Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101"). The financial statements are prepared on the historical cost basis and are presented in pounds sterling, rounded to the nearest thousand.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the UK ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's immediate parent undertaking, JD Sports Fashion Plc includes the Company in its consolidated financial statements. The consolidated financial statements of JD Sports Fashion Plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from JD Sports Fashion Plc, Hollinsbrook Way, Pilsworth, Bury, BL9 8RR or online at www.jdplc.com.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

2. ACCOUNTING POLICIES - continued

Investments in subsidiary undertakings

All investments in subsidiary undertakings are stated at cost less provisions for impairment losses.

Trade and other creditors

Trade and other creditors are non-interest bearing and recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

Impairment

The carrying amounts of the Company's assets other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the profit and loss account.

Critical accounting estimates and judgements

The preparation of financial statements in conformity with FRS 101 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The judgements, estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are discussed below:

(i) Impairment of investments

Investment carrying values are reviewed for impairment if events or changes in circumstances indicate that the carrying amount of an asset or a cash generating unit is not recoverable. Recoverable amount is the higher of fair value, as supported by a management valuation, less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset for which the estimates of future cash flows have not been adjusted.

3. DIRECTORS' REMUNERATION

The Directors did not receive any emoluments from the Company during the year as they are employed by, and were remunerated through, other JD Sports Fashion Plc companies. The Directors did not provide any material qualifying services to the Company.
