 2013 has been calculated based on the rate of 20% substantively enacted at the balance sheet date.
