EQUITY FOR GROWTH (SECURITIES) LIMITED IN ADMINISTRATION

JOINT ADMINISTRATORS' PROGRESS REPORT

24 SEPTEMBER 2009 TO 23 MARCH 2010

HIGH COURT OF JUSTICE

No: 14110 of 2009

1. PURPOSE OF REPORT

This report is prepared pursuant to Rule 2 47 of the Insolvency Rules 1986 (as amended). The purpose of the report is to provide creditors with information relating to the progress of the administration from 24 September 2009 to 23 March 2010. This report should be read in conjunction with the joint administrators' proposals and previous report.

2 JOINT ADMINISTRATORS' APPOINTMENT

Christopher Laughton and Steven Leslie Smith of Mercer & Hole, 76 Shoe Lane, London, EC4A 3JB were appointed joint administrators by an order of the High Court of Justice with effect from 24 March 2009

The application to place the company into administration was lodged at the High Court of Justice by the directors, Mr Tim Baldwin and Ms Melanie Haime, under paragraph 12 of Schedule B1 of the Insolvency Act 1986

The joint administrators are authorised to act jointly and severally in accordance with Paragraph 100 (2) of Schedule B1

3. COMPANY DETAILS

The registered number of the company is 05410446

The registered office of the company is 3rd Floor, 76 Shoe Lane, London, EC4A 3JB

4. RECEIPTS AND PAYMENTS SUMMARY

Attached is a receipts and payments account, covering the 6 months from 24 September 2009 to 23 March 2010, which shows that £150,000 has been realised to date in respect of the various shares and investments held by the company and £4,000 has been realised in respect of an ongoing contract. The various assets disposed of were sold, with the approval of the creditors' committee, to Equity for Growth Limited, a company controlled by Mr Tim Baldwin.

The backdating of the administrators' appointment meant that all of the costs from the first invalid appointment on 24 March 2009 were payable from the assets in the estate. The costs attributable to this have been shown separately in the attached receipts and payments account

The receipts and payments account details legal costs of £11,825 70 associated with the original invalid appointment and further legal costs of £10,964 00. The joint administrators' fees drawn to date are £9,273 53 in respect of the invalid appointment and £93,525 00, in relation to the conduct of the administration for the period since the appointment was confirmed

5. DIVIDEND PROSPECTS FOR CREDITORS

The level of dividend that will be available to creditors will be quantified in due course in the CVA proposals that the administrators currently anticipate being put forward

Prescribed Part

The prescribed part is not relevant to this administration

6. CONDUCT OF THE ADMINISTRATION

FSA Registration

As a result of the administrators' working with the FSA over the past 12 months the company has been able to keep its FSA registration and the FSA has been satisfied that the company can continue to operate during this period

The maintenance of the FSA registration has meant that the current strategy, to seek a CVA and rescue the company, remains feasible and is likely to produce the best return for creditors

Company Voluntary Arrangement

The administrators are endeavouring to work with the directors and Equity for Growth Limited to pursue a company voluntary arrangement through which the company will be returned to solvency

The implementation of a CVA is said to have been somewhat prolonged due to the global economic problems and illiquidity of the capital markets. We are told that these issues have meant that progress with securing investment funding through Equity for Growth Limited has been more difficult than initially expected.

The director however remains confident that he will be able to raise sufficient funds to continue with the original strategy for the administration and propose a CVA which will be acceptable to creditors

Disposal of Assets

The joint administrators have sold the assets of the company to Equity for Growth Limited for £150,000. This included such interests as a small shareholding in two private limited companies, rights to warrants in a public company and rights to future income in respect of two further private limited companies.

The sale represents a better realisation than was anticipated at the date of the previous progress report

Pathfinder Properties Plc

Prior to administration the company was in advanced negotiations with Pathfinder Properties Pic to assist in a capital raise

The joint administrators, assisted by the directors, continued these negotiations and entered into an agreement with Pathfinder Properties Plc The agreement will generate an ongoing fee for the company, as well as lump sum payments when certain preset targets are achieved in the capital raise. The initial payments due under this contract have been received and it is anticipated that future fees earned will continue to be realised.

By entering into the agreement the administrators have also preserved the trading losses for corporation tax purposes, by continuing to trade, and made the company more attractive to investors by way of it having an active contract. It is expected that the initial lump sum will be received in the near future.

7. ASSETS REMAINING TO BE REALISED

The joint administrators continue to concentrate on achieving a return to solvency, by way of a CVA. The basis for a CVA is to seek fresh investment into the company, giving a lump sum payment to creditors, as well as for an agreement to future contributions based on a percentage of future profits.

The administrators and directors are of the opinion that the company, with FSA registration, an active contract and significant tax losses represents an attractive opportunity and that the Company will be in a position to make a satisfactory proposal for a CVA A CVA is still believed to be the right strategy and in the best interests of the creditors

8. ADMINISTRATORS' PROPOSALS

The joint administrators' proposals were approved by creditors at a meeting held on 28 July 2009

The joint administrators have progressed the administration in accordance with the proposals through the pursuit of the rescue of the company

There has been no material variations or deviations from the proposals

The creditors' committee has been consulted throughout the administration and has continued to indicate support for the strategy of the administration

9. EXTENSION OF THE ADMINISTRATION

On 5 March 2010 the joint administrators made an application to court for the extension of the administration for a period of 12 months. On 17 March 2010 the court made the order to extend the administration for the period requested.

The reason for the extension to the administration is to allow the administrators to continue their work to propose a CVA and return the company to solvency This will allow the administrators to achieve the purpose of the administration, namely that listed at paragraph 3(1)(a) of schedule B1 of the Insolvency Act 1986, being 'rescuing the company as a going concern'

The work undertaken to date has meant that the administrators remain satisfied that a CVA remains the appropriate strategy and should continue to be pursued

10. JOINT ADMINISTRATORS' REMUNERATION AND DISBURSEMENTS

At the creditors' committee meeting on the 7 December 2009 the committee approved the joint administrators' remuneration based on a time costs basis and to be drawn as and when funds became available. Time costs are to be charged at Mercer & Hole's standard rates for this type of work.

To date fees of £102,798 53 have been drawn since the appointment. This includes £9,273 53 of costs incurred in relation to the invalid administration appointment and drawn in accordance with the administration order of 19 May 2009. Since appointment total costs of £116,739 50 have been incurred on the administration of this case by the administrators and their staff, of which £10,036 relate to the invalid appointment. This represents 597 15 hours at an average cost of £195 49 per hour.

Attached to this report is a summary of the time and costs incurred by the joint administrators to the date of this report and a summary of the current charge out rates for insolvency appointments

A copy of the Creditors' Guide to Administrator's fees may be downloaded from the insolvency section on our website at www mercerhole coluk, alternatively, should you require a hard copy please contact us and we shall be happy to forward one, to you
