NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2008

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The director has prepared the financial statements on the going concern basis. This is considered appropriate as the company's shareholders and creditors will continue to provide financial support to the company for the foreseeable future. Should the company be unable to continue trading, adjustments would have to be made to reduce the value of assets to their recoverable amounts, to provide for any further liabilities which might arise.

1.2 Compliance with and departure from accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

The company has not disclosed the ultimate controlling party which is a requirement of FRS8. This is a departure from accounting standards. The director is of the opinion that the non disclosure of this information does not affect the truth and fairness of the financial statements.

1.3 Turnover

Turnover represents amounts derived from the principal activity.

1.4 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
