Cool Recovery

(A company limited by guarantee)

Report of the trustees (incorporating the directors' report)

for the year ended 30 June 2014

The trustees present their report and the financial statements for the year ended 30 June 2014. The trustees, who are also directors of Cool Recovery for the purposes of company law and who served during the year and up to the date of this report are set out on page 1.

Structure, governance and management

Governing Document

The organisation is a charitable company limited by guarantee (incorporated 24 June 2005) and does not have any share capital. It is a registered charity, governed by its Memorandum and Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1

Appointment of trustees

The directors of the company are also charity trustees for the purpose of charity law and are known in the company articles as members of the management committee. Under the requirements of the Memorandum and Articles of Association as follows:-

9.1 The maximum number of trustees shall be determined by the company in general meeting, but unless and until so fixed there shall be no maximum number. The minimum number shall be three.

9.2 The first trustees shall be those appointed as directors of the company on its incorporation. Thereafter the trustees shall be appointed in accordance with the provisions of these Articles. None of the trustees shall be obliged to retire by rotation.

9.3 The trustees may appoint any individual aged 18 years or over to be a trustee, either to fill a vacancy amongst the trustees or as an additional trustee, provided that the appointment does not cause the number of trustees to exceed the maximum number for the time being in force pursuant to the provisions of the Articles. New trustees are appointed and selected on the basis of their knowledge, skills and experience, and are encouraged to attend meetings and events in order to appreciate the ethos and operating style of Cool Recovery prior to being invited to join as a trustee.

Trustee training and induction

New trustees are encouraged to attend training sessions to familiarise themselves with the charity and the context within which it operates. The training sessions cover the following:

- 1) The obligations of management committee members
- 2) The main documents which set out the operational framework for the charity including the Memorandum and Articles.
- 3) Resourcing and the current financial position as set out in the latest published accounts.
- 4) Future plans and objectives.
- 5) Induction packs containing policies, job description and other relevant information has now been produced.

Risk Management

Where appropriate systems or procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures and policies are in place to ensure compliance with health and safety of staff, volunteers, members and visitors to the Cool House and other activities managed by Cool Recovery.

Organisational Structure

The Cool Recovery Limited directors will, as its trustees, ensure that all legal requirements of company law are adhered to and will also ensure that it meets the requirements of the Charities Commission. The day to day running of Cool Recovery is managed by Martin Smith.

Cool Recovery

(A company limited by guarantee)

Report of the trustees (incorporating the directors' report)

for the year ended 30 June 2014

Management Structure

The following management structure has been agreed to seek ways to ensure the charity is run and managed from the bottom up.

Members would hold meetings as required and arranged by them. This forum would enable feedback, give a place for debate and ensure members' views are taken up by management. Minutes would be given to the directors and Board of Governors (when established).

Specific groups would be formed of people having particular skills to offer. These groups could cover the main areas of work and responsibility within Cool Recovery (e.g one group would be "dealing with information"). Each "organisational" group will elect a leader who will "ipso facto" become a Governor on the Board of Governors. Care will be taken to ensure at least one Governor is a carer and at least one is a mental health service user. The Board of Governors will meet as necessary, but at an interval of no more than one calendar month. The meeting will be operated via a rotating chair, the next chair will be agreed at the close of the meeting.

Work would be affected by the group according to the needs of the board of Governors, within an agreed budget. The directors will, from time to time, attend the meetings of the Governors Board. The directors will not directly influence the Governors Board so long as it stays within its remit.

Objectives and activities

Aims and objectives

The company's objectives and principal activities are for the advancement of health through the provision of care and services in relation to mental illness.

Cool Recovery's Core Objectives

We will improve awareness and understanding so that people affected by severe mental illness will be accepted as equal citizens.

We will campaign for breakthroughs in prevention, treatment and care.

We will fight for effective, holistic care and support we can rely on every hour of the day.

We will campaign for a better world where everyone living with severe mental illness can recover a quality of life that brings greater fulfilment.

Cool Recovery is for everyone affected by severe mental illness, which includes carers, families and friends.

Cool Recovery supporting statements

People with experience of mental distress drive all we do.

We respect everyone's experience and ensure inclusion is at the heart of our work.

