**Notes to the financial statements for the year ended 31 March 2010**

**1. Policies**

**1.1 Basis of accounting**

The financial statements have been prepared on the basis of historical cost accounting and in accordance with the Financial Reporting Standards for Smaller Entities (effective April 2008)

**1.2 Turnover**

The company's main income is grants to be used for the company's purpose

**1.3 Tangible fixed assets and depreciation**

Depreciation on tangible fixed assets is accounted for as if the cost of the assets were to be written off over the period of their normal economic life. The depreciation is accounted for at the following rate

|                  |                                    |
|------------------|------------------------------------|
| Office equipment | 15% on the reducing balance method |
|------------------|------------------------------------|

**1.4 Pension**

The company operates a defined-contribution pension scheme. The contributions payable for the year are included in the income and expenditure account

**1.5 Government Grants**

Government grants relating to tangible fixed assets are treated as deferred income and released to the income and expenditure account over a useful period of these assets. Other grants are shown in the income and expenditure accounts as the relevant expenditure arises

**2. Turnover**

The entire turnover of the company arises from the principal activity of the company in the United Kingdom
