#### GB Building Solutions Limited ('the Company') - In Administration

It is now 35 months since my appointment in respect of the Company. In accordance with Rule 18.6 of the Insolvency (England and Wales) Rules 2016 we now report the progress made in implementing the approved proposals and achieving the statutory purpose of the Administration for the reporting period from 27 July 2017 to 26 January 2018 ('the Period').

#### 1 Statutory Information

The Joint Administrators are Antony Nygate officeholder number: 9237 of BDO LLP, 55 Baker Street, London, W1U 7EU and Francis Graham Newton officeholder number: 9310 of BDO LLP, Central Square, 29 Wellington Street, Leeds LS1 4DL and they were appointed in respect of the Company on 9 March 2015. Under the provisions of paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 the Joint Administrators carry out their functions jointly and severally meaning any action can be done by one Administrator or by both of them.

The Joint Administrators were appointed by the directors of the Company, pursuant to Paragraph 22 of Schedule B1 to the Insolvency Act 1986. The Administration proceedings are dealt with in the High Court of Justice, Chancery Division and the Court case number is 1670 of 2015.

The Company's registered office is situated at c/o BDO LLP, 55 Baker Street, London, W1U 7EU and the registered number is 05419658.

We enclose, for your information, a summary of my receipts and payments to date showing a balance in hand of £214,695, together with a copy of my summary account covering the Period, and report as follows:

### 2 Receipts

We have made the following realisations during the Period:

A total of £26,517 was received in respect of book debts.

#### Interest Gross

A total of £85 was received in respect of gross interest.

#### **Sundry Refunds**

A total of £1,169 was received from Walker Morris in respect of sundry refunds.

#### 3 Costs in the Administration

We additionally provide a summary of the professional fees and other expenses which have been paid in the Period.

#### **Storage Costs**

#### **Bank Charges**

A total of £18 was paid in respect of bank charges incurred during the Period.

#### **Sundry Expenses**

Insurance of £440 and sundry expenses of £35 were settled during the Period of the Administration.

#### Legal Fees & Disbursements

A total of £25,303 was paid to Pinsent Masons in respect of legal costs incurred during the Period. These costs relate to legal advice received in support of the realisation of the Company's contractual debtors. Future anticipated legal costs are initially estimated at £25k but may vary depending on whether any contractual claims are to be litigated.

#### 4 Pre Appointment Costs

The Joint Administrators' proposals dated 29 April 2015 included a provision for preappointment costs totalling £164,164. These costs are summarised in the table below.

State of the second	13115	* 12	- ; ' 0
Joint Administrators fees	122,047	-	122,047
Expenses - security	42,117	(42,117)	-
	164,164	(42,117)	122,047

The Joint Administrators pre-appointment fees are subject to the Bank's approval and have not yet to been drawn.

#### 5 Future of the Administration

#### **Contract Recoveries**

As indicated in the previous report to creditors, we anticipate that recoveries from the Contractual debts will be protracted. In conjunction with the appointed solicitors and Leslie Keats (formerly Capita) we are continuing to pursue a number of parties. Given the nature of the debtors, we are unable to provide an indication of the likely sums that will be recoverable. The Joint Administrators are seeking resolution of all outstanding matters within the next 6-12 months, subject to any litigation being commenced.

#### **Contracts in Progress**

Leslie Keats continue to assist us with the review of the debtor accounts of c£15.9m in respect of contracts that were on-going as at the date of the administration. A significant number of accounts have been subject to counter-claims and as such any recoveries will only be quantifiable once the contracts have completed and remedial works quantified with the employers. The Joint Administrators are seeking resolution of all outstanding matters within the next 6-12 months, subject to any litigation being commenced.

#### Completed contracts

Leslie Keats continues to assist in the recovery of c£9.5m of debts due under completed contracts, of which £453,000 has been realised to date. It is anticipated that further amounts will be recoverable as contract defect periods expire and retentions become payable. Again, we are unable to quantify the level of future recoveries. The Joint Administrators are seeking resolution of all outstanding matters within the next 6-12 months, subject to any litigation being commenced.

#### Sub-contractor claims

As previously reported, the Company had a number of claims against sub-contractors and the respective professional indemnity insurers. The Company's directors estimated that the claims had a potential value of c£11m. Our solicitors and Leslie Keats have spent a significant amount of time reviewing the claims. We are in correspondence with several parties in respect of the Company's claims. As with the contractual recoveries, we are unable to estimate the potential realisations at this time. As with the above matters, the Joint Administrators anticipate concluding the claims within the next 6-12 months.

#### 6 Investigation

The Joint Administrators have a duty to investigate the affairs of the Company and also the conduct of the directors and in respect of the latter, to submit a confidential statutory report to the Secretary of State. We confirm that a report has been submitted.

We have completed our review of the Company's affairs and assets to establish whether there are any actions that can be investigated for the benefit of the creditors and concluded there are no causes of action to be pursued.

3

#### 7 Extension of the Administration

As stated in my previous report, the Administration has been extended with the consent of the Court and is set to expire on 9 March 2019.

#### 8 Prospects for Creditors

#### **Prescribed Part**

Under Section 176A of the Insolvency Act 1986 where after 15 September 2003 a company has granted to a creditor a floating charge a proportion of the net property of that company must be made available purely for the unsecured creditors. The Company has granted floating charge security to Lloyds Banking Group ('the Bank') in August 2013 so the provisions will apply in this Administration.

Based on realisations to date and the quantum of the preferential creditors' claims, there will be insufficient asset realisations to enable a distribution to unsecured creditors via the prescribed part.

#### **Secured Creditor**

As at the date of the Administration, the Bank was owed c£6.75m plus interest and accrued charges. The debt has been cross guaranteed by a number of other GB Group companies. The debt includes a group performance bond which has been claimed in full pending clarification of a formal call on the bond.