We are committed to working with others and all who will help us achieve our aims.

Our independence ensures our integrity- we are never compromised.

We will challenge discrimination and campaign for better mental health.

Cool Recovery **(A company limited by guarantee)**

Report of the trustees (incorporating the directors' report) for the year ended 30 June 2014

Cool Recovery's activities

Cool Recovery is a local mental health charity involving and supporting Carers and People recovering from or affected by mental health issues.

Our vision is of a society that promotes and protects good mental health for all, and that treats people with experience of mental distress, positively, fairly and with respect. The needs and experiences of our membership drive's our work and we make sure those who can influence change hear us. Our independence gives us the freedom to stand up and speak out on real issues that affect daily lives. We provide information and support, campaign to improve policy and attitudes and, in partnership with the local community, business and other independent organisations, to develop local services. We make it possible for people who experience mental distress to live full lives, and play their full part in society.

The published Cool Recovery Annual Review 2014 fully covers the activities delivered to and by its members living within South Devon, both town and county.

The Cool House in Torquay has continued to develop and grow organically. The amount of support being given and the daily Cool House attendance if is now reaching it highest ever. The Rural Cool services continue to develop and support even more new members.

The informal drop-in times on Mondays and Tuesdays only have been working well. Wednesdays are dedicated to carers, Thursdays for appointments, recovery groups, training and booked activities. Also on Thursdays the house is full of people and kids learning to speak English from all over the World, its great and it always reminds us how diverse South Devon really is. Fridays are appointments only for Cool Members, with Home Start and Young Adult Carers using the house offering support, advice and signposting for young people and families with under-fives throughout the year!! This allows staff more time to manage and further develop the charity.

The house is being used in the evenings and at weekends for social events, support groups, meetings, training, counselling and by Young and Young Adult Carers.

The Cool Café is the hub of the Cool House and lunchtimes are social occasions. Good, tasty food has always been an important element and we are all indebted to the volunteer chefs who produce such appetizing and affordable meals, keeping members, staff and visitors well-nourished and content. We would like to thank Food in Community, Riverford and Sainsbury's Paignton for all their support and great organic ingredients. The Café and Cool House have a range of recovery opportunities in place, covering training, volunteering and personal development. The allotment is fully operational and provides many of the vegetables that are used in the Cool House café.

The therapies service is developing further recognised locally as providing quality support, Counselling and Anger Management training services. We have increased the number of referrals and fees from other local services for this training. Massage, Therapies and Personal Health Clinics continue to keep us fit, healthy and relaxed. Thank you to all the Therapies team members.

Cool Recovery

(A company limited by guarantee)

Report of the trustees (incorporating the directors' report) for the year ended 30 June 2014

All our activities are published monthly in Coolnews, Cool House and Rural Programmes and on our website www.coolrecovery.org.uk that is regularly updated. The Cool Recovery Website www.coolrecovery.org.uk has been managed by Cool Mediatech. They have also upgraded Cool's computer security systems. Cool Mediatech are Cool Recovery's IT and Graphic Design business for more information ask us or www.coolmediatech.com.

The Cool House has continued to support Young Carers and Home Start Family Time, a time for children under five years old and their families. Comic Relief funding has again enabled us to offer support to Young Adult Carers who are hard to reach and need specialist support. In partnership with Torbay Care Trust we are managing and further developing services for Young Adult Carers in Torbay.

Activities in rural areas continue to grow as the Dartmouth, Kingsbridge, South Brent, Teignbridge Cool Groups are now well established. We have now started the Totnes Cool Group and its going very well. Carers recharge days are regular events within the South Hams, Barbara is still seen regularly massaging people under the darts board in one local venue!! The trustees are fully committed to the rural issues and will be highlighting areas of need.

A more detailed account of our activities is explained under "Achievements and performance" in this report and the Cool Recovery Annual Review 2014.

We remember with fondness and in appreciation all our friends who have died, and express deepest sympathies to those who have lost someone close.

Achievements and performance

This report is to be read in conjunction with the Cool Recovery Annual Report.

