The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

## Exclusive Footwear Limited

### Notes to the Financial Statements for the Period 30 January 2022 to 28 January 2023

#### **1. STATUTORY INFORMATION**

Exclusive Footwear Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

#### **2. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

These financial statements were prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") as issued in August 2014. The financial statements are prepared on the historical costs basis. The presentation currency of these financial statements is pound sterling, rounded to the nearest thousand, unless otherwise stated.

This Company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The Company has therefore taken advantage of exemptions from the following disclosure requirements:

- a Cash Flow Statement and related notes;
- disclosures in respect of financial instruments; and
- disclosures in respect of the compensation of Key Management Personnel.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

The preparation of financial statements in conformity with FRS 102 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities that are not readily apparent from other sources.

Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

**2. ACCOUNTING POLICIES - continued**

**Going concern**

As the Directors do not intend to acquire a replacement trade for the Company they have not prepared the financial statements on a going concern basis. No adjustments to the financial statements have been required as a result of this.

**Trade and other debtors**

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost less impairment losses. A provision for the impairment of trade and other debtors is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation and default or delinquency in payments are considered indicators that the trade and other debtors are impaired. The movement in the provision is recognised in the profit and loss account.

**Trade and other creditors**

Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

**3. DIRECTORS' REMUNERATION**
