2019 NEW YORK LAW SECURITY AGREEMENT FOR INITIAL MARGIN (IM)

between

CITADEL SECURITIES (EUROPE) LIMITED and
("Security-provider")

GOLDMAN SACHS INTERNATIONAL
("Security-taker")

made on August 25, 2022

relating to the:

ISDA Master Agreement

between Security-provider and Security-taker,

and

Collateral Transfer Agreement

dated August 25, 2022 between Security-provider and Security-taker.

This Agreement is entered into in relation to the ISDA Master Agreement and Collateral Transfer Agreement.

Accordingly, the parties agree as follows:—

Paragraph 1. Definitions, Inconsistency and Headings

(a) **Definitions and Inconsistency.** Unless otherwise defined in this Agreement, capitalized terms defined in the Collateral Transfer Agreement have the same meanings in this Agreement. Capitalized terms not otherwise defined in this Agreement or in the Collateral Transfer Agreement have the meanings specified pursuant to Paragraph 6, and all references in this Agreement to Paragraphs are to Paragraphs of this Agreement. In the event of any inconsistency between this Agreement and the provisions of the ISDA Master Agreement and the Collateral Transfer Agreement, the provisions of the ISDA Master Agreement and the Collateral Transfer Agreement (as applicable) shall prevail and in the event of any inconsistency between Paragraph 7 and the other provisions of this Agreement, Paragraph 7 will prevail.

¹ Note that this 2019 New York Law Security Agreement for Initial Margin (IM) has been designed for use with regulatory IM.

² This 2019 New York Law Security Agreement for Initial Margin (IM) has been prepared for use in conjunction with an ISDA 2019 Collateral Transfer Agreement for Initial Margin (IM). Users should consult their legal advisers as to the proper use and effect of this form and the arrangements it contemplates.

- (b) **Headings.** Headings are for ease of reference only and shall be ignored in interpreting this Agreement.

Paragraph 2. Security Interest

The Security-provider hereby pledges to the Security-taker, as security for its Obligations, and grants to the Security-taker a first priority continuing security interest in, lien on and right of Set-off against each Segregated Account and all Posted Collateral (IM) transferred to the Security-taker under the Collateral Transfer Agreement. Upon the transfer of Posted Collateral (IM) to the Security-provider on the instruction of the Security-taker or as otherwise permitted under the Collateral Transfer Agreement, this Agreement or agreed by the parties, the security interest and lien granted hereunder on that Posted Collateral (IM) will be released immediately and, to the extent possible, without any further action by either party.

Paragraph 3. Certain Rights and Remedies

- (a) **Security-taker's Rights and Remedies.** If at any time a Security-taker Rights Event has occurred and is continuing, then, unless the Security-provider has paid in full all of its Obligations, the Security-taker may exercise one or more of the following rights and remedies:

- (i) all rights and remedies available to a secured party under applicable law with respect to Posted Collateral (IM);
- (ii) the right to Set-off (A) any amounts payable by the Security-provider with respect to any Obligations and (B) any Cash amounts and the Cash equivalent of any non-Cash items posted to the Security-provider by the Security-taker as margin under any Other CSA (other than any Other CSA Excluded Credit Support) the return of which is due to the Security-taker against any Posted Collateral (IM) or the Cash equivalent of any Posted Collateral (IM) (or any obligation of the Security-taker to transfer that Posted Collateral (IM)); and
- (iii) the right to liquidate any Posted Collateral (IM) through one or more public or private sales or other dispositions with such notice, if any, as may be required under applicable law, free from any claim or right of any nature whatsoever of the Security-provider, including any equity or right of redemption by the Security-provider (with the Security-taker having the right to purchase any or all of the Posted Collateral (IM) to be sold) and to apply the proceeds (or the Cash equivalent thereof) from the liquidation of the Posted Collateral (IM) to: (A) any amounts payable by the Security-provider with respect to any Obligations and (B) any Cash amounts and the Cash equivalent of any non-Cash items posted to the Security-provider by the Security-taker as margin under any Other CSA (other than any Other CSA Excluded Credit Support) the return of which is due to the Security-taker in such order as the Security-taker may elect.

Each party acknowledges and agrees that Posted Collateral (IM) in the form of securities may decline speedily in value and is of a type customarily sold on a recognized market, and, accordingly, the Security-provider is not entitled to prior notice of any sale of that Posted Collateral (IM) by the Security-taker, except any notice that is required under applicable law and cannot be waived.