- 1 We have significantly improved the public's understanding of the role of the carer and reduced the stigma of severe mental illness.
- 2 We have worked with local service providers to help develop alternative and better ways of working with people who need clinical services.
- 3 We have substantially improved access to Cool Recovery throughout South Devon for those affected by mental illness and their carers.
- 4 We have increased and supported the direct involvement and empowerment in Cool Recovery of people who use mental health services and their carers.
- 5 We are working to increase the diversity of members and staff to reflect the communities we serve.
- 6 We have fully supported innovative, evidence based and recovery practices across our activities.
- 7 We retain a culture of innovation, learning and humanity as we grow and develop.
- 8 We are committed to creating a more effective organisation by investing in people, systems and infrastructure.
- 9 We are building a strong financial base for sustainable growth.
- 10 The development of the public relation's team will continue to raise awareness and understanding of Cool Recovery.

Cool Recovery
(A company limited by guarantee)

Report of the trustees (incorporating the directors' report)
for the year ended 30 June 2014

Financial review

This report covers all donations and expenditure up to end of June 2014

Cool Recovery continues to maintain the high standards required by the Charity Commission and Companies House. This has been achieved by our accountancy team (Rupp & Fraser) with the support of Martin Smith, Frances Tilley, our bookkeeper and James who oversees the petty cash paperwork. We would like to thank Sue Hart for all her support over the past years as she is no longer working at Rupp & Fraser. We are keen to develop further "full cost recovery" accountancy systems to monitor costs ensuring funding needs are fully met.

Members and therapists have given both financially and personally. The trustees are fully aware of their contribution and are grateful to them and all our other funders and donors. We must again thank members and friends for again their generous donations. That has again enabled us to keep Cool Recovery going this year.

We are again extremely grateful to Big Lottery Fund, The Henry Smith Charity, Comic Relief, Devon Community Foundation, South West Foundation for funding us this year. These grants have enabling us to continue and develop our charity's activities, giving us more stability and support services to Rural Devon Communities. It will also enable us to further develop opportunities for Recovery within Cool House, better outcomes monitoring and contracts management systems. Lutea Trustees Ltd has again given us support.

The Cool Young Carers Saturday Drop-in is being funded by Torbay Children's Services. Southwest Foundation and the Skills Funding Agency has been funding us to train and support members. Our fund-raising efforts this year have been very successful and we are thankful to all the grant-givers, companies and individuals who have also supported us financially or with goods and services; and are recognised in this report.

Income generation through room rentals was still good. The Cafe has generated profits and continues to provide delicious, nutritious, low cost meals and much needed drinks to all our volunteers. Cools Cafe and Italian Coffee Bar also provides internet access via laptops, meals and refreshments are offered to members and the public.

Cool Recovery

(A company limited by guarantee)

Report of the trustees (incorporating the directors' report) for the year ended 30 June 2014

Cool Recovery Membership is £18 per year and has been more actively encouraged this year, as such we have increased income. Our membership year now falls in line with our accounting year as of last year, (i.e from 1st July). Membership fees cover newsletter costs only but show commitment to Cool Recovery. We are now mailing our monthly Coolnews and other info to 'paid up' members only; all others can collect newsletters from the Cool House, at groups and from Cool Recovery supporters throughout South Devon. ALL Cool Recovery Publications are also sent to 500 e-mail addresses and available on the Cool Recovery website.

Activities in rural areas continue to grow. One to one links, word of mouth, e-mail and telephone contact are essential elements supporting rural members and we are looking at areas of funding to develop rural outreach work. All Cool Rural Support Groups meet regularly, joining up with members from all over South Devon and Plymouth. Dartmouth Cool is well-established and committed to recovery, promoting good mental health, events and fundraising throughout the year.

The trustees are fully committed to rural issues and will be highlighting areas of unmet needs, Lottery funding has enabled us to develop and expand. Core funding has been secured for the next year, long term funding still remains our biggest challenge.

Among the many supporters and fundraisers include again Paignton Sainsbury's, Princes Trust, Kerswell Ladies Choir, Singer RO.Z.B & DJ Mistix, Torquay United Football Club, Dr David Somerfield and Torquay Sunrise Rotary Club; who are still fund raising for Cool- thank you everyone!

Cools supporters are listed and thanked in this report, your time and donations are all valued and used wisely.

We value your practical and financial support and we invite you to become a regular Cool Supporter.