To date no distributions have been made to the Bank from the Company. In total across the GB Group companies the Bank has received £900k under its security. It is anticipated that the Bank will suffer a shortfall in respect of its security.

#### Preferential Creditors

Preferential claims are those of employees with arrears of wages (capped at £800 per employee) and outstanding holiday pay (uncapped).

The Company employed 384 employees who were made redundant on or shortly after our appointment. The current estimate, based on claims received to date, is that the employees will have preferential claims of c.£500,000. There may be sufficient asset realisations to enable a distribution to preferential creditors. However, the quantum and timing of any distribution to preferential creditors is currently uncertain.

#### **Unsecured Creditors**

The records of the Company indicated that unsecured creditor claims, excluding any shortfall to the bank or cross guarantees, were c.£76m. Please note, we have not adjudicated or sought final claims from the unsecured creditors, consequently these figures may increase or decrease and should therefore be treated with caution.

As stated earlier in this report, I do not anticipate there will be sufficient realisations to enable a return to unsecured creditors.

#### 9 Joint Administrators' Remuneration

The Joint Administrators were obliged to fix their remuneration in accordance with Rule 18.16. This permits remuneration to be fixed either:

- (1) as a percentage of the assets realised and distributed; and/or
- (2) by reference to the time the Joint Administrators and the staff have spent attending to matters in the administration; and/or
- (3) as a set amount; and/or
- (4) as a combination of the above.

The Joint Administrators remuneration was approved on the basis of time properly spent in dealing with issues in the administration. To date, the Joint Administrators have drawn £418,000 in respect of remuneration, none of which was drawn in the period of this report, as shown on the enclosed Receipts and Payments account.

We attach two schedules detailing the time costs incurred to date. The first schedule covers the period of this report, 27 July 2017 to 26 January 2018. This records time costs of £26,368 which represents 107 hours spent at an average charge out rate of £247 per hour.

The second schedule covers the whole period of appointment and records time costs of £723,857 which represents 2,733 hours spent at an average charge out rate of £265 per hour.

For guidance, we enclose a document that outlines the policy of BDO LLP in respect of fees and disbursements.

#### 10 Joint Administrators' Disbursements

Total disbursements of £15,053 have been incurred in this Administration to date as detailed below:

Bonding	200		200
Statutory Advertising	334	-	334
Storage	12,422	-	12,422
Subsistence	59		59
Travel Costs	984	÷	984
Mileage		256	256
PR	603		603
Mail redirection	195	=	195
Total	14,797	256	15,053

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements. Since our last report category 1 disbursements of £17 have been incurred in respect of storage costs.

The creditors have previously approved that the Joint Administrators be authorised to draw category 2 disbursements in respect of printing, stationery, photocopying, telephone and other electronic communication on the basis of £12.50 per creditor in the first year of the administration and £6.25 per creditor in respect of each subsequent year and on the basis of the mileage scale approved by HMRC, being 45p per mile unless otherwise disclosed to the creditors. No category 2 disbursements other than mileage will be drawn in respect of the administration of the Company.

Disbursements totalling £14,756 have been drawn to date.

#### GB Building Solutions Ltd - In Administration

In accordance with best practice I provide below details of policies of BDO LLP in respect of fees and expenses for work in relation to the above insolvency.

The current charge out rates per hour of staff within my firm who may be involved in working on the insolvency, follows:

GRADE	£
Partner	741
Manager	328-572
Assistant Manager	295
Senior Administrator	276-295
Administrator	67-249
Other staff	102

This in no way implies that staff at all such grades will work on the case. The rates charged by BDO LLP are reviewed on a regular basis and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. Units of time can be as small as 3 minutes. BDO LLP records work in respect of insolvency work under the following categories: -

Pre Appointment
Steps upon Appointment
Planning and Strategy
General Administration
Asset Realisation/Management
Trading Related Matters
Employee Matters
Creditor Claims
Reporting
Distribution and Closure
Other Issues.

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the six categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring insolvency practitioners.

Where an officeholder's remuneration is approved on a time cost basis the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis a periodic report will be provided to any committee appointed by the creditors or in the absence of a committee to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

#### Other Costs

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into two categories.

#### Category 1

This heading covers expenses where BDO LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, couriers, travel (by public transport), land registry searches, fees in respect of swearing legal documents etc. In each case the recharge will be reimbursement of a specific expense incurred.

. . .

#### Category 2

Insolvency practice additionally provides for the recharge of expenses such as printing, stationery, photocopying charges, telephone, email and other electronic communications eg webhosting, which cannot be economically recorded in respect of each specific case. Such expenses, which are apportioned to cases, must be approved by the creditors in accordance with the Insolvency (England and Wales) Rules 2016, before they can be drawn, and these are known as category 2 disbursements. The current policy of BDO LLP is to recharge this expense on the basis of a figure based upon the number of creditors with whom we have to communicate and report during the insolvency. This is the method of calculation that was historically provided under statutory orders for the Official Receiver.

In respect of the administration of GB Building Solutions Limited we have approval for but will not charge £12.50 (plus VAT) for the first year and £6.25 (plus VAT) for each subsequent year, per creditor. This was to cover the disbursement costs of for printing and stationery, together with all photocopying, telephone, email and other electronic communications e.g. webhosting.

A further disbursement under this heading is the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 45p per mile is raised which is in line with the HM Revenue & Customs Approved Mileage Rates (median - less than 10,000 miles per annum) which is the amount the firm pays to staff. Where costs are incurred in respect of mileage, approval will be sought in accordance with the Insolvency (England and Wales) Rules 2016 to recover this disbursement.

Where applicable, all disbursements will be subject to VAT at the prevailing rate.