- (b) **Security-provider's Rights and Remedies.** If at any time a Security-provider Rights Event has occurred and is continuing, then:

- (i) the Security-provider may exercise all rights and remedies available to a pledgor under applicable law with respect to Posted Collateral (IM);
- (ii) the Security-taker will be obligated immediately to transfer all Posted Collateral (IM) to the Security-provider; and
- (iii) to the extent that Posted Collateral (IM) is not so transferred pursuant to Paragraph 3(b)(ii) above, the Security-provider may:

(A) Set-off any amounts payable by the Security-provider with respect to any Obligations against any Posted Collateral (IM) or the Cash equivalent of any Posted Collateral (IM) (or any obligation of the Security-taker to transfer that Posted Collateral (IM)); and

(B) to the extent that the Security-provider does not Set-off under Paragraph 3(b)(iii)(A) above, withhold payment of any remaining amounts payable by the Security-provider with respect to any Obligations, up to the Value of any remaining Posted Collateral (IM), until that Posted Collateral (IM) is transferred to the Security-provider.

(c) ***Deficiencies and Excess Proceeds.***

(i) The Security-provider will remain liable for all Obligations of it remaining unsatisfied after the exercise of rights and remedies by the Security-taker under Paragraph 3(a) of this Agreement, provisions relating to the exercise of rights and remedies by a security-provider in the Other Security Agreement, or equivalent provisions of any Other CSA.

(ii) Following the exercise of such rights and remedies, the Security-taker will transfer or instruct the Custodian (IM) to transfer to the Security-provider any proceeds and Posted Collateral (IM) remaining after satisfaction in full of all payment and delivery Obligations of the Security-provider, including (if applicable) the transfer and release to the Security-taker by the Security-provider, in its capacity as the "Security-taker" under the Other Security Agreement or equivalent provisions of any Other CSA, of all "Posted Collateral (IM)" as defined thereunder and the return of any other amounts and items posted by the Security-taker to the Security-provider as credit support under any Other CSA.

(d) ***Final Returns.*** Subject to Paragraph 3(c), upon satisfaction in full of all Obligations of the Security-provider (except for any potential liability under Section 2(d) of the ISDA Master Agreement or any obligation to transfer any interest payment under any Other CSA), the Security-taker will transfer or instruct the Custodian (IM) to transfer to the Security-provider all Posted Collateral (IM), if any.

Paragraph 4. Expenses

All reasonable costs and expenses incurred by or on behalf of the Security-taker in connection with the liquidation, appropriation and/or application of any Posted Collateral (IM) under Paragraph 3 or the Control Agreement, as applicable, will be payable, on demand, by the Defaulting Party (as defined in the ISDA Master Agreement) or, if there is no Defaulting Party, equally by the parties.

Paragraph 5. Miscellaneous

(a) ***Further Assurances.*** Promptly following a demand made by a party, the other party will execute, deliver, file and record any financing statement, specific assignment or other document, and take any other action that may be necessary or desirable and reasonably requested by that party to create, preserve, perfect or validate any security interest or lien granted under Paragraph 2, to enable that party to exercise or enforce its rights under this Agreement with respect to the Posted Collateral (IM) or to effect or document a release of a security interest on Posted Collateral (IM).

(b) ***No Waiver of Rights.*** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.

(c) ***Further Protection.*** The Security-provider will promptly give notice to the Security-taker of, and defend against, any suit, action, proceeding or lien that involves Posted Collateral (IM) transferred by the Security-provider or that could adversely affect the security interest granted by it under Paragraph 2.

(d) **Entire Agreement.** Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

(e) **Demands and Notices.** All demands and notices made by a party under this Agreement will be made in accordance with the Collateral Transfer Agreement.

(f) **Partial Invalidity.** If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

(g) **Counterparts.** This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

(h) **Amendments.** An amendment, modification or waiver in respect of this Agreement will only be effective if in writing and executed by each of the parties.

(i) **Governing Law.** This Agreement, and any non-contractual obligations arising out of or in connection with this Agreement, are governed by and construed in accordance with the laws of the State of New York.

(j) **Jurisdiction.** With respect to any dispute, claim, difference or controversy arising out of, relating to or having any connection with this Agreement, including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity and any dispute relating to any non-contractual obligations arising out of or in connection with it ("**Proceedings**"), and unless otherwise specified in Paragraph 7, each party irrevocably:

(i) submits to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City;

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party; and

(iii) agrees, to the extent permitted by applicable law, that the bringing of Proceedings in any one or more jurisdictions will not preclude the bringing of Proceedings in any other jurisdiction.

(k) **Service of Process.** Each party irrevocably appoints the Process Agent, if any, specified opposite its name in Paragraph 7 to receive, for it and on its behalf, service of process in any Proceedings before the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City. If for any reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and may within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12 of the ISDA Master Agreement, except as otherwise provided in Paragraph 7. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by applicable law.

(l) **Interpretation.** Unless otherwise specified in Paragraph 7, references to a law, statute or statutory provision include: (i) such law, statute or statutory provision as from time to time amended, modified, re-enacted or consolidated whether before or after the date of this Agreement; and (ii) any subordinate legislation from time to time made, amended, modified, re-enacted or consolidated, whether before or after the date of this Agreement, under any such law, statute or statutory provision.