Our long term plans are to explore all avenues for sustainability include being aware and responsive to the opportunities arising from the current changing financial climate, in particular, the Government's Personalisation and Services contract agenda; it's available but has proven hard to access. This funding would have covered core operational costs and enabled us to maintain the high standards of services offered to our members and those who rent rooms or use the Cool House, over the next year we will be actively pursuing this funding stream.

The Trustees would like to thank all staff, self-employed staff and volunteers for all you have done and given to enable Cool Recovery to become such a successful Charity over the past year.

The personal time given by members, supporters, volunteers and those offering their services to Cool Recovery is priceless and highly valued by Trustees. With this personal commitment we have been able to achieve all that you read in the Annual Review-and more!

Cool Recovery Annual Review 2014 is available on request.

Reserve Policy

Taking into account the nature and volume of income streams and the pattern of expenditure in meeting the charity's objects, the trustees have maintained their view that to ensure efficient management, and work towards the provision of a financial buffer allowing uninterrupted services, a free reserve equivalent to six months' of total expenditure is required. This amounts to a minimum of £96,000 on the basis of 2013/14 expenditure.

Cool Recovery
(A company limited by guarantee)

Report of the trustees (incorporating the directors' report)
for the year ended 30 June 2014

Statement of trustees' responsibilities

The trustees (who are also directors of Cool Recovery for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departure disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Cool Recovery
(A company limited by guarantee)

Independent examiner's report to the trustees on the unaudited financial statements of Cool Recovery.

I report on the accounts of Cool Recovery for the year ended 30 June 2014 set out on pages 2 to 21.

Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(1) of the Charities Act 2011 and that an independent examination is needed. It is my responsibility to examine the accounts under section 145(1) of the Charities Act 2011; to follow the procedures laid down in the General Directions given by the Charity Commission; and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep proper accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities
- have not been met; or

- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Balance sheet (continued)

**Trustees statements required by the Companies Act 2006
for the year ended 30 June 2014**

In approving these financial statements as trustees of the company we hereby confirm:

(a) that for the year stated above the company was entitled to the exemption conferred by section 477 of the Companies Act 2006 ;

(b) that no notice has been deposited at the registered office of the company pursuant to section 476 of the Companies Act 2006 requesting that an audit be conducted for the year ended 30 June 2014.

(c) that we acknowledge our responsibilities for:

(1) ensuring that the company keeps proper accounting records which comply with section 386 of the Companies Act 2006, and

(2) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the year then ended in accordance with the requirements of sections 394 and 395, and which otherwise comply with the provisions of the Companies Act relating to financial statements, so far as applicable to the company.

These financial statements are prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements were approved by the board on 19 December 2014 and signed on its behalf by

R K Sewhcomar
Director

The notes on pages 14 to 21 form an integral part of these financial statements.

Cool Recovery

(A company limited by guarantee)

Notes to financial statements for the year ended 30 June 2014

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Charities (Accounts & Reports) Regulations 2008 and the Companies Act 2006.

The company has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small company.

1.2. Fund accounting

Unrestricted Funds

These are the funds that can be used in accordance with the charitable objects at the discretion of the trustees.

Designated Funds

These are funds set aside by the trustees out of unrestricted funds for specific future purposes or projects.

Restricted Funds

These are funds that can be used for particular purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

1.3. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

Cool Recovery
(A company limited by guarantee)

Notes to financial statements
for the year ended 30 June 2014

1.4. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

1.5. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Leasehold properties	-	Straight line over the life of the lease
Equipment	-	25% reducing balance
Fixtures, fittings and equipment		25% reducing balance

1.6. Stock

Stock is valued at the lower of cost and net realisable value.

1.7. Defined contribution pension schemes

The pension costs charged in the financial statements represent the contribution payable by the charity during the year.

2. Voluntary income

	Unrestricted funds £	Restricted funds £	2014 Total £	2013 Total £
Donations	10,809	-	10,809	12,285
Grants receivable	3,019	102,686	105,705	153,342
Rent in kind	20,612	-	20,612	20,604
	<u>34,440</u>	<u>102,686</u>	<u>137,126</u>	<u>186,231</u>

Cool Recovery
(A company limited by guarantee)

Notes to financial statements
